While shredding corn Wednesday of last week, he got his hand too close to the machinery, and the tip of one finger was cut off. Dr. Cutts dressed the injured finger, and Mr. Pearson will soon be all right again.—Grove City Times.

SEMINARY NOTES

Warning! All students at the W. S. are strictly prohibited from frequenting pool and billiard halls.

Axel Gordhammer and Mabel Magnuson were absent from school the latter part of last week.

The steam heating plant is now installed and in operation and it seems to give first class service.

Can anyone remember who married Axelgrease?

Teacher: What was the cause of the Revolutionary war?

Student: Constipation without representation.

The first issue of the "Tanner" was printed last week, it was full of ginger, that was both newsy and breezy.

Alfred Amundson left for his home near Georgeville Thursday. He had to take a lay off from his studies on account of weak eyes.

On account of the absence of the president, the vice president, Walter Knutson had to act as chairman at the last meeting of the Osseo.

The Osseo society had to abandon their plan of giving a play before Christmas on account of the short time to prepare it in.

Mrs. A. C. Pederson and her guest from Benson, Miss Grace Arneson, were pleasant callers at the Seminary Thursday.

The regular fall term examination will be given the last three days of this week, when all will have an opportunity to put down in words and figures what they have learned this term.

The Christmas vacation commences Saturday, Dec. 21, and extends to Monday, Jan. 6th.

For rent, close to the Seminary, a room, by an elderly lady, twelve by fourteen feet.

It is a well known fact, that time in every instance will sooner or later get the best of man, but who ever heard of time being able to beat winter in a race. Now here is Christmas looming up over the distant hills, almost in view, and we have so far only had a slight touch of winter. Therefore we have come to the conclusion that Time himself has invested in one of the latest style airships and is flying along at a terrific rate of speed, or else that winter was stalled in some big snow drift up in Alaska or Canada, but will be here just as soon as he can get his (frosty) breath back again.

Don't forget to make your New Year's resolutions.
The Tribune scribbler wishes to wish all the stages a Merry Christmas and a Happy New Year.

Engvall-Freeman.
A quiet and pretty home wedding was solemnized in the village last Wednesday afternoon at 2:30 o'clock when Miss Minnie W. Freeman was united in marriage to Mr. George Engvall at the home of the bride's parents, Mr. and Mrs. N. P. Freeman.

Rev. G. O. Schoberg of the Swedish Lutheran church performed the ceremony in the presence of about fifty guests, relatives and a few intimate friends of the bridal pair.
The marriage service took place in the parlor under a white wedding bell. The bride was attended by a sister of the groom, Miss Emma Engvall, and the groomsmen was the bride's brother, Clarence Freeman. The bride was gowned in white satin trimmed in bead fringe and Rhinestone ornaments. She wore a bridal veil which was caught up with lilies of the valley and carried a bouquet of bride's roses. Her bridesmaid wore white swiss and carried white carnations.

The house decorations were in white in the parlor and pink and white in the dining room. A five o'clock wedding dinner of four courses was served to the guests. Among the many relatives in attendance were some from Minneapolis, Dassel and Willmar.
The newly-weds departed the following day on the noon west bound train for a short wedding trip. They will be at home after Jan. 15 on the old Engvall farm in Genesee, which the groom has rented.

Crushed Between Bumpers.
Albert Meilke, aged 24, a brakeman employed on the west end of the H. & D. division while making a coupling on his train in the yards here on Saturday evening was caught between the bumpers and received injuries which caused his death at 11:30 Monday night. His injuries included a compound fracture of the pelvis and severe laceration of the abdominal wall.

The young man was taken to the hospital and everything possible was done to alleviate his sufferings.
His father and sister, of Jefferson, Wis., arrived here on Monday before the young man lost consciousness and was with him to the end. His remains were taken back to his former home for burial on No. 6, Wednesday morning.

Conductors Henry Wells and Henry Helgeson accompanied the remains
