AS YOU KNOW, twice each year at the end of the season, we hold a great sale, where nothing counts with us but quick sales and empty shelves. These events have special meaning to hundreds of people as opportunities to actually save a considerable sum in their clothes buying. Our store will be closed February 10th and 11th, to give us a chance to mark down our stock in preparation for this event. All this season's styles will be included in this great clearance; it is against our business principles to carry goods over from one season to another--we must always have the most up-to-the-minute styles obtainable. Hence these wonderful price reductions semi-annually. This is pre-eminently a sale sacred to bargain-hunters--to people who appreciate a bargain and want it at a low price. We will help you find what you want, and sizes and prices will be so marked that you can look over our stock conveniently. The fact that these are bargains in the broadest sense of the word, is apparent by a casual examination--the products of leading makers and very desirable. ☐ ☐ ☐ ☐

TO THE WISE BUYER: A sale of this kind is an opportunity not to be overlooked, for while these are actually the left over articles from the season's business, there are scores of bargains that represent the best output of leading makers, and goods of the finest quality. The styles change so little from season to season, that these bargains bought now will be entirely correct and available next season, and will be every bit as valuable then as newer goods at twice the price.

These Are But a Hint of the Bargains to Be Found Here During This Semi-Annual Clearance Sale. Look Them Over Very Carefully They Should Be of Interest to You
