MAKE A GOOD SHOWING AT STATE TOURNAMENTS

Willmar High School Team Met Defeat With Honor at Northfield. Last week occurred the first annual basketball state tournament at Northfield and in which the Willmar High School team participated. The local team arrived in Northfield Wednesday afternoon. At one o'clock Thursday, the teams met together at the Saylor Hill gymnasium for instruction and drawing. Willmar drew Fosston. There were three games that afternoon and three in the evening on Wednesday evening. Red Wing and Winona played off. Red Wing was victorious by the score of 35 to 23. At 2 o'clock Thursday, Mountain Lake defeated Blue Earth with a score of 40 to 9 in the first game. The next game was between Fosston and Willmar. Willmar was defeated by their speedy opponents by the score of 27 to 20. There were a great many fouls called. Tevjak won 2 field baskets. Johnson and Branton one.

In the final game of the afternoon, Plainville defeated Austin 29 to 20. For the first game in the evening, Fairbault was defeated by Mankato 27 to 21. In the second game, Mankato defeated Grand Rapids, 34 to 15. In the last game of the day, Stillwater held Madison without field basket and beat them 15 to 6. Friday afternoon, Mountain Lake defeated Red Wing 45 to 27. In the second game, Fosston defeated Plainville 38 to 27 and in the last game Luverne defeated Mankato 36 to 23. The next morning the semi-finals were pulled off. Fosston defeated Luverne 38 to 26. Mountain Lake triumphed over Stillwater 36 to 24. This left Mountain Lake and Fosston to fight for the championship in the evening. The first half ended 15 to 16 but when the final whistle blew, the score was 29 to 27 in favor of Fosston, thus giving them the cup and championship.

The Fosston team averaged about 130 lbs. and was by far the best team that played. Their team work was of the short pass variety and this certainly was great. The Willmar team held Fosston to the lowest score with the exception of Mountain Lake.

On Friday night a banquet was given to the teams in the gymnasium. At this a permanent organization was formed in order that an annual tournament might be held. Stillwater was the team that was supposed to win the cup when the tournament was over they found themselves among those at the bottom of the ladder. The rules were interpreted word for word and this helped to defeat a number of teams. They were used to being allowed more freedom. There were no disputes and everything was carried on in fine shape and the Willmar team reported the fairest treatment and good sportsmanship.

Here's hoping that Willmar can be represented by a team at this annual tournament each year. This trip has finished the High School basketball ball season for the Willmar team. The team has fully experienced in this town. The team won 12 out of 14 games played and up to the time of the game with Fosston, no team had scored more than seven field baskets in any game. The whole team was evenly balanced. Coach Walter Crosby must be given credit for his untiring efforts to develop a winning team. He spent a great deal of time helping the boys.

Annual Meeting of the Willmar Presbyterian Church. A large congregation met in the First Presbyterian church on Tuesday evening of this week it being the annual meeting of the congregation. A fine supper was served by the Ladies of the church, after which the congregational meeting was held.

Reports were received from the several societies of the church. These reports show a splendid advancement along all lines of the church activities. About \$2,700 raised for the various purposes. During the past five months 70 new members have been received into the membership of the church, making the total membership 311, with a Sunday school enrollment of 279.

Large congregations gather at the church for the services on the Sabbath day both morning and evening. The following officers were elected by the church: L. A. Vik, Geo. H. Ottersen and Dr. John Jacobs were elected to the office of Elders for the term of three years. Mr. W. M. Chase was elected Trustee for the term of three years.

Stole March on Friends. The marriage of Charles Taylor Rowell, better known as Tom, and Miss Ida E. Olson occurred March 31, as briefly mentioned in our last week's issue, and certainly was a complete surprise to their many friends in this city, and was as the young couple had planned that it should be. At 7:30 p. m. at the St. Luke's Episcopal parsonage, Rev. H. Gates read the marriage service which made them man and wife, the sole witnesses being H. J. Ramssett and H. C. Hanson. The bride wore a white suit and a large picture hat. After the ceremony the happy couple proceeded to Dreamland theatre and not even the immediate relatives were aware of the happy event. They have gone to honeymoon in the Rowell residence at 464 7th St. and are receiving the best wishes and congratulations of their many friends here.

A "University Week" Probable. A representative of the State University is expected at Willmar soon to take up with our people the matter of putting on a "University Week" at the Park Auditorium in the first week in June. This would give one solid week of instruction and wholesome entertainment that would be welcomed by the people of city and county.

INGA ORNER HERE APRIL 22

The Celebrated Lyric Soprano to Give a Concert at Willmar. Tuesday, April 22, is the day on which Miss Inga Orner will appear at Willmar. The concert will be held at the Willmar Opera House and is given under the auspices of the Willmar Glee Club. It is seldom that Willmar has an opportunity of hearing singers here of such note and it is believed that should the weather and roads be favorable the house will be packed to its fullest capacity.

Miss Orner, who is with the Metropolitan Opera Company of New York and the Convent Garden of London, in her opera work has carried important parts in such operas as Faust, Tannhauser, Romeo and Juliet, Carmen, Cavalleria Rusticana, Luisa, Lakme, Madama Butterfly, Aida, Walkirie, The Hugenots, Traviata, Bigolette.

Miss Orner's concert here however, will be popular enough in its nature to satisfy everyone. A large portion of her program will be of the songs of Scandinavia—the grand old folksongs of her mother tongue.

According to the Sanger-Hilsen, published at Minneapolis, Miss Orner began her tour yesterday. Sunday she gave
