ACCIDENTALLY SHOT HIS GRANDMOTHER

Sad Shooting Accident Occurs Near Paynesville.

Paynesville Press:—Last Saturday afternoon about five-thirty the accidental discharge of a shot gun in the hands of Merton Krupke struck and instantly killed Mrs. Louisa Krupke, the boy's grandmother. The boy had just returned with his hunting brother, Willie, from the catechism class at Salem church and had changed his clothes to go out and do the chores as his father, Emil Krupke, was in Paynesville on business. One of the younger children came in and told Merton that a flock of ducks were in a nearby pond. He got down the gun and was getting ready to go out and see if he could get some of them. Just then his grandmother who lived on the same place in a separate house with her husband, Gottlieb Krupke, came over after some butter for their supper, and was standing near the door while the boy's mother had gone after the butter, when the gun discharged. Neither Merton nor Willie, his younger brother, who was in the room can account for the discharge nor give any details other than it just happened. The Krupke farm is six miles north of town. The family are old settlers and are among our best families. Merton is twelve years old and a well developed boy for his years and has been handling fire arms for the past year.

GOV. RICE IS PRESIDENT

Of the Minnesota-Norway Centennial Association.

WILLMAR WELL TO THE FRONT

Our City Has Distinction of Furnishing Official Heads for Both National and State Organizations of American Norwegians in the Movement to Celebrate Norway's Independence. Willmar will certainly be conspicuous upon the Norwegian map in connection with Norway's Centennial celebration next year. Our townsman, Hon. L. O. Thorpe, was chosen as chairman of the National Mindogave project, and has put in a great deal of work in bringing that idea to a realization. Now, at Gov. Eberhart's office last Friday, Hon. A. E. Rice of our city was chosen president of the Minnesota-Norway 1914 Centennial Association which is to provide a Minnesota exhibit at the Christiania exposition. The St. Paul Dispatch gave the following report of the meeting: "One hundred Norwegian residents of Minnesota met Friday at the state Capitol, organized the Minnesota-Norway 1914 Centennial association, and subscribed \$2,500 to be used for a Minnesota exhibit at the Norwegian exposition. Former Lieutenant Governor, A. E. Rice of Willmar, was elected president of the association; Ludwig Arctander of Minneapolis, secretary, and J. J. Moe of Duluth, treasurer. An executive committee of fifteen members will be appointed by Governor Eberhart. The chairman will be Insurance Commissioner J. A. O. Preus. "Governor A. O. Eberhart, State Auditor Samuel G. Iverson and Jas. A. Peterson, who are expected to occupy the center of the stage in the next gubernatorial campaign, met with the Norwegians to devise ways and means for the Minnesota exhibit at the Christiania centennial. Mr. Iverson and Mr. Peterson, both Norwegians, sat together at the side of the Senate chamber, where the meeting was conducted, while Governor Eberhart, a Swede, presided. "Both rivals of the executive for state honors were compelled to listen to laudatory remarks and commendations from their fellow countrymen concerning the Governor, as praise was accorded him for his interest in providing a Minnesota display at the exposition. "Committee to Direct Work. "Many prominent Minnesota Norwegians were present at the meeting. In line with a suggestion from E. H. Hobe, Norwegian consul for Minnesota, and a motion by Ludwig Arctander of Minneapolis, a committee will be appointed to have direct charge of the work. This committee will solicit funds, arrange the display and employ a manager to have charge of the exhibit. "Governor Eberhart made a brief statement of his attempt to secure a legislative appropriation for an exhibit. He was followed by Consul Hobe who gave his ideas as to what the display should consist of. He suggested that the portraits of prominent Norwegians, models of farms, churches and schools owned or controlled by Norwegians and a booklet descriptive of the history of the race in this state should be prepared. He said between \$5,000 and \$10,000 would be needed. "Not in Favor of Show. "Andreas Ueland of Minneapolis was not wholly in favor of making an exhibit. He said that the exposition is not an international one and that its exact character should be investigated before any action was taken. He asked whether the state had received a formal invitation from the managers of the fair. Both Governor Eberhart and Consul Hobe assured him such an invitation had been received. "Others who spoke in favor of making a display were former Lieutenant Governor A. E. Rice of Willmar, and

Dr. H. G. Stub, president of the Norwegian Lutheran synod. President Kiddahl of St. Olaf College called attention to the many demands for money which are and have recently been made upon the Norwegian people by their churches and schools, and questioned whether it would not be difficult to get the money for this venture. "Ludwig Arctander of Minneapolis proved to be the champion of those who favored making of a display. The sentiment of the meeting, however, seemed to be that nothing should be shown that would tend to make the Norwegian people think that the Minnesota exhibit was a scheme to advertise the state and attract young people from their homes in the fatherland. "We want only to show the home folks what we are, where we are, and how we live," said Mr. Arctander. Each contributes \$100. "The contributors to the exhibit fund are Governor A. O. Eberhart, Dr. H. G. Stub, president of the Norwegian Lutheran Synod of Minnesota; Insurance Commissioner J. A. O. Preus, E. H. Hobe, Norwegian consul; Dr. T. H. Dahl, president of the United Lutheran church, and G. Torjelson, St. Paul; Ludwig Arctander, Nils Juul, C. F. Hjerstad, Dr. T. Severson, Dr. N. H. Sjeldrup, I. A. Thorsen and I. Kjelland, Minneapolis; E. O. Hagen and J. J. Moe, Duluth; Samuel Rask, Blooming Prairie; Rev. T. A. Hoff, Wheaton; A. E. Rice, Willmar; State Senator S. V. Dues, Pipestone; Moe and Dosland, Moorhead; Rev. S. O. Oldstad, Northfield; State Senator Froshaug, Benson, and the Sons of Norway. Each contribution was \$100.

Staraker acted as spokesman for the party and in the presentation speech thanked the Reverend for his faithfulness and good work, whereupon he presented him with a purse of \$140.75 as a token of esteem and appreciation.
