### OBITUARY

**MRS. BRITTA OLSON.**  
One of the very early pioneer women of Kandiyohi county has passed to her final reward. Mrs. Britta Olson died at the home of her son, Andrew and wife in Colfax last Wednesday, Jan. 14, at the age of nearly 82 years. She has been bed-ridden for the last 18 months.

Mrs. Britta Olson was born at Järfä, Hälsingland, Sweden, Mar. 18, 1832. She was married in 1861 to Andrew Olson and came to the following year with her husband to America. They lived in Waupun, Wis., until 1858 when they located on a claim near Spicer in this county. Two years later they moved to Colfax, where they made their home except from 1862 to 1865 when they fled from the hostile Indians. Mr. Olson died in 1903. Three sons survive their mother—Erick and Andrew Olson of Colfax and Axel E. Olson of New London. She is also mourned by a brother, Olof Olson of Colfax, and a sister, Mrs. Carrie Danielson of New London.

The funeral occurred Jan. 17. Services were held at the home by Rev. B. S. J. Sund of Belgrade. The interment took place at Oak Hill cemetery at New London, where Rev. Hanson officiated. The pall bearers were Erick Dahlberg, Frank Lundgren, Emil Johnson, John Bergquist, Matt Thimell and Gust Harlander. A large number of old friends and neighbors came out to pay their last respects to the deceased. May the last pioneer rest in peace!

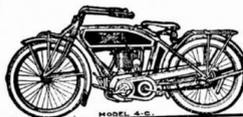

**MRS. SHERNEY HANSON.**  
The Grim Reaper called at the home of Sherney Hanson, a brakeman in the service of the Great Northern in this city last Saturday and ruthlessly plucked the young wife and mother from a devoted husband and baby boy. Mrs. Hanson has been ill for five weeks with pneumonia and her death cast a deep gloom over a large circle of friends, whose profound sympathy goes out to the mourning family.

Mrs. Clara Oltis (Otos) Hanson was born at Willmar May 10, 1888, and was the first born child of Mr. and Mrs. K. T. Otos. She grew to womanhood in this city. For a time she was employed in the telephone central. She was married to Mr. Hanson Dec. 21, 1912. Besides the stricken husband and baby boy, Richard—16 months old—who is yet too young to realize his great loss, the deceased leaves to mourn her untimely departure her parents and four brothers—Roy, Jennings, Philip and Bernhard—and a number of other relatives.

The funeral occurred yesterday afternoon. Services were held at the heran Free church. Rev. Michael officiated and spoke very feelingly in both Norwegian and English. There was a profusion of flowers. Among these was a large bell of white carnations and roses from the telephone employees and a wreath on the B. of L. T. The pall bearers were Peter, Lawrence and Axel Hanson, Clarence and Arthur Otos and Horton Quam. Among those from a distance who attended the funeral were Mrs. J. H. Higgins of Fargo, Miss Etta Moldenhauer of Moorhead and Mrs. Hannah Vendeltried of Stillwater.

**New Land Firm.**  
A new real estate firm to be known as Ruddy Bros. & Smith has been organized in this city and have opened offices in the location lately vacated by W. A. Green on Pacific avenue. The firm consists of W. J. Ruddy, who lately moved to this city and purchased a residence on Gorton avenue, H. Ruddy, the G. N. eating house proprietor, and E. E. Smith, who has come to our city and resides on Campbell avenue. This is a substantial firm which expects to go after the business. They have much land listed in Swift and Chippewa counties and now expect to extend their operations to this county and city.

—Mrs. Henry Rost entertains the Silent Club at her home tomorrow afternoon (Thursday).

## GREAT FARM PLAY COMES TO WILLMAR

### U. Dramatic Club Will Give Special Presentation Account of Convention.

The play, "Back to the Farm," written by students of the Agricultural College and which has been produced at various points of the northwest by the University Dramatic Club; will be presented by the original cast at the Willmar opera house tomorrow evening. The play has thoroughly pleased every audience that has seen it. The plot is full of humor but at the same time depicts the hardships and trials of the Minnesota farmer and points out the way for improvement and greater prosperity. The University Dramatic Club was seen at Willmar last June when it presented "A Pair of Spectacles," in a manner which would have done credit to the best of professional artists.

It was thought impossible to secure this play during the Dairyman's convention owing to the fact that examinations are taking the time of the students, but the Great Northern came to the rescue and by means of a special sleeper will have the students back to Minneapolis the next morning without the loss of the night's sleep. No one should miss this play. Seats will be placed on sale to the public after three o'clock tomorrow (Tuesday) at Elfstrom's. Prices 50c, 25c, and 25c.

The play will be preceded by motion pictures taken at the Morris show, the State Fair, etc. No one should miss this entertainment, which will be one of the best numbers of the entertainment provided for the dairyman's convention.

**District Church Meeting.**  
The annual meeting of the Willmar District of the Swedish Lutheran church takes place at Tripolis and Kandiyohi Saturday, Sunday and Monday, Jan. 24-26. The meetings begin with services at Kandiyohi at 8 o'clock Saturday afternoon by Rev. E. O. Chelgren. Saturday evening Rev. Norsen will deliver the convention sermon at Tripolis at 7:30. Communion services take place at Tripolis Sunday morning when Revs. A. Peterson and C. Swenson will speak and Revs. G. O. Schoberg and W. E. Pearson will officiate. A discussion on the subject of "The Christian Education of Children," will occur at 2:30 o'clock p. m. Evening services on Sunday take place at Kandiyohi conducted by Rev. W. E. Pearson. On Monday morning the annual business session takes place beginning at 9:00 o'clock, and on Monday afternoon at 2:30 o'clock a discussion will be held on the subject of the Fifth Article of the Augsburg Creed. Monday evening services will be announced. The local pastor, Rev. B. E. Walters and his churches extend a hearty welcome to all to attend these meetings.

**Pastor Surprised.**  
Rev. B. E. Walters at Tripolis was the pleased victim of the designs of his parishioners last Friday evening, when a surprise party had been arranged for him at the church basement. The pastor had not the least inkling of what was in store for him. Attorney Charles Johnson was the spokesman of the parishioners and presented the pastor on their behalf with a purse of \$119. Rev. Walters asks us to extend his most cordial thanks to all and who so kindly remember him.

**Silver Wedding.**  
Forty friends remembered the fact that twenty-five years have elapsed since the wedding of Mr. and Mrs. Andrew N. Anderson and on Sunday evening surprised them at their home on a farm east of the city. On Jan. 19, 1889, the wedding of Mr. Andrew N. Anderson and Miss Carrie Swenson took place. At Sunday night's party congratulations were offered and a very pleasant social hour spent. The guests left some silverware and a sum of money as tokens of their esteem.

**Mourns Death of Father.**  
City Engineer J. A. Rowat was called to Des Moines, Ia., last Saturday by the death of his father, John Rowat, which occurred Jan. 16, from congestion of the brain. He attained the age of 68 years. The funeral occurred Sunday. The mother was staying at Willmar with her son and daughter-in-law after the operation which the latter has undergone some time ago, and had barely arrived home when her husband was taken with his fatal illness.

**North Side Victorious.**  
The North Side Arrows won the first game of the season Saturday morning when they defeated the South End in a fast game of basket ball. When the final whistle blew the score stood 23 to 3. Govig led his team by shooting six field baskets.

—The Green Lake Breeze lists the improvements at Spicer and around Green Lake during the past year. The total amounts to \$51,780.

—Ester Volk, seven year old daughter of Mr. and Mrs. R. A. Volk, was operated upon at the Willmar hospital Sunday for appendicitis.

The annual address of the officers and routine business occupied the balance of the time of the morning session. President Andrew French especially commended the legislative committee appointed last year at Northfield for its efficient work, and declared they secured everything that they asked for. The Committee was Col. R. A. Wilkinson, W. F. Schilling, and F. D. Currier. He said Minnesota had the best oleomargarine law in the land. But while laws have their importance they should not be depended upon too far. The success of the dairy industry depends more upon the making good of the dairyman than upon the laws enacted. It is usually the inefficient or mismanaged dairy which makes the greatest demand for protection. The well conducted and truly co-operative creamery need fear no competition.

**Lecture on Palestine.**  
Rev. Karl von Lehnburg, of Stockholm, Sweden, a former missionary to Palestine, gave a talk at the Swedish Methodist church last Monday evening, which was of absorbing interest. He appeared in the costume of the natives of the Holy Land and gave his hearers a picture of the life of the East such as it is among the people away from the cities and by-ways frequented by the ordinary tourists, who are usually grossly deceived by the local guides who always are prepared to show them anything they wish to see if the necessary "back-sheesh" is forthcoming. The inhabitants of Palestine in the country districts are not Arab, although they use the Arabic language, but direct descendants of the old Kananites who still worship Baal although they profess to be Mohammedans.  
We hope Von Lehnburg will make a return date to Willmar.

**MINNESOTA DAIRYMAN'S CONVENTION**  
WILLMAR, JANUARY 20, 21, 22, 23

## DAIRYMEN HAVING ROUSING CONVENTION

### Good, Live, Snappy Sessions Held Every Morning and Afternoon.

### BIG BANQUET ON TONIGHT

President Vincent Spoke to Crowded Hall on "Team Play"—Nothing Functory About the Dairyman—A Live Bunch Who Discuss Questions With Snap and Vigor.

The Thirty-Sixth Annual Convention of the State Dairyman's Association opened yesterday, Pres. Andrew French presiding. Invocation was pronounced by the Rev. L. W. Gade. Mayor E. C. Wellin did the delegates welcome. He belived the convention would mark a new era in the dairy industry of Kandiyohi County. He outlined what the city is attempting to do to entertain the Convention. Willmar is an old established "dry" town and this makes dairy products, especially butter, in demand, the mayor said.

Col. R. A. Wilkinson of Lake Elmo made the response on behalf of the Association and after a graceful acknowledgement to the address of the mayor briefly reviewed the progress of the association during the many years of its existence. The Dairyman's Association may rightfully claim credit for much of the advancement and progress made in the dairy interests of the state. Success depends upon proper attention to all the details—the cow, the basis of the industry, the best feed for the cow; the silo; the growing of clover and alfalfa; the proper making and marketing of the product—all are important details which will be discussed at the convention. The progress made has brought Minnesota to the top in butter industry. Hard work and constant progress alone can keep it at the front.

To maintain and improve the quality of the product must be the slogan. The magnitude of the dairy industry in the state should instill a patriotic ardor among our farmers to keep it in the first rank. The quality and reputation of Minnesota butter must be kept at the highest possible notch.

The annual address of the officers and routine business occupied the balance of the time of the morning session. President Andrew French especially commended the legislative committee appointed last year at Northfield for its efficient work, and declared they secured everything that they asked for. The Committee was Col. R. A. Wilkinson, W. F. Schilling, and F. D. Currier. He said Minnesota had the best oleomargarine law in the land. But while laws have their importance they should not be depended upon too far. The success of the dairy industry depends more upon the making good of the dairyman than upon the laws enacted. It is usually the inefficient or mismanaged dairy which makes the greatest demand for protection. The well conducted and truly co-operative creamery need fear no competition.

**Tuesday Afternoon.**  
In spite of the wintry weather the hall was filled with dairymen and farmers.

**MINNESOTA DAIRYMAN'S ASSOCIATION**

A lively discussion of the dual-purpose cow. W. F. Schilling was unable to be here and his paper on the subject was read by Editor Herman Roe of Northfield. Mr. D. E. Willard, of the Great Northern Railway, entered the discussion, which followed, as the champion of the dual purpose cow, and Col. R. A. Wilkinson led the dairymen's side of the debate. Time and space will not permit us to review the other good features of today's program.

**KIMBALL FARMER KILLED BY TRAIN**  
John Lawler Killed Instantly by Soo Flyer While Watching Freight.

Watkins, January 17.—John Lawler, aged 51 years, living on a farm four miles east of this village, was instantly killed, together with his team of horses, yesterday afternoon by the Soo line flyer as it passed through the village.

Lawler left his home after having his dinner with a load of grain and upon his arrival in the village drove to the elevator to sell the load. To reach the elevator he had to cross the railroad tracks, and while on the middle of the main line the rapidly traveling flyer struck him. His attention was set on a freight train on the side track and for that reason Lawler did not see the flyer. After the accident Lawler, his team and the entire load were scattered for 100 feet along the track. Lawler's body was found about 50 feet distant from the place where the accident occurred and the bodies of the horses in mangled conditions were scattered along the tracks. The wagon was totally demolished.

Lawler is survived by his wife and three children, one of his daughters being Mrs. George Stanley of Sauk Rapids.—St. Cloud Journal Press.

Mr. Lawler is mourned by relatives in Kandiyohi county of which Mr. and Mrs. Pat Lawler, Mrs. Dan Downs and Mine Lawler of Kandiyohi attended the funeral at Kimball Sunday.

**Entertains Bethel Chorus.**  
Last Monday evening the members of the Bethel chorus were entertained at the church parlors by their director and pastor, Rev. W. E. Pearson, at a five-course banquet. The appointments were exceptionally fine. The room was handsomely decorated and the tables were effectively arranged with fern leaves, basket favors, hand-painted place cards and menu cards at each plate. The following was the menu:

Consomme de Volaille  
Olives Celery  
Roast Veal Pommes de Terre  
Pols  
Ambrosia a la Americaine  
Coup Sicillienne  
Gateau  
Cafe Noir Crackers Fromage  
Sucre  
A contest in musical terms was an interesting feature. There was some speech-making and singing. The chorus members voted their pastor to be a royal entertainer.

—Mr. and Mrs. Alton Crosby and daughter, Olive left Thursday for Minneapolis, returning Friday.

—Geo. Brill of Cramer's barber shop has prepared to open a two-chair shop of his own in the Bonde block.

Reports have been in circulation that two large real estate deals have been consummated in this county during the last few days. John B. Boesch, of Holland, has sold his home and all his land holdings near Prinsburg except 160 acres on which his son resides, for the sum of \$64,000. This sum represents, we are told, some land at a price of \$125 per acre and a portion at \$115 per acre. These prices take the top notch for sale of farm lands in this county. While this land lies near the church village of Prinsburg it is seven miles from a railway station. We understand that the land was taken by local people of the township.

## BIG LAND DEALS ARE CONSUMATED

### Prinsburg Land Sold at \$125 Per Acre, Seven Miles South of Raymond.

Mr. Bosch has closed a deal for the Hon. G. A. Glader farm in town of Lake Elizabeth, for which he pays the sum of \$40,000 in cash. The Bosch family will make their future home there. This is one of the choicest farms in the eastern part of the country.

**GIRLS WIN, BOYS LOSE**  
High School Basketball at Howard Lake Results in One Sided Victories.

The high school boys' and girls' teams journeyed to Howard Lake last Friday afternoon and played the teams of that place in the evening. The girls celebrated the trip with a nice little victory, the score being 24-10. As this is their first victory of the season, the girls were very much pleased with themselves and their work. They were forced to play one half under boys rules, as that is the style of play that the Howard Lake girls had been used to. During this period the girls scored but four points, but when they got back to the old style, they showed themselves to be some great little basket tossers. All the local girls put up a good game, and deserve lots of credit for winning from Howard Lake on their own floor. The boys were not as successful as the girls, in their quest for new worlds to conquer. The final score of this game was 42-21, with the locals on the short end. Between thirty and forty fouls were called on the Willmar bunch, and of these sixteen were shot. The score at the end of the first half was 15-13 in favor of Howard Lake, and it was in the last half that the deadly foul shooting got in its work.

Rev. Crawford Grays, formerly of this city, refereed the game, and with all due respect to the Reverend, he was anything but a success. The opinion of those from here who watched the game is, that the girls' game was the rougher of the two. Nothing could be done however, as the home crowd was behind all the decisions of their official, Holt, Erickson and Norling. The scoring for Willmar: Hoglund played center, and Alm relieved Yarrow at forward in the last half.

—Mrs. Ellis wishes to express her thanks to the business men and all friends in Willmar who have so freely contributed toward the work of the Children's Home Society of our state.

—Another painting in oil by D. Fery adorns the waiting room at the depot. It is about 6x4 feet in size and bears the title, "Two Medicine Lake."

—Miss Augusta Johnson of New London, Arthur Thompson and Wm. Thunsted of Atwater, teachers, spent Sunday at their respective homes here.

—Mrs. C. Isaacson of Raymond, Esther Volk, city, and Mrs. Gust Swenson, Willmar, Rt. 2, underwent operations at Willmar hospital last week.

—Mr. and Mrs. H. R. Johnson of Benson came this afternoon to visit relatives here and to be present at the banquet in the evening.

—Enock Swenson of Edenwood Farm, Green Lake, is attending the Dairyman's convention in this city.

—Peter Thompson of Lake Andrew was a Willmar visitor yesterday.
