## Before Buying Plumbing

the question of cost should be carefully considered. Our point is that good plumbing is not expensive. It is "cheap" plumbing that is expensive, on account of the repairs and changes needed at frequent intervals.

It is not necessary to go beyond your means to purchase good plumbing. We can quote you prices on plumbing equipment that will just meet your needs at a price well within reach of your pocket-book.

Ask us for estimates on installing "Standard" sanitary fixtures in your home. This ware gives an assurance of quality, long life and dependability not found in any other equipment.

### BASKET BALL PICKING UP

Local Teams Finally Get Into Action With Fast Teams. Big Games Tonight and Tomorrow.

This week Wednesday and Thursday evenings two of the best basket ball games of the season will be played in this city when the St. Joe Juniors of Minneapolis will play the High School and Seminary teams.

Tonight at the high school gym at 8:30 o'clock, the first game of the series will be played. As the visitors will not arrive until 9:10, a good fast preliminary has been arranged. This game will begin at 8:15 o'clock. It is probable that the high school and Seminary second teams will tangle in this battle, and the result should be an interesting struggle.

Very little is known here this year of the strength of the St. Joe team, as practically nothing has appeared in the city papers concerning them. However, one thing is assured and that is that they are just as fast as was the case last year. Among last year's members who played here, are Art O'Shea, the fighting center, who is a tower of strength both on the offense and defense; Elmer Thors, the steady and reliable guard, will be right back on the job again this season. Arnoldy will beat one forward position while two men will take the places of Heller and Thole.

The high school team of this year can't be mentioned in the same breath with the one of last, but they will put up the best game they know. If by any accident all members of the squad would be up it would help a whole lot. The captain is not setting his men a very good example this year to our way of thinking.

.....

The Seminary this year has a team that has great possibilities and with Harstad in the game at center, O'Shea will have both hands and a foot full to hold his own. The north side quint feel pretty good after their victory over the Soldier boys of Olivia and are determined to fight like tigers in an effort to bring home the bacon Thursday.

.....

Monday the team will journey to Olivia for the return game with Co. H. and a hot time is looked for. That awful walloping of a week ago still rankles in the breasts of the victims, and, on their own floor, which is large, with a high ceiling, a tough game is expected.

.....

One of the features of the game was the work of the smallest man on the floor against the biggest. Harold Ser-

erinson played his big opponent to a stand still, and got one basket off him.

The St. Cloud bunch proved to be a fine bunch of clean players, who played a hard game but were not rough. Following the game, a reception was given the visiting team at the high school.

The line-up:

W. H. S.	St. Cloud
Severinson	Longwell
Alm	Broman
Hoglund	Williams
Osmundson	Bengtson
Norling	Burns

Subs: Carlson for Osmundson. Baskets: Borman, 4; Longwell, 2; Williams, Norling, 2; Severinson; Osmundson. Fouls: Hoglund; Borman. Referee: Hengstler. Umpire: McNelly.

In the preliminary game between the short course team and second high school team, the latter was not by a score of 17-11. Imperlich, Sather, Danielson and Johnston did the scoring for the winners while Paulson and Broman were the point winners for the losers. The first half ended 14 to 2; but in the second period, the farmers made things interesting and led by a score of 9 to 3. The game was a wild one, as the short course bunch are new at the game.

The second high school team is making quite a record and some of these days will be demanding a schedule of their own. The score:

W. H. S.	Aggies
Sather	Paulson
Imperlich	Broman
Danielson	Adamson
DeLaHunt	Anderson
Johnston	lg
	Haraldson

Subs: Frye for DeLaHunt. Baskets: Sather, 2; Imperlich, 4; Johnston, 2; Danielson, Broman, 3; Paulson, 2; Fouls, Paulson; referee, Hengstler; umpire, McNelly.
