IT HAPPENED IN WILLMAR

And is Happening to Willmar People Every Week.
The case told below is not an uncommon thing. The same occurs frequently and will continue to happen as long as folks have kidneys and overtax the kidneys.
Mrs. Peter Olson, 128 Benson Ave. E., Willmar, Minn., says: "One in our home had such a bad back that he just would give out at times. The weakness and pain across his back made it hard for him to do anything and if he took cold, the trouble was always worse. Kidney weakness also caused him lots of annoyance. Falling to find help, he was certainly glad when he began using Doan's Kidney Pills to find they were the remedy he needed and it wasn't long before his back was strong and his kidneys normal."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Olson recommends. Foster-Milburn Co., Props., Buffalo, N. Y. (Paid advertisement.)

HOW TO GET STRENGTH

After any sickness is purely a matter of nourishment, whether the attack was an ordinary cold or severe illness; the weakened forces cannot repulse disease germs, and this is why a relapse is so often fatal or why chronic weakness so often follows sickness.
Restoring strength to millions of people for forty years has proven the real need for taking Scott's Emulsion after any sickness; nothing equals it—nothing compares with it. Its pure, medicinal nourishment, free from alcohol or opiates, promptly creates rich blood, strengthens the nerves and lungs to avert tuberculosis.
