

PETERSON & WELLIN

THE STORE OF QUALITY

—As We Have Said

You'll not find the Live Store shouting at you in noisy headlines about the "job lots," "bankrupt stocks" or other devices of those who, although always "hard up for cash," are nevertheless inspired by a philanthropic desire to give the public "\$25 worth" of clothing for \$9.99.

Knowing something of the pedigree of such nameless, fameless clothing, we congratulate the men of this community upon their sagacity in keeping at a respectful distance from it.

Meanwhile we pursue the even tenor of our way, knowing that to give dollar for dollar in value is a sufficient rarity to bind to this store with hoops of steel, discerning clothing buyers.

HEALTH PAST FIFTY

Careful diet is of utmost importance to men and women past fifty years of age; it keeps up their strength, and the oil-ford in Scott's Emulsion is a nourishing food, a curative medicine and a sustaining tonic to regulate the functions.
It contains the medicinal fats of pure cod liver oil and science proves that they furnish twice as much energy as other foods—then too, it creates pure blood, sharpens the appetite, relieves rheumatism, strengthens the body and alleviates the ailments due to declining years.
Scott's is free from wines, alcohol or harmful drugs. Beware of substitutes.
