

HORSE RACE SCHEDULE IS ANNOUNCED

Track Nearing Completion—Good Stock Exhibit Promised—Other Fair Notes.

Four or five farm clubs have already given notice that they will have exhibits at the fair. Among these are those of New London, Sunburg, Svea and Sunnside. The space allotted to each will be 10x12 feet. Mr. Wentzel, agricultural instructor and one of the Board of Managers, will be glad to attend the meeting of any Farmers' Club in the county to explain the matter of an exhibit any evening when he has no other engagement.

The State Farm will have a booth at the fair this year. Besides the agricultural display there will be a showing of domestic art from the Women's department. A herd of dairy cattle will also be shown but will not compete for the prizes.

The stock show this year promises to be a good one. Mr. Stone of Benson, who will show sixteen head at the State Fair, expects to have his car stop here on the way back and show here. This herd is said to be one of the finest in the country.

The new race track will be in pretty good condition if the weather proves favorable. There will be horse races on Sept. 17, 18 and 19 at two o'clock each day as follows:

THURSDAY.
Pole Race—One-half mile dash, 2 best in three, trot or pace, both horses of each team to be owned by same party; purse, \$50.
Running Race—One-half mile dash, best two in three, purse \$25.00.

FRIDAY.
Three Minute Class—Trot or pace, one mile, two best in three; Kandiyohi county horses only eligible; purse, \$125.
Running Race—One-half mile dash; best two in three, purse, \$25.

SATURDAY.
Coit Race—One-half mile dash; best two in three; trot or pace; Kandiyohi county horses only eligible, purse, \$100.
2:25 Class—Trot or pace; one mile; best two in three; purse, \$125.
American Trotting Rules are to govern. It will require three entries to fill any race and two to start. Entry blanks with other information may be had from W. O. Johnson, Sec'y., Willmar, Minn.

There will also be motor cycle races each day after the horse races. On the first day, Children's Day, there will be a boy's bicycle race. The main eating pavilion this year will be run for the benefit of the Bethesda Orphanage and Old People's Homes.

There is more popular interest in the fair this year than ever before and a record-breaking attendance is looked for.

The 48-page premium lists have been mailed to all parts of the county and part of Swift and Chippewa counties. Anyone failing to receive a copy may secure one at the nearest newspaper office in the county. Look the same over carefully and plan to try for some of the prizes.

WILL DISCUSS WAR QUESTIONS.

Rev. L. W. Gade, D. D., will speak on the European Situation Sunday Morning.

Next Sabbath morning at 10:30 o'clock at the First Presbyterian church in this city, the pastor, Rev. Lou Wallace Gade, D. D., will speak on the "European Situation". Questions which are current relative to the effect of the war on our country, our faith in God, our Christianity in this hour of peril, etc., will be answered by the speaker.

All are most cordially invited to attend.

OBITUARY

Mrs. T. J. LAWSON.

Death, the grim messenger, most unexpectedly called at the T. J. Lawson home at New London last Saturday, before noon, and took away the wife and mother, Mrs. Mary C. Lawson. She had suffered a light stroke of apoplexy in the early part of July, but was apparently recovering from the effects of same. Less than two weeks ago she visited at Willmar, Saturday morning she did not feel well, and shortly before noon, while she was apparently resting easy, her spirit passed away.

Mrs. Mary Christine Lawson was born at New London Jan. 2, 1872. She was the elder daughter of the late Mr. and Mrs. Louis Larson, founder and pioneer of New London. She attended the public schools and the Willmar Seminary. At the age of 18 she was married to Mr. Thomas J. Lawson who survives her with five children—the Misses Evangeline, Mildred and Esperance, and Vernon and Louis Lawson. She is also mourned by a sister, Mrs. Carrie Wanous, and a large number of other relatives. The bereaved ones have the heartfelt sympathy of a large circle of friends in the irreparable loss of a good wife and mother.

The funeral occurs this afternoon, at one-thirty from the late residence and at two at the Lebanon Lutheran church at New London, Rev. Christian Swenson officiating.

"There is no death! what seems so is transition; This life of mortal breath Is but a suburb of the life Elysian, whose portals we call death."

MRS. M. F. FAUCHALD.

It is our sad duty this week to chronicle the death of Mrs. Jorgine Fauchald, the beloved wife of our well-known citizen, Mr. Martin N. Fauchald, which occurred last Friday at Onnabrook, N. D., Aug. 28, being caused by a stroke of apoplexy. In 1910 she suffered a light stroke and has not been in good health since that time.

Mrs. Jorgine (Kvaxrud) Fauchald was born at Kvaxrud, Vestre Toren, Norway, Jan. 14, 1839. She grew to womanhood in her home and was married to Mr. Fauchald in 1870. They immigrated to this country in August, 1891, and resided on a farm in Kandiyohi township, which they managed until in 1906 since which time they have lived with their son, Mr. Nels Fauchald. Three children survive their mother—Mr. Oscar Fauchald and Mrs. Edw. Bredeson of Kandiyohi, and Mr. Nels Fauchald of Onnabrook, N. D. There are ten grand children. The deceased is also mourned by 5 sisters, one who lives in Norway; Mrs. Nathalie Thorud and Mrs. Agnes Arvidson of Eagle Bend; Mrs. Clara Wilson of Virginia, Minn.; and Mrs. Peter Olson of Rhineland, Wis. The four last named were all present at the funeral at Mrs. Arvidson was accompanied by her children, Mrs. Carrie Fauchald, of Minneapolis, a niece, was also present.

The remains arrived to Willmar Sunday morning and were taken to the home of the son-in-law and daughter, Mr. and Mrs. Edw. Bredeson. The funeral took place yesterday from there at 1:30 and Synod church at three o'clock, Rev. J. N. Anderson of the Synod Lutheran church officiating. The pall bearers were Fred Bredeson, Olaus Anderson, Theodore Thorsen, Martin Matson, J. G. Monson and J. M. Monson. The interment took place at the Synod cemetery amid flowers and tears of sympathizing friends.

The bereaved ones have the sympathy of a large circle of friends, and especially is this true of the surviving husband who feels the loss of his life companion most keenly. "She was always a good wife to me" was the deeply felt tribute he gave to us.

At a recent meeting of the Board of Education it was decided to fit up room in third story of Central building in order to relieve the crowded condition of the schools. Heat will be provided and fire escapes erected.

Also it was decided to call a meeting of the citizens Friday evening, Sept. 25 for the purpose of discussing the feasibility of having continuous school, 48 weeks in the year pupils to take vacation at different times of the year. Should this be practical it would enable the district to get along without a new building for some time.

Of the last year's Willmar high school graduates the following have taken up work as follows: Margaret Allen, attending normal here; Hazel Benson, attend normal at Mankato; Minnie Gustafson, teaching; Marion Gratz, attend Mt. PETER EKLUHD HURT

Wellknown New London Resident Run Over by Motorcycle Sunday.

Quite a bad accident occurred at New London last Sunday morning when Peter Eklund, a wellknown morning resident of that village, was run into by an automobile. Two young men on one of those machines were coming at a good speed round the pond south of the creamery where they met a team. Mr. Eklund, who was on his way to church, was coming walking back of and to the side of the rig. In attempting to pass no doubt the driver of the auto and Mr. Eklund misjudged each other's intention as to which side the other would take and in the twinkling of an eye they collided. It was not to be expected that Mr. Eklund could dodge for he is getting well along in years and is no longer young and spry. He was thrown to the ground with an awful blow and his clothes nearly torn from his body. He was picked up and taken home and the doctor called. On examination it was found that a collar bone was broken and other injuries received.

The young men on the automobile, who were strangers were thrown to the ground, but they picked themselves up again, and without giving their names or places of residence departed. No one took their number and it is quite probable that their identity will remain unknown. They were on their way north and are believed to be the same who had inquired at Spicer that morning for the road to Paynesville.

A HUNDRED INDIANS.
Yankton Indians Here Enroute for Church Meeting at Brown's Valley.

A large number of Indians from the Yankton Reservation passed thru Willmar yesterday enroute for Browns Valley where they go to partake in a large Congregational church conference of their people. One of their special cars was standing on the siding here in waiting during the forenoon and a number of the tribe made up-town reconnoitering strolls. More of them arrived on the 1:30 train from Sioux Falls. There were about a hundred of the dusky Americans of all ages.

A large number of Indians arrived this morning and have spent the forenoon in waiting here for train connection. They are Sioux from the Santee Reservation in Nebraska.

The conference which takes place at the Sisseton Reservation near Browns Valley will include representatives from the Presbyterian and Congregational organizations among the various Sioux tribes in the country.

Harvest Festival.
The Ladies' Aid of the First M. E. church will hold a harvest festival on Tuesday evening, Sept. 8, commencing at 5:30 p. m., and through the evening and there will also be aprons on sale. Supper 25c. The menu: Meat balls, mashed potatoes and gravy, baked beans, cabbage salad, apple pie, rice pudding, jelly, pickles, bread, butter, coffee.

—Col. Fred Lynch, national committeeman from Minnesota in the Democratic ranks, was in Willmar enroute from Morris to St. Paul Friday noon. In speaking with a Tribune representative, Col. Lynch said Mr. Hammond will have difficulty to get away from Congress to make a campaign for governor. He holds an important position on the ways and means committee, and with important legislation pending is loath to come to Minnesota to make campaign speeches.

—Ferne Nelson, daughter of Mrs. F. F. Nelson left Monday morning for Chicago, Ill., to join Miss Thille Nord, who has been visiting with relatives at that place. Tuesday they will leave for Long Beach, Calif., where Miss Ferne will finish her education in music and art.

AMUSEMENTS.
The Willmar Base Ball Club will journey to Cokato Sunday where they will play with the local team there and also Waverly. AGENT BALMER ON HOG VACCINATION

Reviews Situation in West Central Counties Up To Date.

By the time this article comes from the press practically 1,500,000 cubic centimeters of hog cholera serum will have been used in the counties of West Central Minnesota which early in the year launched a comprehensive plan of fighting cholera by the only method now known for controlling this scourge, namely, vaccination with serums and in some cases both serum and virus.

This amount of serum used is sufficient to treat 38,000 hogs averaging 100 lbs. in weight, the probable average size of hogs at the present time. It was about this time last year (last of August) when cholera began to appear and spread rapidly in this section and considering that its ravage continued for nearly three months later than that time, there is indication that more than twice as much serum may yet be used as has already been administered and at least twice as many hogs treated.

In other words nearly 5,000,000 cubic centimeters of serum may be needed and as many as 100,000 head of hogs treated by the time that cold weather checks the disease for the year. These one hundred thousand head of hogs very soon if not now will be worth \$1,000,000.

Some one may question, that to vaccinate hogs costs considerable money. That is true, it does. That feature of vaccination is one which we regret. We wish it cost less to vaccinate. But the real question to consider is "What does vaccination cost compared to the value of a hog?" Let us make the answer emphatic. A HOG IS WORTH AT LEAST TEN TIMES AS MUCH AS ITS VACCINATION COSTS, including cost of both serum and veterinary service. What better argument is there in favor of vaccination providing it is done properly and with reliable materials?

The reader may question relative to losses following vaccination. There is a possibility of some losses. A doctor does not save all his patients. Nevertheless, the greatest cause of losses is the failure of the hog owner to report cholera to the County Agent or veterinarian, as soon as it appears in his herd, or as soon as it threatens his herd by being present in neighboring farms.

The County Agents employed by the State Agricultural Extension Division have charge of the general plan of control throughout the various counties. These men have the co-operation and assistance of the State Live Stock Sanitary Board, the Veterinary Dept. of the Agricultural College, which operated the State Serum plant, the West Central Minnesota Development Association which is buying and helping to maintain large quantities of commercial serum in each county for immediate use, the veterinarians throughout the counties and the various organizations within the county, such as the County Farm Bureaus, Farmers' Clubs, etc. These numerous sources of assistance put the county agent in the best position to aid both individuals and communities in the work of control.

During the past two or three weeks the cholera has been spreading in some counties with a vengeance. In one county its spread was so rapid as to make it necessary to vaccinate 1200 hogs during one week. As this is being written one herd of over 400 hogs is being vaccinated in Grant County.

It is our hope to keep cholera from spreading as much as possible and not to do vaccinating in communities that are not threatened with cholera as that is a needless expenditure, but where it is present or threatening we want the full co-operation of both individuals and communities, that losses may be few.

Help us save the million dollar crop of hogs.

FRANK E. BALMER,
Supervisor County Agents,
Morris, Minnesota.

WIN AGAIN FROM HUTCHINSON.

Local Ball Team Break Their Losing Streak and Wallow Hutchinson Last Sunday Afternoon.

After losing four or five straight games the last month the Willmar base ball team pulled themselves together long enough last Sunday afternoon to win from Hutchinson at that place. The score was 7 to 3. The game was close for its first three innings, the home team being in the lead until the fourth. Hutch scored a run in the first inning without the aid of a hit, and Willmar was held scoreless until the fourth, when they fell upon Westholm, and hammered in six runs, putting the game on ice for keeps. Just for good measure they added another in the sixth inning.

Outside of the first and seventh innings, the Hutch bunch could do very little with Buck and he sailed along in nice shape.

Claude Rossman, former Minneapolis first baseman and outfielder, played first base for Willmar, and it was his three base hit in the fourth that sent Dean home with the tying run.

The first inning opened auspiciously for Willmar. Benny led off with a life on Jensen's error, and after Lamb tied to short center, Ben stole second. Dean followed with a long drive to right field that looked good for a couple of sacks. Lefty Henry made a great one handed catch and threw to second doubling Benny. The side was retired in order in the second, and in the fourth one man got on but died on second. The game was won in the fourth inning. Lamb led off and was hit by a pitched ball. Dean forced him at second and stole. Rossman then belted one to right center for three bases, scoring Dean with the tying run. Following this every one took a walkup at the ball and on singles by Kieley and Buck, and doubles by Holmberg and Nordstrom, six runs were scored. Another was added in the sixth on an error and Lamb's single. Hutch scored in the first on two errors and two passes and in the seventh on two hits, a walk and wild pitch. The score—

FOUNDATION BEING LAID
Foundry of "The Little Oak Tractor" Plant Has Already Begun Operations.

Work has begun this week on the new addition which the Willmar Tractor Mfg. Company is to make to its factory on East Benson Ave. The new building will be made of cement, one story high with the dimensions of 73x56 feet. With the old buildings which are 50x155 feet, the factory will have an ample floor space.

The east shed will be used for paint shop and store room while the new building will be used for assembling room. They will all be connected so that the whole factory will be practically under one roof.

The foundry is now in operation and a few fine castings for the "Little Oak Tractor" have already been made.
