An Inform. School Meeting.
An informal discussion of means to relieve the crowded condition of the city schools took place at the High School room last Friday evening with an attendance of about seventy citizens, a dozen of whom were women. Prof. Foster suggested several alternatives—continual crowding of pupils into present rooms, building new building, providing portable school houses, having children attend half days, and the 12 months scheme, by which pupils would take their vacations of three months at different times of the year, permitting the buildings to be used all the time. This last plan was discussed by several present, most of whom were opposed to the idea or thought it impracticable. The plan would divide the school year into four periods of twelve weeks each. It would require more teachers but no additional school room for years to come. No plan was suggested for the approval of the meeting, and no action was taken. The discussion, informal as it was, probably was of some benefit to those who attended. Willmar will get the facilities they need for the increasing number of pupils when the parents wake up and come out to the school meetings.

Housekeepers' Club:
The first regular meeting of the season of the Housekeepers' Club takes place at the Odd Fellow's hall on Saturday, Oct. 3, at three o'clock p. m. The program will include a piano solo by Alvin Nordstrom, a reading by Miss Katherine Malan and piano solo by Lloyd Miller. The refreshment committee consists of Mesdames C. W. Odell, F. H. McNeas, Emma Miller, I. Nordstrom, Ole Nickelson, N. M. Mossberg, Thomas Olson and Elmer Peterson. It is very important that all members be present, as the question of the continued affiliation with the State Federation of Women's Clubs will be taken up.

Hudson-Smithson.
Bur R. Hudson and Miss Jean Faye Smithson from Hawick, Minn., were married last Saturday afternoon at the M. E. church parsonage, Rev. Parmer performing the ceremony. The witnesses were Miss Mayme C. Rasmussen and John H. Adams. Mr. and Mrs. Hudson left that afternoon for Spicer to spend a few days, before going to live on a farm near New London.

REPUBLICAN MEETING AT WILLMAR NEXT TUESDAY
Candidates for Governor and Lieutenant Governor will be here.

A political meeting is scheduled at the Willmar Opera House next Tuesday evening, Oct. 6, at eight o'clock p. m., when Hon. William E. Lee of Long Prairie, Republican candidate

Hon. Wm. E. Lee.

Hon. J. A. A. Burnquist.

for governor, and J. A. A. Burnquist, lieutenant governor, will discuss the political issues of the campaign.

A BIG STOCK SALE

More Than Two Hundred Head of Stock to be Sold at Auction Tuesday in Mamre.

One of the very largest stock sales ever pulled off in the county takes place next Tuesday on the Mamre road, five miles north of Pennek, when more than two hundred head of young stock will be disposed of by Mr. Peter Rodman and two sons Dave and Samuel Rodman. The larger share of these animals come from the Cass county farm owned by the Rodmans. All the animals offered are in good condition. Messrs. Dave and Sam Rodman are preparing to permanently locate on the Cass county farm, and the disposal of the stock and property offered at this sale is one of the preliminary arrangements. See the ad on the last page. Owing to the large number of animals to be sold, the sale has been called to begin at nine o'clock, promptly and all prospective buyers are urged to come out on time.

Rev. Edgren's Farewell.
Rev. L. G. Edgren preached his farewell sermon last Sunday. At the mother church at Oak Park Sunday forenoon a large crowd was present, including several auto-loads of people from Belgrade. Similar services took place at Kandiyohti in the afternoon and at Willmar in the evening. A farewell reception was arranged by the parishioners Monday afternoon following the auction, when a purse of money was given the Rev. Mr. Edgren as a parting token of esteem. He also received before departing a letter containing a sum of money from Willmar friends. The family left on Saturday by auto for the new parish at Norway, Mich., whither the good wishes of many friends followed them. Rev. Edgren was well liked by everybody and had a host of friends outside of his parish circles.

Married in Dakota.
Announcements were received here Saturday of the marriage of Hilda Rasmussen, daughter of Mr. and Mrs. O. S. Rasmussen of Svea to Peter Sandness of La Moure, N. D., on Sept. 24, the ceremony taking place at Moorhead. They arrived here Saturday evening for a visit at the bride's parental home and will leave the last of this week for La Moure, where they will be at home to their friends after Nov. 1. The groom is a promising young man of La Moure County, N. D., and the bride is well and favorably known here. She graduated from the Willmar Seminary and taught school in the county for a number of years.

A Trip to Ringo Lake.
The editor and party made a trip to the Ringo Lake country Sunday afternoon, and made a call at the Aaron Carlson home, where we were pleasantly entertained. The Carlsons have just completed a fine modern residence, which takes the place of the old house erected by Gust Peterson on the place many years ago. A big new barn on the John D. Monson farm is a new landmark erected this year in these hills. The heavy rains during the past season have played mischief with the roads, cutting them out badly in the side hills.

A Visitor from Norway.
Are Kiland, late of Brooklyn, N. Y., and A. M. Johanson, a recent arrival from Fredrickshald, Norway, visited with Mr. Kiland's relatives in this community last week. Mr. Johanson says that there is not so much war excitement in Scandinavia as one is led to believe. If only Mr. Nansen and Mr. Hedlin could be suppressed there would be still less war talk. The majority of the folks in his home community fear the designs of the Germans more than the Russians, said Mr. Johanson.

Alleged Forger Arrested.
One R. E. Adams alias R. E. Adley was arrested here last Sunday by Sheriff Bonde, being wanted in Renville county on charge of forgery. Parties from Renville county who happened in Willmar Sunday, seeing Adams here, notified the sheriff that they believed him to be the man wanted at home on a forgery charge. After getting a description of the man looked for from Olivia, Sheriff Bonde took the suspected man in care until Sheriff Sunde of Olivia arrived in the evening and took him in charge.

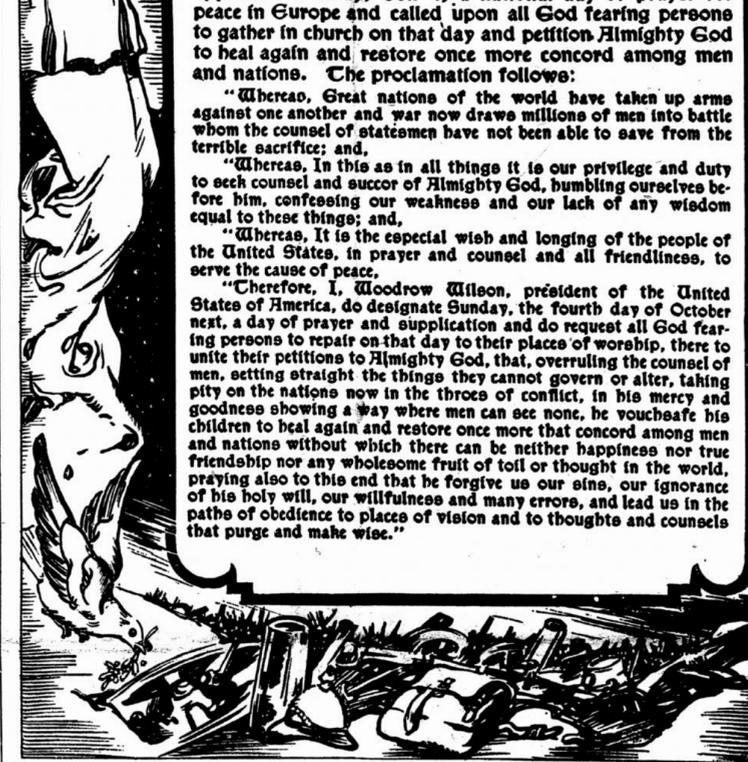

Valuations of Real Estate Stand.
A letter was received recently from the Minnesota Tax Commission stating that there will be no changes or adjustments made in the assessment of real estate in the county. They considered the assessment as left by the County Board of Equalization proper and just. This is the first time in the history of the county that no change has been made by the state authorities in the assessment of real estate. No word has yet been received as to personal property.

Nels N. Feleen brought in some monster potatoes to the Tribune, which he raised on his truck farm within the city. The six specimens average over 1 1/2 pounds each in wt. and measure eight inches in circumference.

Mr. and Mrs. Ole Nickelson spent Thursday and Friday in the Twin Cities, the occasion being the twentieth wedding anniversary of Mr. and Mrs. W. R. Miller. The gathering took place at the home of Mr. and Mrs. W. P. Whitten at White Bear.

NATIONAL PRAYER DAY FOR PEACE

SUNDAY, OCTOBER 4, 1914.

President Woodrow Wilson, by proclamation, has appointed Sunday, Oct. 4, a national day of prayer for peace in Europe and called upon all God fearing persons to gather in church on that day and petition Almighty God to heal again and restore once more concord among men and nations. The proclamation follows:

"Whereas, Great nations of the world have taken up arms against one another and war now draws millions of men into battle whom the counsel of statesmen have not been able to save from the terrible sacrifice; and

"Whereas, In this as in all things it is our privilege and duty to seek counsel and succor of Almighty God, humbling ourselves before him, confessing our weakness and our lack of any wisdom equal to these things; and

"Whereas, It is the especial wish and longing of the people of the United States, in prayer and counsel and all friendliness, to serve the cause of peace,

"Therefore, I, Woodrow Wilson, president of the United States of America, do designate Sunday, the fourth day of October next, a day of prayer and supplication and do request all God fearing persons to repair on that day to their places of worship, there to unite their petitions to Almighty God, that, overruling the counsel of men, setting straight the things they cannot govern or alter, taking pity on the nations now in the throes of conflict, in his mercy and goodness showing a way where men can see none, he vouchsafe his children to heal again and restore once more that concord among men and nations without which there can be neither happiness nor true friendship nor any wholesome fruit of toil or thought in the world, praying also to this end that he forgive us our sins, our ignorance of his holy will, our willfulness and many errors, and lead us in the paths of obedience to places of vision and to thoughts and counsels that purge and make wise."

Card of Thanks.
We take this opportunity to thank all the ladies who helped to make the serving at the eating pavilion such a grand success during the County Fair. Mrs. H. C. Hansen, the President of the Public Health Association, was the originator of the idea to serve for the benefit of the Bethesda Homes and Mrs. Hansen deserves a great deal of credit for the management of the eating pavilion, which resulted in the splendid sum of \$570.00 for the Orphan's Home. Mrs. Hansen did not wish to be mentioned but nevertheless we feel that she is entitled to public recognition and take this means of thanking her and the other ladies from the W. P. H. A., who so kindly assisted the Norwegian Society in this noble work.

Hogging-Down Corn.
The most profitable way to husk corn where it is to be fed to hogs, is to let the porkers do it themselves. The Agricultural Farm Bulletin has this to say:
"When hogging-down corn: Use pigs weighing from 100 to 150 pounds. Turn them into the corn when it is well denting. Have the hogs on full feed before turning them into the corn. Feed some protein supplement unless rape or rye was seeded with the corn. Use small field—many farmers prefer ten acres or less. Let the brood sows clean up after the fattening hogs. Use 26 woven wire for temporary fences."

AMUSEMENTS.
Florence Lawrence in "The Mad Man's Ward" at Dreamland Theater Friday, Oct. 2.

Sept. 26—Burr Raphael Hudson to Jean Faye Smithson.
Sept. 28—Patrick L. Casey to Florence Mary Daugherty.

The outside walls of the new Kandiyohti County Bank building have been completed, and give a good idea of what a handsome structure it is to be. The stone work is all in place.

At Willmar Hospital.
The following have undergone operations at the Willmar Hospital during the past week and are nicely on their way to recovery: Miss Ida Vig, Starbuck; Mrs. H. L. Anderson, Mrs. C. E. Wentzel; Mrs. Ed. Carlson and Miss Edith Leid of this city and Mrs. H. Greve of Raymond. Mrs. L. W. Lefter of Omaha, Neb., and Mrs. P. A. Anderson of this city are at the hospital for treatment.

New Road Being Worked.
The new road running east from A. H. Sperry's residence to the state road, parallel with the railroad yards at a distance of forty rods, is being worked and will soon be made passable. This will enable any traffic from the north which desires to avoid the crossings to come into the city over the high bridge.

The Ladies' Aid of the Long Lake church will meet with Mrs. John Swenson, at the David Swenson home on Thursday afternoon and evening, Oct. 1. The older people in the afternoon and the younger in the evening. Several people from the city are planning to attend.

OBITUARY

HAROLD W. JOHNSON.
A telegram was received by H. J. Ramsett this morning from Dr. Christian Johnson at Roth, N. D., stating that his son, Harold W. Johnson died this morning, and that the funeral will take place from the family residence at Willmar Saturday afternoon. Dr. C. Johnson was seriously ill with pneumonia. Mr. Fred Johnson came home from the University last night and with his mother went to Kerkhoven to the Dr. Hans Johnson home this morning. The deceased was in charge of a bank at Roth. He was a member of the Bottineau Masonic Chapter and it is likely that the Masonic order will have charge of the funeral.

Harold Johnson grew to manhood at New London and Willmar in this county, and was a worthy young man whose untimely death causes much regret and sorrow among his former associates.

MARY JOHNSON
A very sad death occurred Saturday morning at the Willmar Hospital, when Mary Ottilie Johnson, daughter of Mr. and Mrs. Brede Johnson, passed away following a two weeks' illness with an aggravated case of appendicitis.

Mary was born at Willmar, July 12, 1898, was a bright girl and the comfort of her parents. Her untimely death is a most severe blow to the family, and they have a host of sympathizing friends in their tribulation. Besides the grief-stricken parents she is mourned by three brothers and one sister—Henry, Martin, Olof and Caroline.

The funeral occurred yesterday afternoon. Brief services were held at the residence at 811 Fourth Street East at one o'clock, and the sad cortege then proceeded to the Lutheran Free church, where services were held by Rev. M. B. Michaelson. The deceased had been confirmed here, and the pastor paid her a beautiful tribute. The interment took place at the Lutheran Free church cemetery west of the city. The following were the pall bearers—Fedor Basanob, Walter Erickson, Ole Amundson, Paul Holt, Lars Peterson and John Leptz.

HIGH SCHOOL NOTES.
Monthly examinations were given last week.

Twelve new pupils have entered school this week.

Edna and Abbey Strumert spent Sunday at their home in Pennek.

The enrollment at high school is larger this year than ever before.

A mass meeting was held in the assembly room at four o'clock Friday afternoon.

The total enrollment on Sept. 29 is 1073 as compared with 1028 on Sept. 28 last year.

The Agriculture class went out to the School Farm and picked seed corn last Thursday.

Miss Jenness and Miss Kelly chaperoned the crowd that went to Litchfield Saturday.

Dora, Julia and Thorvald Hanson spent Saturday and Sunday at their home near Pennek.

Mr. Wentzel was called on by a farmer living in Lake Lillian and on Monday assisted in vaccinating about 60 hogs.

Miss Osborn of the Normal Dept. is planning with Mr. Frederickson and Mr. Foster to secure an organization of the teachers of the county to meet at Willmar once a month during the year.

Among those who attended the game at Litchfield Saturday were, Esther Tallman, Esther Larson, Evangeline Nygaard, Amy Severinsen, Edna Johnson, Grace Sperry, Helen Wright, Gladys McHugh, Francis Sather, Joe Chase, Bill Gratz, Daniel Burns, Earl Curran and Harold Bond.

The result of a good fast game with Litchfield last Saturday was 21 to 7 in favor of our boys. The line up for the game was as follows: Left end, Pederson; left tackle, Conway; left guard, McDonald; center, Carlson; right guard, Osmundson; right tackle, Danielson; right end, Styles; quarterback, Erickson; right half, Yarrow; left half, Holt; fullback, Kuntz. Severinsen played in place of Carlson in the second half.

Professor A. V. Storm of the College of Agriculture, St. Paul, who visited our school some time ago wrote Mr. Foster a letter on Sept. 24, containing the following: "I am anxious that Professor W. H. Bender, who has charge of the Methods and Teaching work of the Agricultural College students who expect to teach agriculture in Minnesota shall have an opportunity of seeing some of the best equipped departments of agriculture and am planning for him to visit your school next week."

Mrs. H. J. Ryden of Svea returned home Saturday after a few days' visit at Kokato.

Men's Quartette and Chorus at Presbyterian Church Sabbath Evening.

The services at the First Presbyterian church in this city for next Sabbath evening promises to be very interesting. The service will be held at 7:30 o'clock and special music will be rendered by the chorus choir and a Men's Quartette which has been organized by Mr. Albrecht to augment the singing on Sabbath evenings. In addition to an anthem by the choir the men will sing a number entitled "The Beautiful Country." All are cordially invited.—Adv.

The cables for the ornamental lights on Fourth Street are being laid. The electricians say they did not want to see the work delayed until frost would interfere with the work. With the cables and foundations in, the poles may be erected and connected at any time.
