TRIPOLIS AUTO TOUR
Country Auto Club of Tripolis Enjoy a Day's Run.

The Tripolis Auto Club had an enjoyable tour recently. Thirteen cars loaded with eighty-five people left Tripolis at ten o'clock. Ten minute stops were made at Svea, Olivia, Hector and Buffalo Lake. Dinner was had at Mr. Abrahamson's place at Preston Lake at 2:15 p. m. From there the run was continued to Hutchinson where a fifteen minute stop was made. The Hutchinson Leader had this to say of the visitors:

"One of the best appearing auto parties that ever invaded Hutchinson was that crowd of Swedish farmers from the Tripolis neighborhood, south of Kandiyohi station. They traveled in 14 cars, several of them having large high grade machines. The visitors had every appearance of prosperity and of having the know how of enjoying life. They tarried here only briefly, being out for a day's tour and having a long run ahead of them."

The tour proceeded to Litchfield where the autos arrived at 7:30 and stopped ten minutes. At Grove City the lights were ill. The run home was made thru Atwater. Tripolis was reached shortly after nine o'clock. There were no mishaps on the way and participants arrived home happy but tired. Another trip towards the north is planned for some fine Indian summer day.

SUFFERED TWENTY-ONE YEARS—FINALLY FOUND RELIEF

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. Injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefitted me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours,
MRS. JOSEPH CONSTANCE,
Rapides Par. Echo, La.

Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.
