PENNOCK -- VILLAGE -- DEPARTMENT

Dr. Iver S. Benson, Willmar Hospital, at Pennock—office Lingren Bldg. Tuesday, Thursday and Saturday, 9 to 12 a. m.—Adv.

Mrs. Chas. Spurway of Minneapolis, Minn. is in Pennock on Monday for a visit to Mr. and Mrs. Victor Berglund north of town returned to her home Monday.

Miss Ruth Hagman leaves on Friday for Dassel, Minn., where she will spend Independence Day and will also attend the convention.

Mrs. J. E. Meira, from Shyanne, N. D., is in Pennock on a visit to Mr. and Mrs. A. J. Lindgren, and will remain about a week.

Mrs. A. Franzen of Minneapolis, who has been visiting her brother, Victor Berglund north of town returned to her home Monday.

P. C. and Charley Christianson and sister, Ella of Pennock left on Tuesday for Springfield, Minn., where they will visit friends and relatives.

E. L. Thorpe of the Pennock State bank autored to his cottage on Eagle Lake on Sunday afternoon. Mr. Thorpe made a big catch of silver bass.

J. B. Abrahamson of Forman, N. D., arrived here on Monday on a visit to his parents, Mr. and Mrs. N. N. Abrahamson, where he will spend his vacation.

Miss Alma Lindgren, of Pennock left on Saturday on a visit to LaBolt, S. Dak. Miss Lindgren expects to be away for about five weeks and will renew a number of former friendships while on her tour.

August Anderson and Verner E. Berglund motored out to Fred Anderson's home on the west shore of Long Lake on Sunday. Mr. Anderson is well pleased with his new car and made record time both going and returning.

The Misses Esther and Hulda Olson of Escanaba, Mich., arrived in Pennock on Saturday night on a visit to their uncle and aunt, Mr. and Mrs. Hanson, east of town. Miss Esther Olson will probably make her future home in Pennock.

Autolists Visit Pennock. Mr. and Mrs. J. Walstead of Forman, N. Dak., are visiting Mrs. Walstead's parents, Mr. and Mrs. N. N. Abrahamson, who reside north of Pennock. The visitors are on an extensive automobile tour and motored thru their North Dakota home.

Cars Make Good Time. A. Benson, Jake Floren and P. E. Anderson motored to Spicer on Green Lake last Sunday afternoon. The party occupied three automobiles and reported roads in fair condition in spite of the continued rains. First time was made on the return trip.

Pennock Man Visiting. John Foshager, who left for Glenwood last Wednesday to attend the Sognalaget is expected to return this week. Mr. Foshager, who is one of the leading business men of this village, came here about six years ago, and since that time has made his home here and has built up a large and prosperous hardware business.

Start Work on Church.

E. A. Hoglund, who has secured the contract for supplying the gravel for the new Swedish Lutheran church started hauling on Tuesday. Mr. Hoglund will have several teams at work on the job and if the weather permits continuous work he expects to finish his part of the contract some time next week.

Big Church Picnic.

A special picnic has been arranged by the members of the Mamrelund church to be held on July 5th, commencing in the forenoon at 11. The picnic will continue during the greater part of the day, and will include, speeches by the Rev. C. Swenson and a number of other prominent men. All are welcome and invited to attend.

Pennock Party Picnic.

A large party of Pennock automobile enthusiasts, braved the mud and slippery roads last Sunday and motored to Green Lake, returning the same night. The party spent a very enjoyable day, and held a real old fashioned picnic on the shores of Green Lake. Among the party were the following: R. Rasmussen, J. E. Jacobson, P. C. and Christ Christianson, H. P. Jensen, A. M. and A. J. Lindgren, C. A. Bergman and their families.

New Pennock Church.

The new Swedish Lutheran church which is being built in Pennock will be a splendid structure costing in the neighborhood of \$5,500. The main contract work is being done by Jens Olson of Willmar, and he will start his men on the job as soon as the concrete foundation is in.

Former Resident Visits.

James Larson and family of Lakota, North Dakota, who has been visiting the O. O. Bergstrom family for the last two weeks, returned to their home on Tuesday. The party made the trip in Mr. Larson's car, and while here autored over the district in various directions.

Booster Club for Pennock.

Mr. Larson, who resided here for a number of years, brought the Lakota electric light plant a few years ago and since that time has resided at that place. The family have many friends here, and were able to renew many old acquaintanceships while here.

Crop Conditions Good.

J. P. Johnson, the land man reports good crop conditions in this district, in spite of the continued wet weather and the cold of the previous month. The small grains are all doing well. Mr. Johnson says, and potatoes and green feed are all prospering. The corn seems to be healthy, though a little backward he says, but with a continuation of the present warm weather there is little fear of the crop being light.

Mr. Johnson reports a brisk enquiry for good farm land, especially in the immediate vicinity of Pennock. The demand for stock seems to be increased by Mr. Johnson, and good grade animals are finding ready sale.

Bank Well Equipped.

A burglar proof safe, which is declared to be absolutely unbreakable has been installed by the Pennock State bank. The safe which is circular in form is claimed to be entirely burglar-proof, and has never yet been forced open, even by the most experienced yegmen.

When burglars force the fireproof vaults of banks and trust companies and find a safe of this description they leave it alone without attempting to blow it open, and move on to the next place, for experience has taught the impossibility of getting at the contents of these safes.

A large and commodious fire-proof cabinet for the protection of records and valuable documents has also been installed.

Creamery for Pennock.

As the result of a meeting recently held at the Pennock State bank two weeks ago, Pennock will soon have a creamery. The meeting was largely attended and great interest was evinced in the whole proceedings. A committee consisting of Peter Franzen, J. L. Jarrett, J. W. Erickson and Andrew Ehn, was appointed to solicit subscriptions for stock in the new project, and already a considerable amount has been subscribed for. Jens Hanson, Elmer Anderson and Elmer Johnson are among the strong boosters for the new creamery and are being given splendid help by more than twenty live members of the community.

The creamery will be a big benefit to the district and will aid the progress of Pennock.

Party Back from West.

Mr. and Mrs. L. E. Lovfen returned this week from their California trip after an absence of more than three months. Mrs. A. B. Sandberg, who was a member of the party returned with the Lovfens. Among the places visited were San Francisco, Los Angeles, Kingsburg, Turlock and other points of interest in California. The party all express themselves as intensely pleased with their trip, and give graphic descriptions of the many wonders they saw at the exposition. They say that the Minnesota exhibits are especially interesting, not only to the residents of this state but to the many visitors from other parts.

They declare that they all had a splendid time and saw some wonderful sights, but that they are glad to get back home amongst their friends in Minnesota.

Booster Club for Pennock.

Pennock will have a real live Booster club before next fall, if the efforts of the promoters continue to bear fruit at the present rate. The new organization will take the form of a business mens' club and will be active in the promotion of everything that is for the interest and benefit of the community.

The proposed club is for the purpose of bringing the business men closer together and giving more united action in matters of general civic interest. More and better publicity for Pennock, and vicinity, greater interest in public affairs, more improvements and more of the "trade-at-home" spirit are among the main objects of the organization. It is certain that with the good backing that is already lined up behind the movement, immense benefit will be derived by the whole community from the efforts of the new club when it is in

full swing. It is proposed to utilize some of the rooms in the Pennock bank building for the social and business affairs of the club and among the strong boosters of its progress the name of E. L. Thorpe comes first.

—With every purchase of One Dollar's worth of music during the next three weeks, I will give one popular piece, your own choice, at The Music Store.—Adv.

—Mr. and Mrs. D. Elmquist and Miss Hazel and Oscar Elmquist spent Sunday visiting with relatives at Benson.

—Don't forget to get the Victor or Edison, disc or cylinder record of "Star Spangled Banner," to play on July 4th, at The Music Store.—Adv.

Investigated Dredge Work. W. O. Johnson, P. J. Haley, John Anderson, Horton Sperry and V. E. Lawson went to Lake Minnetonka Monday to see a suction dredge in operation and learn all they could about this manner of lake improvement. They returned firmly convinced that the suction dredge is the most practical and economical way to fill the low places along the lake shore and improve the lake by the same operation. The committee will make some more investigation and report later to a meeting to be called of those interested.

—Mr. and Mrs. G. A. Foster and daughter, Marguerite leave the first of next week for a trip to the Panama Pacific Exposition, and also to visit with Mr. Foster's parents in Wyoming.
