Approved by the Board of Education, July 15th, 1915.
Victor E. Lawson, Chairman.
A. O. Forsberg, Clerk.

Secretary Forsberg explained some of the items as they occur in the statement. The items of receipts collected and sale of materials in manual training department. The permanent improvements include half the purchase price of school land and the sanitary improvements made at the Central and Garfield buildings. General expenses include repairs, books and supplies, insurance, etc. Much of this dates back from last year. The outstanding feature of the statement is that the year was finished with a small balance in the bank in place of an overdraft. A gain of three thousand a year has been made the past two years.

Nominations for members of the Board of Education resulted as follows:

Two For Three Year Term—Nels S. Swenson, Rev. M. B. Michaelson, H. T. Olson.
One For Two Year Term—Andrew Bjorsell, Chas. Wallin.

Peter Bonde and C. W. Lonn were appointed tellers, and the polls opened at 8:17 and closed at 9:17 o'clock. The result was as follows:
Nels S. Swenson 46
Rev. M. B. Michaelson 25
H. T. Olson 30
Andrew Bjorsell 25

COME TO TOWN AND GET INTO THE MOVIES

Big Free Concert Monday Evening on Streets by Minnesota State Band.

FREE MOVING PICTURE SHOW

Wholesalers and Manufacturers of St. Paul Will Arrive in Special Train and Will Spend the Night at Willmar. Big Doings are Being Planned, and Everybody in Country and Town are Cordially Invited to Come. Moving pictures Will Be Taken of the Crowds at Willmar.

The St. Paul Wholesalers and Manufacturers will visit Willmar next Monday evening one-hundred strong. They will arrive by special train at 5:05 o'clock and will remain here for the night. There will be something stirring that evening. They bring with them the Minnesota State Band of twenty-five pieces which will give music on the street from eight to ten o'clock weather permitting. If weather should be bad indoor arrangements will be made. A continuous moving picture show will be given during the concert. A first-class moving picture camera will be used in taking street scenes and of the crowds. Here is your chance to get into a moving picture. A parade of the visitors and others will be organized. Everybody is invited to come out and swell the crowds and help put Willmar on the map. The Willmar Commercial Club and our citizens generally extend a warm invitation to everybody, farmers especially, to come to Willmar and take in the entertainment.

Come to Willmar next Monday evening and bring the family. You will have a big time.
The party of St. Paul Wholesalers and Manufacturers, which will tour a portion of Minnesota and North Dakota, July 26th to 31st, inclusive, over the lines of the Great Northern Railway, will travel in a special train, consisting of one dynamo car, one baggage car, two dining cars, seven standard sleepers, and one compartment observation car. The train is composed of the finest equipment that can be assembled. Officials of the Great Northern Railway are accompanying the party during the entire trip, for the purpose of seeing that every possible detail is looked after in the most efficient manner. The party live upon their train the entire week.

The object of these trips is to give the heads of the important jobbing and manufacturing firms an opportunity to meet their customers throughout the Northwest, in their own places of business. The out of town merchants come to the wholesale market frequently, and the traveling men, representing the wholesale houses, are regularly calling upon the trade, but the heads of the houses have but little first hand knowledge of the conditions under which their customers transact their business. To see their places of business, the town in which they are located, and the territory surrounding it, always results in a better understanding, and a consequent benefit to both. Trips such as this provide that opportunity.

These trips have become a regular feature of the work of the St. Paul Association of Commerce. Every summer two trips of one week each, are taken. This is the second trip arranged for this year. Last month the party covered over one thousand miles in Southern Minnesota and Northwest Wisconsin.

One of the features of the trip is the big parade, headed by the Minnesota State Band, made by the party at each stop.
The moving picture operator is always on the alert to catch some typical scene or something with distinctive local color which will be interesting to the people when the moving picture reel, consisting of the views taken in every town, is shown in the local picture theatre of each town. The publicity resulting to all of the towns from the moving pictures is very large and of the best possible character.

Mr. Abbott's health has not been as good as usual this spring and therefore he has not been able to be about as actively as formerly. The idea of giving him this rousing visit and showing him the esteem in which he is held therefore came to his friends and this surprise party was the result. The participants report a most pleasurable occasion. On behalf of the visitors representative P. H. Frye presented Mr. Abbott with a gold watch with this inscription engraved upon it:

WEDDINGS

Parmeter-Somerville.
A very pretty home wedding occurred Saturday evening at 5:30 at the home of Mr. and Mrs. William E. Somerville when their daughter, Fama Collin, became the bride of Mr. Benjamin Wesley Parmeter, Rev. J. L. Parmeter, pastor of the M. E. church and father of the groom, officiating, using the beautiful and impressive ring service.

To the strains of the wedding march from Lohengrin, played by Miss Esther Somerville, sister of the bride, the bridal party entered the parlor, led by the pastor and little Viola Somerville and little Mildred Parmeter, youngest sisters of the bride and groom, who acted as flower girls and carried the ring in the heart of a carnation. Next came the maid of honor, Miss Helen Parmeter, eldest sister of the groom and Mr. Emanuel Mandelfeld, cousin of the bride who served as best man. The bride and groom entered last and took their places under a large wedding bell where the ceremony took place.

The bride looked charming in a gown of cream chamoisee with bolero of shadow lace. She carried a shower bouquet of bride's roses. Her attendants wore pale blue and carried a bouquet of white carnations. The groom and his attendant wore suits of dark blue. The parlor and dining room were prettily decorated with streamers of green and white intermingling. Large bouquets of cut flowers and potted plants added to the attractiveness of the rooms.

After the ceremony congratulations were extended to the happy couple, and later a bounteous wedding dinner was served, covers being laid for a sterling character. He graduated from the local High School in 1914, is now in the employ of the Nichols-McNairy, Wholesale Grocers, and we bespeak for him success in his chosen field of endeavor. They have a host of friends who wish them joy and happiness thru their wedded life.

They were the recipients of many useful and beautiful gifts.
Those from a distance who attended the wedding were, Mrs. Carl P. Mandefeld and son, Emanuel of New Ulm, Mrs. Earl Somerville and Miss Elsie Hultgren of Raymond, and Mrs. Earl M. Chesebrough of Herman. Contributed.

Ryan-Conway.
A pretty church wedding took place at St. Mary's Catholic church last Wednesday morning, when Miss Blanche Conway, daughter of Mr. and Mrs. P. J. Conway of this city, was united in marriage with Michael J. Ryan of Kremlin, Mont. The service was read by Rev. Father Moynihan. Music was rendered by the choir. The bride's gown was of white crepe meteor trimmed with real lace, and she wore a veil. She carried a bouquet of Killarney rose buds and lilies of the valley.

Miss Ellen Ryan of Goodhue, Minn., the groom's sister, acted as bridesmaid, and she was attired in a gown of blue silk crepe, and carried a bouquet of roses. John Conway, the bride's brother was best man. The church was beautifully decorated with palms, peonies and ferns.
A wedding dinner was served at the home of the bride's parents at four o'clock in the afternoon. Covers were laid for about thirty guests. The rooms were decorated in red and white.

The guests from a distance were the groom's father and sister, Frank Ryan and Miss Ellen, and Mrs. J. J. Ryan of Goodhue, Minn.
Mr. and Mrs. Ryan left on the early morning train Thursday for a short wedding trip after which they go to their home at Kremlin, Mont. To the best wishes of their many friends are extended to them for a happy and prosperous married life.

WILL BUILD 45 MILES NEW ROAD THIS YEAR

Propose to Start Branch Running South From Winsted.

The Electric Short Line Railway company, now operating from Minneapolis through Waterston to Winsted, is planning to build 45 miles of new road this year, according to information given today by Eric D. Luce, president of the company. The extension will cost about \$450,000. Two plans are under consideration. One aims at Hutchinson, 22 miles from Winsted, with Clara City, 40 miles beyond Hutchinson, as the eventual destination. The other plan is to strike south from Winsted, crossing the Great Northern road at Lester Prairie and running thence to New Auburn.

The Lester Prairie extension would cross the Milwaukee road between Glencoe and Norwood and carry the Electric Short Line rails close to Green Isle on the Minneapolis & St. Louis road.

Proposed Route Gona Overdahl and H. F. Hart, right-of-way agent, completed their work on the proposed Hutchinson extension Saturday, following which H. F. Balch, who built the existing line to Winsted, and L. T. Motley and E. A. Strider, went over the proposed route Saturday and Sunday. Twenty farmers between Winsted and Hutchinson have signed right-of-way contracts, President Luce said, some of them taking Electric Line Terminal stock in payment.

Hutchinson business interests have taken stock in the line and a station will be built there in advance of the beginning of operation of the railway. "We have decided not to make the bond issue on the Minneapolis terminal property that was announced about a month ago," President Luce said, "because we found that the European war and the money market situation make it an unfavorable time."

"This will not interfere with extension work this year. We are able to finance the extension with terminal company stock and consequently will go ahead. At some later time we will issue the bonds. The cost of the extensions, while it will vary in places, will average about \$10,000 a mile through. We are debating whether to build to Hutchinson, which is a good town, and put that line into operation before winter, or whether to begin work on the extension south to Lester Prairie and put all the money into the Lester Prairie line and carry it through to New Auburn into a very rich territory, which would add materially to our freight revenues. We will decide within ten days and announce definitely just where we will start the work. We expect in any case to add about 45 miles to the line this year."

To Open Bids Soon.
President Luce said that bids for the passenger terminal that is to stand on the triangular property at Seventh and Holden streets and Third avenue N will be opened shortly. The plans are by Clarence L. Brown. The terminal probably will be complete 90 days after the contract is awarded.

"We have the foundation in for our freight terminal," President Luce said, "and are going ahead with the superstructure as fast as possible."—Minneapolis Journal.

The building of a south feeder from the main line before the branch north thru Meeker and Northern Kandiyoohi would be a keen disappointment to many people in this county.

Ingeborg J. Urdahl were quietly married by Rev. M. B. Michaelson at the Free church parsonage last Saturday afternoon at one o'clock. Mr. and Mrs. Christianson left on a trip to Cottonwood of this state, returning to the groom's home in this city yesterday. The contracting parties have many friends who extend hearty congratulations.

—Mr. and Mrs. Simon Rodberg of Willmar, came Thursday for a visit at the W. A. Telford home.—Swift County Review.
