HOW CAN A CAREFUL MAN ALLOW HIMSELF TO DRIFT INTO DEBT? DEBT IS AS DANGEROUS AS A DISEASE. IT IS A DISEASE.

OFFICIAL PAPER OF HANDBOOK COUNTY AND CITY OF WILLMAR

WILLMAR, MINNESOTA, WEDNESDAY, OCTOBER 13, 1916.

OUR NEWSPAPER WEEK EDITION.

Our Minnesota Newspaper Week Edition is herewith presented to our readers. The illustrations and writings of the county are only samples of what we have. The list is by far not complete, but it will serve to illustrate to the casual reader some of the things that can be done in the County and State.

We have tried to do what we could to put Kandiyohi County on the map in the big movement of Minnesota Newspaper Week, when over three hundred newspapers in the State are making special efforts to advertise the State's resources. We have done our share and have concluded to print some extra copies so that we can supply those who have overlooked the matter of ordering in advance. We hope every reader, when he has read his paper will mail it to some friend in another state. That is the idea of the edition. In addition drop us a line and get as many as you need to reach the folks and acquaintances in other localities and we will fill the orders as long as supply lasts. Call us up by phone or write at once how many you want. If names and addresses are furnished us we will mail them from this office. Do it now, so you will not forget it.

WILLMAR CO-OPERATIVE MERC. CO.

PETERSON & WELLIN

Department Store.

One of Willmar's typically progressive enterprises is that of Peterson & Wellin's Department Store on corner Fifth street and Benson avenue. They carry a complete line of almost everything to eat and wear. They started in business first in 1897, in a small store on corner Sixth street and Pacific avenue. Their growth since that time has been steady and increasing. In 1907, they bought their present location, which they built onto and improved. Their main floor space is now sixty by one hundred feet, and they have both floors and a basement. They also have a very up-to-date grocery store facing Benson avenue.

They handle everything in clothing for both men and women, and also for children. Their dry goods department is very complete. Everything that the public may demand is to be found here. Their men's department is one which would be a credit to many stores found in towns much larger than Willmar. Here are to be found the well known Kuppenheimer clothes and Crosset Shoe; and also the Gordon Hats.

It is convenient to trade at a store where several lines of merchandise are handled for it saves a great deal of unnecessary chasing around. By the large patronage enjoyed by this firm, this fact is proven very conclusively, for they indeed enjoy a large patronage. They have enjoyed a very prosperous business from the beginning and this is steadily increasing. The proprietors, Mr. P. C. Peterson and E. C. Wellin, have shown what can be accomplished by strict adherence to commendable business policies.

The matter of application of Mrs. C. Carlberg, presented at a former meeting, for sewer permit for residence on Lot 13, Block 46, and to connect with the 2nd Street sewer was brought up. The said application was, on motion, granted subject to the sewer regulations and upon payment of the tapping fee.

Resignation of Alderman L. A. Tjosvold, owing to his removal from Third Ward, was presented and read, and the same was, on motion, accepted.

On motion the Council adjourned. Attest:—HANS GUNDERSON, City Clerk.
