BAZAAR AT BONDE HALL NEXT WEEK

A Big Event to Continue Four Days. Many Pleasing Features.

The fall festival and bazaar of the Lutheran Bethel church opens at Bonde Hall next Tuesday afternoon, Nov. 9, and will continue every afternoon and evening for four days. Special dinner will be served Tuesday, Thursday and Friday at five o'clock each day, at 25c. Luncheon will be served at any time from two to eleven o'clock p. m.

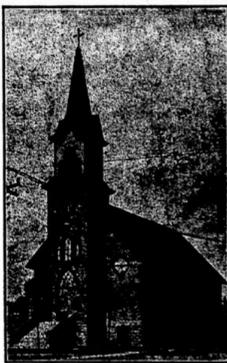

The hall is now being arranged and decorated for the occasion, and will present a handsome appearance. Booths for fancy work, groceries, candies, etc., will be provided. This will give a good opportunity to secure suitable Christmas presents. A fish pond will be an interesting feature.

An old time cabin is being erected inside of which refreshments will be served in old country style.

There will be instrumental and choir music every day. Don't miss it, but come early and often to enjoy a social time. Admission, 10 cents. Season tickets, permitting you to come and go any time, 25 cents. Re-member opening date, Nov. 9.

STURDY PIONEER AND PROMINENT CITIZEN PASSES

Continued from page 1.

a benefactor, an honest and trusted public servant; possessed of a true, upright and Christian character. He was a citizen well worth patterned. He is gone to his haven of rest, beloved by all.

A. O. FORSBERG—I have always considered Hon. Andrew Railson as typical of the best element of the pioneers, who developed the wilderness into a garden. His indomitable courage enabled him to overcome the trials of pioneer life. His fearless and independent spirit, coupled with a cool, deliberate judgment, made him an ideal citizen, ever ready to serve the public when called upon, but never currying favors or bowing his neck to a political yoke. The best thing that can be said of any man is that the community is better for his having lived in it, and this can be truthfully said of Hon. Andrew Railson.

S. S. GLARUM—From the time I first knew him, 35 years ago, until the last, I have found Andrew Railson to be always the same, true as steel. In private dealings and in public life, honest and straightforward. To me personally, Mr. Railson was a close friend, whose memory I shall always cherish. I saw him a week ago and realized that the end was near. He then indicated that I should greet his Willmar friends.

G. P. KARWAND—Andrew Railson was one of the finest men I have ever known. His word was always good. His home was hospitable almost to a fault. Much as I esteemed him, I felt relieved to know that his sufferings are over. Last time I saw him he longed to go.

Solon L. Benton has purchased the G. A. Soderling residence on Campbell avenue. He is occupying his new home today, while the Soderling family will move into the house vacated by the Bentons on Fourth St.

Elkjer, your photographer, has moved and will open his new studio two doors west of Peterson & Wellin's next Monday.—Adv.

The Stromert Obsequies. The funeral of the late H. B. Stromert, whose death by accident was noted in our last issue, occurred last Friday, Oct. 29. Services were held at the First M. E. church of Willmar. Rev. C. A. Holmes of Oak Park officiated, assisted by Revs. W. Bryn Jones, Theo. Livingstone and W. A. Rice. Music was furnished by the Presbyterian and Methodist quartets and Mrs. C. A. Holmes, who sang a solo. There was a profusion of flowers, from Willmar and Kandiyohi, and Stratford, Iowa. The pall bearers were Dwight and Ernest Johnson, Martin Dahl, Romey Gabrielson, Samuel Hill and Edward Currence. The interment took place at Fairview. Those from a distance who attended the funeral were one brother of the deceased, Ed. Stromert, and wife, of Boone, Ia.; a nephew, Henry Stromert and brother-in-law, Ed. Hall, and Charles Teander, a brother-in-law of Mrs. Stromert, of Stratford, Iowa. The deceased met with instantaneous death and did not linger unconscious as stated last week.

You can easily make a paint mistake; but it's just as easy to be sure you're right.

Devco Lead-and-Zinc Paint is right according to many years of practical experience.

It's a scientific paint; its costs less for a job, and the final cost—the wear—is cheaper for you.

Whatever painter you get, insist on Devco; if he doesn't like it, get another painter.

We're back of the paint.
