MAJESTIC THEATRE UNDER- GOING MANY CHANGES

The Carey's Building an Addition Which Will Seat Two Hundred Persons.
Work was begun today on the majestic theatre which is to be remodelled and an addition built on the south of the present structure. Contractor J. H. Olsen has the contract for the work, and it will be rushed thru with the greatest of speed. The plan is to have the house ready by the fifteenth of June. It will be necessary to close the theatre during the first two weeks of June.
The addition on the south will be a one story brick structure, fifty feet in length, bringing it right up to the walk on Benson avenue. The seating capacity of the house will be increased by this addition, to practically 500. The Carey's plan on sparing no expense to make the place one of the latest and most up-to-date picture theatres outside the twin cities. New seats will be installed, the newest and most up-to-date obtainable, noted for their comfort. The front will be remodelled, and there will be a roomy lobby and foyer.
Brand new equipment for the booth will also be procured, a \$1,400 outfit for the projection of the pictures having been ordered.
A continuation of the highest class of pictures obtainable will be shown in the house, and with two hundred more seats the management will be better able to handle the crowds.

**GREAT NORTHERN MAKING
NEEDED IMPROVEMENTS**
More Room Provided at the Roundhouse and More Track in East End of Yards.
Extensive improvements are being made in the east end of the local yards and at the roundhouse, by the Great Northern railroad company. Additional tracks are being laid for incoming and outgoing engines near the roundhouse, and ten new stalls are to be added to that building, making the house able to take care of the engines during the busy season of the year. A steam shovel is at work now, cutting down that bank just south of the roundhouse, and here the track will be laid. A new one hundred forty foot cinder pit is also included in the list of improvements to be made, as well as a 100,000 gallon water tank, which is to be erected near the site of the present tank. Two ten inch stand pipes are to be erected before the work will be completed.
If the company would put up a new passenger station worthy of the name, they would earn the everlasting gratitude of the people of this city, as well as of the traveling public.

NOTICE TO MEAT CUSTOMERS.
We have moved our meat business into the location lately vacated by Skoog & Anderson, where we will conduct our business while our new building is under construction.
C. Ackerman & Co.

Coomas Club Dance.
An Easter dance will be given next Monday evening, April 24 in the Masonic temple under the auspices of the Coomas Club. Music and orchestra will furnish the music and a good time is guaranteed all who attend.

Carl Hook, the tailor, has opened a shop of his own in the Capital Shoe Store building, and will be pleased to see his friends at the new location.

LAST NUMBER OF LECTURE COURSE

Clarence W. Wassam to Deliver Lecture at Presbyterian Church Thursday Evening.
The last number of the lecture course at the Presbyterian church will be a lecture delivered by Clarence W. Wassam, Ph. D., on the subject of "The Strong Young Man." This lecture will be given Thursday evening of this week at the church, and the admission will be twenty-five and fifty cents. Mr. Wassam is well known in this city having appeared here on Chautauqua programs and needs no introduction to a Willmar audience. The best proof of his success as a lecturer is attested to by the large number of dates he is called upon to fill.
The following notice is in regard to the particular subject he is to speak on at this city:
"A fine lecture," is the verdict of those who attended the lecture given by Prof. C. W. Wassam last Saturday evening, and all were amply rewarded. Prof. Wassam's subject, "A Strong Young Man," is an intensely interesting one, and the lecturer did it full justice. It is a liberal education to listen to him even for one evening. Prof. Wassam mingles daily with young men and women and is well fitted to discuss the subject. If it is ever our good fortune to have him here again the house will be without doubt, be crowded to its full capacity.—The Solon (Iowa) Economy.

**TOWN CLERKS MAY
CEASE TO WORRY**
Money Due Them For Reporting Births and Deaths a Little Late This Year.
It may be that some of the Town Clerks through the county have been wondering why they didn't receive the money due them for reporting births and deaths, a settlement of which is usually made in the month of March. This year, however, nothing has been done toward a settlement yet, but Clerk of Court Ramsett informs us this will be attended to in the near future. As yet no reports have been made from the secretary of the State Board of Health, on this matter owing to insufficient funds to complete the payments. A letter has been received today, stating that matters will be adjusted at the earliest possible moment, and that he is doing the best he can with the funds available.

Ackerman Market Remodeled.
The Ackerman meat market has been moved, temporarily to the building on Benson Ave., formerly occupied by Skoog and Anderson. In the meantime work of remodeling the structure on the corner of Benson and Fifth street is going on, and when completed the building promises to be a fine addition to the business section. A sixteen foot addition, with full basement is being constructed at the rear of the building, and the interior will be entirely renovated, with a tile floor, and decorations similar to those in the Metropolitan shop. A new metal front will also be one of the chief improvements.

Long Lake Y. P. S.
The Long Lake Y. P. S. will meet in the church parlors Saturday evening, April 22. A good program will be given and refreshments will be served by Mrs. G. J. Bratberg. Everyone cordially invited to come.
Easter Program at Baptist Church.
An Easter program will be given by the Sunday school at the Swedish Baptist church, Sunday evening at 7:30 o'clock. Everyone is cordially invited to attend.

St. Luke's Guild.
The Ladies' Guild of St. Luke's church will meet at the Parish House Thursday afternoon at two o'clock, to sew.
Mr. McGrew, the piano tuner will be in this city May 1. Orders may be left at the Wiggins Co. 4-19-26

GOOD FEED, SINGING, PUBLIC BUSINESS

Combine to Make Get-Together Luncheon of Commercial Club a Success.
The get-together luncheon of the Willmar Commercial Club held last night at the Masonic building was attended by about seventy-five citizens and guests. The serving was done by the ladies of the First M. E. church in a very acceptable manner. After the banquet the monthly business session of the club was held in the Assembly room. At the opening the meeting was favored with a rousing selection by the First M. E. church chorus, directed by Rev. W. A. Rice. The following were elected to membership in the club: J. M. Lambert, Oscar A. Fridlund, Wm. F. Elkner, C. H. Carey, H. E. Palm, Wm. H. Chard, H. R. Kerr and C. J. Johnson.
The committee on new quarters reported through their chairman, Atty. G. H. Ottersen. The matter was discussed and was referred back to the committee for further investigation. It is likely that arrangements will eventually be made to use the Masonic building as headquarters for the club. A committee was authorized to have charge of the matter of raising an entertainment fund and taking care of the conventions coming to Willmar during the summer. Rev. W. A. Rice and his octette of male singers gave several selections which were enjoyed by the meeting.
Owing to the fact that Col. Luce was unable to be present, the discussion of the army and militia company matter was laid over until a future meeting.
It was decided to arrange for a luncheon in connection with the next monthly meeting.
Rev. A. Strom, a visitor from Watson, Minn., was called on for remarks, and responded with a talk about his impressions of Willmar and the work of the Commercial Club.
