

REMODELING SALE

THE CARPENTERS

are coming, we must have room at any price. Come help us move and save money. Money saved is money earned.

TERMS, CASH ONLY

Just about two years ago, we opened up this men's store with the intention of making it one of the Best Clothing Stores in Kandiyohi County. We started out to give the people better store service, better merchandise and better values and to stand back of every article we sold. From the very start, our business began to grow. We soon had to plan on more room and so we leased the room adjoining us and for a time we have used this room for our tailoring room and store room. Now, we are going to tear out the walls and connect these two rooms into one **BIG STORE**. This will put us in a position to give you still better store service, one of the things we have strived so hard to give you.

We must make room for the carpenters and have decided to let the people of Willmar and surrounding country help us move the merchandise, at
