AIRSHIP WILL FLY AT THE COUNTY FAIR

First Section of Big Cattle Barn To Be Built—Other Improvements Planned.

One of the big features of the 1916 Kandiyohi County Fair will be a real bird man, who will make two flights a day with a hydro-plane, from Foot lake near the beach inside of the fairgrounds. "Dare Devil Mills" is known thruout the country for his daring stunts in the air, which will include altitude flying, spirals, figure eights, etc. The airship will be here and fly on the three last days of the fair.

Members of the Board of Managers held a meeting at the grounds last Thursday. Among other things it was decided to build a barn to accommodate the cattle exhibit, or at least a section of it. The importance of the live stock industry to the county is never lost sight of by the Board, and it is to be hoped that stockmen thruout the county will co-operate to make the best showing this fall.

It is expected also to inaugurate a movement to grade a section of the ground inside the track before the fair, to permit the parking of autos there during the fair. This grading will be done with the view of providing ample room for a base ball diamond, which will make it possible to use the grounds for athletic games.

A liberal provision for a horse racing program was made. The board decided that there should be no cycle races this year.

Negotiations are on for a carousel with jumping horses and an entirely new line of pay attractions.

The premium list will be mailed in a few days all over the county. If you fall to get one, a card sent to W. O. Johnson, Secretary, at Willmar will bring one to you.

NEW FRUIT HOUSE TO BE RUSHED

Wholesale House at Foot of Sixth Street To Be Ready in 90 Days.

E. P. Stacy and Sons of Minneapolis have opened their wholesale fruit house in Willmar, the present quarters being in the building formerly occupied by Skoog and Anderson, on Benson Ave., between Fourth and Fifth streets.

Mr. Merrill of Minneapolis, a member of the firm was in the city Tuesday and personally interviewed practically all of the dealers handling fruit, to see what encouragement the firm would have toward erecting the proposed new building. He was evidently satisfied with the results of his interviews as he returned to Minneapolis this morning with the idea of having the work on the new building started at once.

The building will be situated on the railroad right of way at the foot of Sixth street, and will be a two story brick structure, 100 by about 50 feet. It is planned to break ground within the next ten days and rush the work in a hurry as the building is to be ready for occupancy within ninety days.

For the present Fred Vorwerk has charge of the local branch, but when the new building is completed and the firm is located in their own quarters, E. M. Bonde who has made this territory for some time past for the firm, will be the local manager.

The building will contain an ammonia cold storage plant.

OBITUARIES

Obsequies of Ole M. Mattson.

The obsequies of the late Ole M. Mattson, aged citizen of Whitefield, were held last Friday morning, from the residence of the son, P. O. Mattson, and the Svea Lutheran church. Rev. W. E. Pearson of Willmar officiated. The pall bearers were Messrs. A. O. Nelson, N. Bengtson, Ernest Swenson, J. P. Johnson, Jens Swenson and Nels Anderson. There were twenty-one cars in the cortege. The deceased was one of the charter members of the Svea Lutheran church. He was a cousin of the late Col. Hans Mattson, well known in Minnesota history.

Surprised Their Pastor.

Last Sunday after services at the St. John's church, Rev. M. B. Michaelson, the pastor, was given a surprise, when Rev. E. M. Hanson suddenly appeared and on behalf of the congregation gave voice to the regrets of the members over the contemplated departure of their pastor to other fields of labor and handed him a purse of about \$70 as tangible evidence of their good will. A basket dinner followed in the grove near the church and a pleasant time was spent by all the participants.

BAND CONCERT THIS WEEK AT HOMEWOOD

Ladies Will Serve Refreshments For Benefit Of Park Improvements.

Owing to circumstances beyond the control of the band members, the open-air concert advertised to take place at Homewood Park last Friday evening did not materialize. There was quite a number of people who came out and were disappointed, not least the ladies who were to serve refreshments for the benefit of the park. It is to be regretted that this disappointment should occur.

Unless bad weather should prevent the concert will take place next Thursday (tomorrow) evening, and the ladies will serve refreshments. The water mains have been extended under the railroad yards into Homewood addition, and it is now proposed to put a drinking fountain and faucet in for use of picnickers at the park. As the park fund is low, the ladies of the Housekeepers' Club agreed to serve refreshments on the occasion of the next band concert at the park, the proceeds to be used for extending the water into the park. Don't forget to go to Homewood Park tomorrow evening, enjoy the music and patronize the committee of ladies who serve refreshments.
