A floral wedding contest was held, honors being won by Miss Winifred Sherwood and Mrs. Nellie Noren. In the telegram contest, Mrs. Russell Spicer was awarded the honors.

The guest of honor was the recipient of many beautiful gifts, which were presented to her in a realistic "shower" manner, by means of an opened umbrella.

Late in the evening delicat refreshments were served.

Registered a Kick.

A Willmar citizen called up the Tribune yesterday, and said that every store in town had been tried in an effort to buy a ladies' bathing suit, without success. This person opined in very strong language that our stores should wake up and get goods people want, if they expect them to trade at home. We publish this complaint, not with any desire to reflect unfavorably on our stores, for it may well happen that some article may run out on the keenest buyer, and we remember instances where the twin city stores have been unable to supply articles wanted, but as an illustration how a disappointment on some small article may prejudice a customer against home trading.

Mrs. Moline is ill.

Mrs. Lars Moline is very cratically ill. The children from a distance, Mrs. Roy Nicholson of Portland, Ore., and Mr. Edwin A. Moline of Neodesha, Kansas, have been summoned to come to their parental home.

Miss Ellen Hanson returned to Kerkhoven last Thursday after a visit with Mrs. Carl Segerstrom of this city.

—Young men and women are wanted for positions in banks. During the month of July the Minneapolis Business College had several bank positions it could not fill. Over 200 of its graduates are now in banks. A training at that school will prepare one for a high-grade position.—Adv.

ANNUAL REPORT LOCAL LIBRARIAN

Library Board Holds Annual Election of Officers Last Week.

Following is the statistical report of the librarian for the Willmar Public Library for the year ending June 30, 1916. The entire circulation of books for the year was 18,797 volumes, showing a gain of 977 volumes. Less non-fiction was circulated the past year than in before, due no doubt to the fact that very little up-to-date non-fiction was purchased this year. The demand for fiction was exceedingly heavy, and there were not sufficient funds to allow for the purchase of both kinds. In the adult non-fiction, more books of literature were read than any other class, followed closely by history and useful arts.

In the children's department there was a large circulation of stories, with books of travel second. March proved to be the busiest month of the year, 1,961 being circulated and the average daily attendance in the reading and reference rooms was 47. There are 243 more borrowers this year, and a small gain of 217 books. Willmar may well be proud of the number and class of the magazines in the library in comparison with cities of this size. 1,429 magazines have been circulated and this does not count in the complete years of old magazines given away. This spring a story hour was held in the Children's room every Saturday afternoon with an average attendance of 30 children. The stories were told by the pupils in the Normal department of the high school.

Books were donated to the library by the following: Mesdames Scotten, Thomas and Meyer; Messrs. E. C. Wellin, V. E. Lawson, W. B. Crosby, W. D. Frederickson and J. Emil Nelson; Messrs. Richard Quale and Rudolph Meyer.

The board re-elected all the former officers, namely, L. O. Thorpe, president; Alton Crosby, vice president; Mrs. W. D. Wiggins, secretary.

There are pretty feet, and homely feet. And feet that do not mate; It is quite a feat to cover feet in style and comfort too.

—Judge R. T. Daly of Renville was in this city on legal business the first of the week.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life. If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions. It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

AUTO ACCIDENT SUNDAY EVE ON EAST BECKER

Automobile and Team of Horses Come Together Injuring One Horse. An automobile accident that might have easily resulted seriously occurred last Sunday evening about nine thirty o'clock on the corner of Becker avenue and Bertha street, near the Norwegian Lutheran Synod cemetery, when the car driven by William Danielson and a team driven by Otto Zantel came together.

The auto was traveling eastward, with the dimmers on, and according to witnesses, the car was on the extreme right of the street, in fact two of the wheels being on the boulevard. Just why that didn't give a team room enough to pass remains a mystery.

Anyhow the two came together, one of the horses rearing up, and striking the fender of the car, breaking both front legs, close near the ankle and the other near the knee.

It was found necessary to shoot the horse. The only damage done to the car was a badly dented left fender. There were but two persons in the buggy at the time, while five passengers occupied the car.

The well known "tall grass" was the main cause of the defeat Sunday afternoon of the P. and W. team at the hands of the Pennock bunch. With three men occupying the hassocks in the last half of the eighth inning, one man down, and the score 3 to 1 in favor of the home team, Joe McKelvey smote a mighty smite, out behind second base.

While the entire P. and W. team scurried around looking for the lost pill the three happy base runners eagerly around the bases, and when Leodahl came panting over the platter with the marker which turned sure defeat into glorious victory, the joy of the visitors was unbounded.

McKelvey continued on his mad career in an endeavor to make the hit good for a homer, and insure victory against a last desperate rally, but he was nipped at the plate on a close play.

The losers lost an opportunity to retire the side earlier in the inning when the Pennock base runners became confused, and the man on first ran to second. Instead of playing the ball to second and touching the man there, the play was made for third, where it was possible to make a man, and in the meantime the man who ran from first scammed back to his base in safety. The umpire ruled correctly in calling all hands safe.

Bobby Johnson and Paulson each pitched good ball, each team securing six hits. The score follows: P. and W. 0 0 1 0 1 0 1 0—3 Pennock 0 0 0 0 1 0 3 x—4

Lindemann-Roberts. Last Wednesday evening at the home of the bride's parents occurred the wedding of Miss Elsie L. Roberts, daughter of Mr. and Mrs. L. Roberts, and one of Willmar's popular young ladies, to Mr. Edward E. Lindemann of Minneapolis. The ceremony was performed by Judge T. O. Gilbert in the presence of many relatives and immediate friends of the contracting parties.

The bride's gown was of white satin, and she carried a shower bouquet. The bride was attended by Miss Ella Mitchell of Brainerd who was attired in a gown of pink satin and carried pink roses. The groom's attendant was Mr. George Peeney of Minneapolis. Miss Helen Roberts, a niece of the bride, presided at the piano and several vocal selections were rendered by Mrs. Le Barx of Brainerd.

Following the ceremony a reception was held. Mr. and Mrs. Lindemann left the following morning for Minneapolis, where they will be at home to their friends at 4923 Upton Ave. south after September 1st.

The many friends of the bride in Willmar join in extending best wishes for happiness and prosperity to her and the man of her choice.

Robert W. Hargadine, State Fire Marshal, has condemned and ordered torn down the following buildings in Willmar:

Old shed situated on Lots 4 and 5, Block 28, owned by Mary B. Ward. Old sheds situated on Lots 1, 2, 3 and 4, Block 22, owned by Carl J. Iverson.

The condemnation of these buildings follows inspection of the City of Willmar by Deputy State Fire Marshal. While in Willmar he inspected all of the buildings in the business district, finding a very thorough inspection. There were 75 buildings inspected in all, and 35 orders were issued for the correction of hazardous conditions. This line of inspection work is being done by the State Fire Marshal's Department in all towns of the state, with a view of eliminating fire risk and protecting life and property. Over 250 towns have been inspected in the past year, and 750 buildings have been condemned and torn down.

—Judge R. T. Daly of Renville was in this city on legal business the first of the week.

SUNBURG VISITED BY BIG CROWD

Band Picnic Objective of Many Auto Parties Last Sunday Afternoon.

Sunburg, the live little inland town in the Township of Norway Lake, 25 miles northwest of Willmar, was the objective point of many joy rides last Sunday. The annual picnic of the Sunburg Cornet Band is an event that always draws a big crowd, and there were hundreds of autos lined up along both sides of Main street while their occupants were gathered in the heart of the village where a band stand and seats had been erected under trees along side of the new hotel building which has been built on the corner of Holseth. Temporary booths were erected where lunches and liquid refreshments might be purchased and they were well patronized.

There were about a thousand persons gathered to hear the program. There were people from Kerkhoven, Jensen, Belgrade, Pennock, Glenwood, Joroen, Belgrade, New London and Spicer, and other places. There were farmers and laymen, farmers and business men, matrons with promising families of youngsters, and maids with their sweethearts. People of all classes and conditions of life mingled in the joyous confusion. The band gave concerts throughout the day. Judge R. C. Daly was the first speaker and he made a hit with the crowd. It was a well balanced talk which well reflected his good sense of the Judge. Hon. P. Senator E. E. Lobeck, of Alexandria, made one of his powerful addresses and sustained his reputation as a platform orator. He spoke on the duties of the citizen, and left no one in doubt as to his stand on the questions he touched upon. At the close of his address he spoke a few moments in Norwegian which seemed to please the audience immensely.

John Knutson, representative of Swift county, was called on for remarks. The last speaker was Judge C. O. Gilbert of Willmar who was given an enthusiastic reception.

The drive from Willmar is one of the most scenic in the county. Over the Dovre hills and past the beautiful Solomon lake, through the Shafoope Valley to Lake Superior, and here and there a view of the plateau overlooking Norway lake, thru Jericho and its churches, past the historic West Lake community and up the state road being cut thru the big hills, to Sunburg, the scene is one of constantly changing beauty. The editor and family are under obligation to County Auditor Samuel Nelson for this fine ride. Everywhere the fields stretch out with shades of green, and here and there a setting of conical stacks tells that stacking is in full blast. Some looting has also begun in shock localities. From the road there is nothing to indicate that the yield of wheat at this time will be light.

The editor was asked how Sunburg came by its beautiful name. On page 233 of History of Kandiyohi County we find it recorded that "Sunburg" was established at the home of Ole Ellason in NW1/4, Sec. 30, July 1, 1872. He continued as postmaster until Dec. 1, 1897, when Hon. P. A. Gandrud was appointed. The name was recommended to the post office by Joseph and Mary Feifarek, formerly of Roseland, who was instrumental in securing a star mail route up to his settlement and therefore wanted other offices established along the route."

At Lake Andrew. Dr. and Mrs. G. A. Newman and daughter, Louisa, from Stillwater are spending a few days at Lake Andrew again this summer. The doctor who is on leave of absence from his duties as physician at the State Prison arrived last Friday. Jos. O. Estrem, daughter Edith and sons, William and Malcolm, and Mr. and Mrs. Eben Larson were at Lake Andrew Thursday afternoon where they, together with a number of other friends from Payneville and New London enjoyed the occasion being an impromptu celebration of Mrs. Newman's birthday.

As instances of the things the "boys" did to while away the time was first to get back to boyhood days by chok-ing out on choke cherries and smoking the real genuine dry grape vine; then they trapped a woodchuck, ate water-melon, lugged wood, and built a camp fire, told stories, and ate birthday cake. It was pretty well along in the evening before the party broke up. Fortunately there were no green apples in the near-by orchard.

O. A. Hedin on "War Path." O. A. Hedin, of Minneapolis, called on old friends at Willmar Friday while enroute on a business trip. Axel is confident that he will be elected a member of the Railroad & Warehouse Commission of Minnesota next Fall. He has assurances of support from leading Republicans who believe Judge Mills has outlived his usefulness on the Commission. Kandiyohi county will give him a fine vote.

Transients Married at Willmar. Mr. Clyde Ward came from Billings, Montana, last Saturday. Miss Cora Louisa Harris came from Sioux City, Iowa. They met by agreement at Willmar. Rev. J. N. Andersen of the Synod church married them at the parsonage at three o'clock, the Rev. Andrew and Mrs. Feifarek, Misses Lucile and Esther, witnessing the compact. The bridal party remained at Willmar over Sunday, went to Sioux City to spend a part of their honeymoon, and will locate at Billings, Mont.

OBITUARY

JOHN ROSLUND

Death in Sweden of a Mame home on August 8th and claimed the husband and father. Mr. John Roslund passed away that date after an illness with which he was afflicted for three years. John Roslund was born March 20, 1860, at Hultsjö, Småland, Sweden. He came to America in the spring of 1881. He worked on farms and at railroad work until 1893, when he purchased a farm at Otisco, Waseca county. Here he married Miss Louisa Abrahamson. In 1911 he moved to Buffalo Lake and a year or so later bought a farm near Pennock, where he lived until his death. He is mourned by his wife and three sons—Harry, Leo and Elmer, also by three sisters, Mrs. Mary Turquist, of Shafoope; Mrs. Nora Gustafson, of St. James, and Mrs. A. Werner, of Walnut Grove; and their respective families.

The interment took place at Fairview August 10, 1916. Oscar Weststrand of Salem Mission church, officiating. Mr. and Mrs. Laurine Werner and daughters, Mrs. Selma Truedson and Miss Ardene Werner, of Walnut Grove, attended the funeral and remained with their bereaved relatives until last Monday.

Feifarek-Shimpach.

A news item of interest which was overlooked by our editor was the marriage of Miss Emma Shimpach, daughter of Joseph and Mary Shimpach of Roseland, to Mr. Harry Feifarek, son of Joseph and Mary Feifarek, formerly of Roseland. The ceremony took place at the Synod parsonage, July 20, Rev. Andersen officiating and Mesdames J. A. McElhany and W. S. Brown as witnesses. Mr. and Mrs. Harry Feifarek are worthy young people, and we hasten to extend our heartiest congratulations.
