J. MELVIN JOHNSON Willmar, Minn.

LAKE LILLIAN.

Lake Lillian, Nov. 11.—Richard Fredholm of Kandiyohi, the telephone lineman, was around here Monday repairing telephones. August Carlson and Erwin Nelson of Southeast Fahln, were business callers in this vicinity Monday. Albert Peterson is at present employed at Willmar. R. W. Julius purchased hogs from Ole Erickson the other day. Victor Norling was a Kandiyohi visitor Wednesday. Christ Otterness of Willmar was a visitor here on Tuesday. Peter Kopman visited friends in this vicinity Thursday. Olof Dencker and Albert Sharland motored to Olivia the other Thursday, in the former's Overland automobile. While returning home that evening, they drove into the ditch by the H. G. Blumh place. After being in the ditch for some time they went and secured assistance from Mr. Blumh, who came with a team and pulled the car out. Olof says sometimes the road ought to be wider.

Oscar Knutson, Andrew Strandberg, Fred Johnson, Albert Walner, Roy Borg, George Anderson and Emil Aspaas were among those from here that motored to Willmar Tuesday evening to get the election returns at the opera house. Two days before the election, about thirty-five voters were going to take a stray vote at a party near Cokato, but they had to telephone to a neighbor to find out the name of the Democratic candidate for governor. Mr. and Mrs. Burquist was re-elected governor, by a majority of over 100,000. John O. Erickson and Ole E. Erickson and daughters, Ruth and Elnora, were callers at the county seat of Renneville county Wednesday afternoon. Mr. and Mrs. Fred Julius and Mr. and Mrs. Fred Julius and family of Fairfax, visited with relatives here Friday.

Errence Anderson was a Bird Island caller on Saturday. The writer received the election returns at the opera house, Tuesday evening. We stayed at the opera house until one o'clock, making a street of five and one-half hours of return and moving picture, for which we only paid a quarter, and it was well worth it. The house was packed with people all evening. Asa Bomsta made a trip to Kandiyohi Thursday. Mr. and Mrs. Andrew Hed visited at the county seat on Friday. Ludwig and Erick Englund, and William Renstrom are at present erecting a granary on the Aspaas place. Richard Julius hauled his Pullman auto to Willmar Wednesday where it will be repaired.

Miss Amanda Johnson attended the wedding of her sister, Esther Johnson, who formerly taught school in District 5, at Willmar Saturday evening. Erick Englund and Emil Aspaas visited at the Edwin Lundahl home Sunday. Albert and Willis Johnson purchased a complete threshing outfit and a corn shredder at the Nels Anderson sale in Kandiyohi township Friday. Ludwig Englund and a friend made a call at the A. Forsman place north of Svea on Sunday. Misses Luella and Florence Blumh are at present staying in Willmar, learning dressmaking. Emil Hedin and Caesar Linn made a call at the J. O. Erickson home Sunday.

A wedding occurred at the Rev. Erickson home Wednesday evening, Nov. 8th. The couple are united in wedlock were Miss Carrie Benson and Sam Hageman. Mary Benson, a sister of the bride was her attendant, and Nels Benson, a brother of the bride, attended the groom. The ceremony was performed by Rev. E. O. Erickson. The newlyweds will be in the home during the winter, on a place near Thorpe, and in the spring will move to the place

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a 25 cent bottle of Dandruff right now—Also stops itching scalp. This, brittle, colorless and scraggy hair is sure evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—now—any time—will surely save your hair. Get a 25 cent bottle of Knoviton's Dandruff from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Dandruff. Save your hair! Try it!

THE FREE WEST WINS A GREAT VICTORY FOR HUMANITY!

Tuesday's vote, as now belatedly tabulated into a victory for the president, is the West's answer to the partisan assault that was made upon the president in the midst of an anxious and critical period.

It is the people's answer to the often repeated statement that a great reaction had set in and that the people's minds had grown dull to the cry for social justice.

It is the people's answer to the taunt that they should feel shame for being kept out of foolish wars.

Above all, it is the people's vote of confidence in the American people, who will be linked in history in a great trio with Washington and Lincoln, who in their day were assailed as venomously as President Wilson has been in his.

How could it possibly have turned out otherwise? To think that it COULD turn out otherwise was to doubt the intelligence of the American people, to doubt their patriotism, to doubt their capacity to detect fraud and chicanery.

Forty thousand voices—What a grand chorus! And that's the number of American men and women, who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Willmar people are in the chorus. Here's a Willmar case: J. H. Taylor, train dispatcher, 109 Bertha St., Willmar, says: "I was troubled by my kidneys for about two years. I work in an office and, no doubt, sitting in one position for such long periods caused the trouble. My head ached and I felt dizzy. I didn't head ached and I felt dizzy. I didn't have any ambition. After doctoring a great deal to no avail, I used Doan's Kidney Pills and they cured me." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Taylor, Foster-Milburn Co., Props., Buffalo, N. Y. (Paid advertisement.) Do your Christmas shopping early.

Fatal Accident at Lamberton. One of the worst automobile accidents Redwood county has ever known, occurred last week Monday near Lamberton, in which two men were killed and a third seriously injured, when an auto ran into a C. and N. W. train on the crossing. A fourth member of the party sustained minor injuries, while a fifth jumped to safety before the crash. The men were members of an electric company's line crew, and were on their way to their work of erecting a line between Lamberton and Wabasso. The driver of the car was unable to see the approaching train, owing to the presence of a high elevator, and the men in the car were unable to hear the bell or whistle of the engine, on account of the high wind which was blowing.
