TAKES OFF DANDEUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Dandeffine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandeffine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Dandeffine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Dandeffine. Save your hair! Try it!
