

# Every Man's Car

The Chevrolet is every man's car, for it fits any man's pocket-book. It meets a great demand, for it has the necessary requirements.

If you are in business the Chevrolet will help you cover more ground and see more people than by any other method.

The Chevrolet is ideal for the doctor, the contractor the real estate man, the farmer—for all who need a car to cover territory quickly.

The Chevrolet is equally a favorite with those who seek a car for pleasure purposes. It is responsive to the driving wheel, safe, comfortable, and good looking.

It is low in upkeep expense and this is appreciated to-day. It is ever ready. It does what is required of it gladly and quickly. The Chevrolet is undoubtedly the world's greatest motor car value.

Come in today and see the latest models.

We still have a couple of these cars at the old price.

First come, first served.

Model Four Ninety Roadster \$335, Touring Car \$350, with all-weather top \$625.

All prices f. o. b. Flint, Mich.

### WILLMAR WINNER IN HARD GAME

#### Browns Valley Proved Hard Nut To Crack Last Friday—Basket Ball Notes.

Citizens of Browns Valley were unanimous last Friday evening, after the basket ball game between the high school team of that place, and the Willmar team, in the statement that the game was the most spectacular and interesting that had ever taken place in that town. The result was in doubt until the last thirty seconds of play, when a field basket by Walt Erickson gave Willmar a lead of three points, just as time was called. The score was 21 to 18. A most remarkable feature of the contest was its absolute freedom from rough play. But four fouls were called on the two teams, one on Browns Valley and three on Willmar. Of this number, Osmundson converted his only chance into a basket, but Cavies of the Valley team failed to register once out of his four chances. He was given an extra chance when Osmundson was fouled for hacking, the penalty being two free throws.

The Willmar boys outweighed their opponents and were a trifle more racy, but the home team made up in speed and team work what they lacked otherwise. Their passing was as nearly perfect as passing could be. In the second half they worked the ball the length of the floor time after time, but close guarding prevented the threatened scores. They used a pass along the side wall to very good advantage, and had the Willmar team more or less in the air attempting to break up this play. They also bounced the ball off the wall to their own advantage on each toss up after a held ball. They were fighters from the word go. In the last period, near the middle of the half, Willmar had a lead of 17 to 8, which looked perfectly safe. The home boys rallied desperately and three shots in quick succession by Allen, their center, soon changed the aspect of the game. A. Morrill tried hard to win for his team, but to offset the two more baskets he scored, Erickson and Lundquist each shot from the field, leaving the three point margin of victory. Time was taken out but once, and neither team made a substitution. Browns Valley high school, and the town in general, may well be proud of their team. They, together with their supporters were the game losers Willmar has ever played.

It was a heart breaking game to lose, but they had nothing but the highest praise for the winners. For the losers, their captain, Arthur Morrill at the left forward position was really the star. His endurance seemed limitless, and he was into the thick of every play, ever urging his team on. His record of ten points scored, out of his team's eighteen speaks for itself. Allen at center, was another strong player. For Willmar Capt. Sanford Osmundson and Erickson, the veterans of the team started. The former, on the defense was a terror. No pass seemed too high or too wide to elude him, and the chances his man had for shots were few and far between. He also set his team mates a good example by scoring the first points of the game. Eckie was back in the game for the first time in four weeks, and his presence was felt, particularly in the last half, when the going was strenuous, and his steady ability counted much. He scored five times from the field, and was, with Osmundson the

team's back bone. Sather had Morrill to guard, which was quite some task, but which he accomplished in a manner of which he may be proud. Mint Lundquist had lots of hard luck during the first half, but came back strong in the final period with three baskets. Kieve was mixed up in most of the plays, and his contribution to the score was a long basket in the second half. He had fewer shots, for the basket than the other offensive men.

Too much cannot be said of the treatment accorded the Willmar contingent. The home folks went out of their way to treat their guests royally. On arriving shortly before seven o'clock, a light lunch was served in the high school, and after the game, the teams were guests of the domestic science classes at a banquet that words will not adequately describe, but to which those present did ample justice. The best of fellowship prevailed between the members of the teams, and each had nothing but words of praise for the other.

Following is the score of the game:

Willmar	B	FB	PF
Kieve rf	1	1	1
Lundquist lf	3		
Erickson c	5		1
Osmundson (C) fg	1	1	1
Sather lg			
Total	10	1	3
Browns Valley	B	FB	PF
Cavies	1		1
Morrill (C) lf	5		
Allen c	3		
W. Morrill rg			
Bigelow, fg	1		
Total	9	1	1

Referee, Hengstler, Willmar; Umpire, Abbe, Browns Valley; Timers: Buchanan, Browns Valley; R. Erickson, Willmar; Scorers: Troge, Browns Valley; Bender, Willmar.

#### NOTES OF THE TRIP.

It was a tired bunch that pulled into the Valley shortly after 6:30. The trip is a most tiresome one, but as luck would have it, the train was on time.

The game was not called until 9 o'clock, in order that the Willmar team might have a chance to rest up, and become accustomed to the gym before game time.

In order to accommodate the crowd, a space of about four feet on one side of the gym was roped off, and two tiers of planks put down for the spectators to stand on. The stage, at one end of the hall was jammed with humanity.

In order to insure enough money to pay the expenses of the visiting team, the admission charged was 25 and 50 cents. In addition only a limited number of tickets were sold, thus insuring a chance for each ticket holder, to see the game.

Eight minutes of play elapsed before a point was scored, when Osmundson sent the ball thru the net from near the foul line. Fifteen minutes of the first half went by before the sub's hand work was done. He had counted the baskets his team mates scored. As they made them one by one. "Why weren't you in it?" a co-ed cried.

Her kind voice full of glee: "I ought to be," the sub replied. "But the coach is down on me."

The team will have a chance to rest this week, and will put in the time practicing. They will leave for Northfield next week Thursday morning. If they are so fortunate as to not pick the winner or the runner-up in the tournament as their first opponents, they may be able to win a game or two.

# Oakland

## The Sensible Six

Sensible because of its power. The valve-in-head motor delivers full 41 h.p. at 2500 r.p.m.—one h.p. for every 53 pounds of car weight. There is plenty of power for **hardest pulling**—more actual power and more proportionate power than any other car of its size.

Inquire about this feature at our show-rooms or from any driver of a Sensible Six.

OSCAR LUNDQUIST  
WILLMAR, MINNESOTA

Demonstrating car on exhibition at Wiggins' Building.

#### A City Dude.

As a city dude was driving through a village, he saw a man amusing a crowd with the antics of his trick dog. The dude pulled up and said, "My dear man, how do you manage to train your dog like that? I can't teach mine a single trick." The man said, with a simple rustic look: "Well you see it's like this way; you have to know more than the dog, or you can't learn him nothin'."—Ex.

#### Settled Now at Kerkhoven.

J. B. Jacobson arrived here from Penneck the first of the week to take charge of the furniture store, which he purchased some time ago of M. L. Egerstrom. His family will remain in Penneck until the end of the present school year. We believe Mr. Jacobson will prove a valuable addition to the business circles of our village and extend to him a hearty welcome.—Kerkhoven Banner.

#### At the Willmar Hospital.

Mr. and Mrs. Geo. F. Peterson of Russell, N. D., arrived here Sunday morning for a visit at the Nels Christenson home and with Mr. Peterson's folks in Fahlan. Mrs. Peterson went to Willmar Monday where she will remain at the Willmar hospital for some time and undergo treatments.—Atwater Press.

#### Thorval Mathiason, aged sixty, of Glenwood was killed in the 500 yards at that place last week. He was employed at shoveling snow in the yards, and was muffled up on account of the cold, making it very difficult for him to hear. A switch engine backed down the track, which he was working, and ran him down.

#### SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapepsin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache. Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation, due to excessive acids in stomach.

#### Prinsburg Growing.

E. J. Roelofs, our hustling merchant recently took the census of our thriving burg and found that we have within our limits 81 souls, 18 buildings besides the lumber yard. With the prospects of three or four business places going up this summer and a co-operative creamery organized will make Prinsburg a busy place indeed.—Raymond News.

The village of Darwin is to enjoy a building boom this spring. Three new residences and a garage are to be erected, and the chances are at least two more residences will be built.

## Shake Off That Grip

When Spring comes, with its changeable weather and your exposure, it is best to clear away all the symptoms left after an attack of grip. That evil disease leaves you weakened, and when its victim attempts to "do his bit" he exposes himself to the risk of a second attack, for which he is less prepared, and which may have graver consequences.

### There's Danger in Delay

April and May are pneumonia months. In this time a weak-end system is a constant source of danger, for the pneumonia and grip infections are in the air, and after a long winter the body is so clogged with waste it cannot resist them. Fortify the health, remove the catarrh, and improve the digestion.

### For Quick Relief PERUNA

This reliable tonic is recommended to remove the waste from the body, counteract the catarrhal poisons and allay the inflammation that is catarrh, restore the regular appetite and tone up the entire system to resist disease. A well man is safe. As a tonic after grip it has won many commendations, while its effectiveness in catarrhal conditions is unquestioned. Take no chances—Take Peruna.

Peruna Tablets are always ready to take. You may carry a box with you and ward off colds and chills. The liquid medicine in your home is a great safeguard. Protect your family.

The Peruna Company, Columbus, Ohio

## Roller Feed Grinding Outfit

The new up-to-the-minute roller process of grinding feed saves you one-half of what it now costs you to feed your stock. Will grind twice as fast with same power, as the best burr or stone mill ever made and does not heat the food. Has great capacity, very simple, grinds fine or coarse, requires little power, has no burrs or other parts to be constantly wearing out, also grinds corn, malt and grain. Will last a life-time. Made in all sizes from smallest to the largest. Sold with or without engine. Big money in custom grinding. The Roller Feed Grinding Outfit. Mill Way is the only way.

R. R. Howell & Co. MANUFACTURERS MINNEAPOLIS, MINN. Carried in stock in your town and exclusively by S. E. STANSBERRY AGENT

#### Mother and Children Perish in Fire.

Coroner H. A. Hamre was called to Canby Monday night to inquire into the death of Mrs. Sander Peterson and her two children, three and four years of age. Shortly after six o'clock neighbors discovered that their house, located five miles southwest of Canby, was on fire. When they arrived they did not immediately discover that there was anyone within the burning building. Mr. Peterson had driven to his mother's place about five miles north on an errand and was absent at the time. It is supposed that the woman had been to the barn doing chores and that the children had been left in the house and that they had had some mishap with the fire and that the mother, when she discovered the fire, rushed into the house to rescue the children. The fact that the door was open leads to this conjecture. The result evidently was that in her effort to save the children she was overcome. Her body, burned to a crisp, was found in the cellar, evidently having dropped thru with the burning floor. The remains of the children were found near the wall of one of the rooms cluttered in each other's arms.—Granite Falls Journal.

#### MOTHERS

Should see that the whole family take at least three or four doses of a thoro, purifying system, cleaning medicine this spring. Now is the time. The family will be healthier, happier and get along better if the blood is given a thoro purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system driven away. Hollister's Rocky Mountain Tea is the very best and surest Spring Remedy to take. Get it at once and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy. The best spring tonic-laxative, purifier.—Carlson Bros.

#### DASSEL ANCHOR.

Mr. and Mrs. O. E. Osberg spent the first of the week at Atwater with the latter's parents. Miss Thompson of Atwater has accepted the position as clerk at the And. Olson & Co.'s store. Miss Hazel Haglund, who is teaching near Atwater, spent Saturday and Sunday with her parents south of town.—Dassel Anchor.

## Sore Throat

"You may not look upon it seriously, but a sore throat indicates a weakness in the bronchial tubes. If neglected it may soon develop into some chronic complaint.

People who are troubled in this way are most susceptible to influenza, contract pneumonia readily, and fall easy victims to consumption.

To remove this irritation, soothe and heal the inflamed membrane, there is nothing equal to

## Chamberlain's Cough Remedy

It gives tone to the weakened tissues of the throat, strengthens the bronchial tubes, and at the same time builds up the system. When the throat is healthy, influenza or consumption germs cannot obtain a foothold. Above all things never neglect a child's throat, for it may mean years of suffering for it in after years.

Yours for Health — Chamberlain's

#### Adopt New System.

The clothing firm of Hoaglund and Diefendorf have adopted the McCaskey One Writing system of keeping their book accounts. This system has been in use for a number of years among leading merchants in the large cities and is universally endorsed. In addition to furnishing an itemized statement with each purchase, the accounts are kept in a fire proof cabinet. Eight hundred accounts may be filed in the cabinet.

#### RAYMOND NEWS.

Mr. and Mrs. H. B. Peterson left for Atwater Saturday, where they intend to visit with their relatives and friends. Contractor J. H. Otson of Willmar was here last Friday, to look the work over that is done by his crew at the school house. Geo. Bros. who have farmed on the H. Remmed farm south of Atwater the past years, returned and will go farming east of town.—Raymond News.

Notice to the Public of Willmar and Vicinity. I have moved from my former place of shoe repairing business to the Shoe Hospital, 314 Benson Avenue, where I shall be pleased to meet all my old customers as well as new ones. First class work in the shortest possible time. Prices reasonable, consistent with the high cost of raw material. Phone 746. Shoes called for and delivered when desired. P. OLSON.
