FARMERS ORGANIZATION HAS BIG PICNIC

Hundred Autos Line Spicer Village Park—Randall Speaker.

A very large crowd of Kandiyohi county farmers with their families were present at the Farmers' Non-Partisan League picnic at Spicer last Friday. The day was ideal and many from the more remote parts of the county were there. The speaker of the day was Mr. Randall, one of the organizers of the League. He was introduced by Gabriel Stone of Lake Andrew. Mr. Randall is a forceful speaker and brought home his points in a sledge hammer fashion.

The one big object of the league is to secure an honest terminal market for the farmer. The league is as far as possible the food speculators and the grain gamblers. That the League's purpose is a just one no one can deny for we all know that there has grown up in this country a system by which a few men who neither produce nor distribute amass fortunes on the products of the soil by pure speculation and manipulation of the markets. The League would have the state establish a more direct route from the producer to the consumer, forcing out the speculators of food and land into productive industry where they would be a benefit to the nation rather than as now "potato bugs" on society.

Nick Downum the assessor was seen around here making his call. Mrs. William Damhof spent Friday at the home of her mother, Mrs. R. Roelofs of Prinsburg. Mr. and Mrs. John Zuidema and family arrived on Mr. and Mrs. Albert Knoll and family were on their way to enjoy fishing last Wednesday but in turning a corner, at high speed, the wind played havoc with their car and it turned turtle into the ditch. All were badly frightened and shaken up but no serious injuries sustained. D. Dekker who has been ill is reported to be improving at this writing.

Angie Damhof returned to her home last week after a several weeks' visit in Pease. Mrs. Jacob Bulthuis visited at the Edward Williams home Friday. Mr. and Mrs. H. Brouwer and Mrs. S. B. Dykema called on Mr. and Mrs. Elko Bulthuis Tuesday afternoon. Mr. and Mrs. Jacob Damhof were entertained for dinner at the John Damhof home Sunday.

NEWS FROM THE TRAINING CAMPS

Two Letters From Kandiyohi County Boys of Interest to Our Readers.

June 10, 1917. Dear Sir: Army life certainly is great and I wouldn't trade with any one. Here are some facts about it which I am sure you will think very interesting and worth knowing. To handle one of the 12 inch guns and a shell without the powder weighing 1055 lbs. is one of the pleasures enjoyed here and it is some fun, believe me. Those guns are our rifles, though we don't brag much of them. They drill us pretty hard nowadays and I can't see the reason either. They are pretty strict too, for some reason or other, but yet they treat us fine all the time. The amount of exercise or drilling has increased at a tremendous rate and I am wondering where they will stop. After such exercises is the time when "goodies" from home taste the best. Cakes and candy cannot be eaten. Expenses are high here too even though the fellows work for Uncle Sam but next pay day I expect to lay aside some "dough" besides our regular "allowance" we have to make out for 100 yards, and that is no small distance. Whenever it is possible we all rush for the lake and stay in as long as we can. The water was pretty cold yesterday so we couldn't go in but we make up for that time in pretty ways and last Saturday we had inspection day. We were all on the parade grounds and examined, and the major said that our company was the cleanest of the bunch. He said he was going to let us take a trip to Panama for a few months and believe me that is just what I want. Then I can see some of the country but some of the fellows think it is only a joke. He is talking, I hope it isn't. We go to church almost whenever we want to. I am going to apply for a pass now so that I can go to Newport with the boys who intend to go. The boys here are getting the Tribune and it is fine to get the news from home, you bet.

Last week it was foggy all the time and it certainly was hard to keep our rifles clean. The fog settles all over the gun and if you leave it stay it makes a smooth rust that is pretty hard to get off. I cleaned it up one night and the next morning it was as bad as before and covered with rust. We have to keep our rifles clean all the time, you bet, and it is a job. I have kept busy all the time. I received some pictures of guns that I sent home when I did. We aren't allowed to have a kodak here without permission from Washington, D. C. The authorities are mighty strict about letting pictures of the guns, etc., go from here. Those guns do make some noise and the first one that went off almost shook me off my feet. I could hear the noise an hour after it was shot. We practice every morning now days but we only use dummy shells and canvas sacks filled with sand but they are just as heavy as the real shell and, believe me, well, believe me, it is close for this time because of lack of move news.

Yours truly, ROY-DANIELSON.

Albert Erickson of Kandiyohi, 15th Field Artillery, Battery D, Syracuse, N. Y., writes to Willmar friends:

I was sent out of Minneapolis to St. Louis where I stayed for a week, and then El Paso, where the boys and we remained for three weeks when we were ordered to move to Syracuse, N. Y. I understand Ralph Hoyt is here also but I do not know where he is. We were on the road seven days from Texas to Syracuse, and I have seen a little part of it now. We get up at 5:30 in the morning and drill until about four o'clock, when we have our horses to take care of. We have supper at five thirty o'clock. Then we are thru for the rest of the day. We get good stuff to eat but no butter on our bread, but that don't bother me any.

There is only one Minnesota boy I know of besides myself in this field artillery and he is from the southern part of the state. If we go to France it is hard to say, we may go soon and we may never go. We do not know anything about that. We were only a few days in advance when we moved from Texas and that could not be near as important as going across to France. Everyone here down to the man is eager and willing to go to France.

Midsummer Picnic at New London. Owing to the fact that Midsummer Day comes on Sunday this year, the Swedish Lutheran congregation at New London will have their annual midsummer picnic on Saturday, June 23. Services at the church at 11 a. m., after which dinner will be served in the church basement. All are welcome.

Svea at New London. The Svea base ball team is scheduled to play a game Thursday afternoon at the new New London grounds with their local team.

Fifteen friends of Mr. and Mrs. B. A. Bjornberg were entertained at their home on Thursday evening, it being their first wedding anniversary. A delicious supper was served and a pleasant evening enjoyed.

Mr. and Mrs. Fred Bohne and Mr. and Mrs. J. A. Bohne left Saturday morning for Frazee where they will visit at the home of their parents, Mr. and Mrs. J. Johnson.

Ruben and William Ekander left last Friday evening for Billings, Mont. at which place they expect to be employed during the summer months.
