JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Willmar Citizen's Experience. Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now suppose you had a bad back, a lame, weak, or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from faraway places. It's different when the endorsement comes from home. Easy to prove local testimony. Read this Willmar case: J. H. Taylor, train dispatcher, 109 Bertha St., says: "I was troubled by my kidneys for about two years. Sitting in one position for such long periods, no doubt, caused the trouble. My head ached and I felt dizzy. I didn't have any ambition. After doctoring a great deal, to no avail, I used Doan's Kidney Pills and they cured me." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Taylor. Foster-Milburn Co., Props., Buffalo, N. Y. (Paid advertisement.)

THE GOOD JUDGE TELLS WHICH IS BETTER, AND WHY IT IS. JUDGE, HE PAID 10 CENTS FOR HIS TOBACCO, I PAID 10 CENTS FOR MINE—WHICH DO YOU IMAGINE IS BETTER? JUDGE, OF COURSE! W-B CUT TOBACCO COMES IN SMALL PACKAGES, WHILE CHEAP ORDINARY TOBACCO COMES IN BIG BAGS. A good many people are looking into what makes men change over to W-B CUT and stick to it so. Tobacco is tobacco, but all chewing, isn't all tobacco. You don't have gummy excess sweetening to chew out of W-B CUT, before you get down to satisfaction. The shreds are tobacco, through and through—and the richest, sappiest tobacco that grows. You notice the difference at once—W-B CUT goes twice as far as ordinary plug.
