### AUCTION SALE

On account of quarantines Delano could not come to Willmar Friday night for a game. It was substituted with the local Legion post, thus robbing the M. S. of a victory. The High School played well but their opponents greatly outclassed them. The game was a contest of phantoms and Roy Christian, though guarded violently professed himself to be one of the victors. He and his team were valiantly protesting themselves too much (in both size and quality) for their opponents, the former making ten field goals. Roy Christian was right there on the jump and no worse at making baskets. Treblcock played a whole of a game at guard and Rob Johnson was the star forwarder.
