WILLMAR ELECTRIC SERVICE COMPANY

Show Room with Demonstrating Plants Now Being Equipped on Benson Avenue.

Messrs. Chapin and Bigham are busy this week fitting up the location for their new electric business in the Rodlun building they recently purchased on Benson ave. They have employed Geo. Hackensack and Ward Wheeler, two experienced electricians, and there will be no job too large or too small for these men to handle. The building is being wired for demonstrations of both 110 and 220 volt accessories and a Western Electric farm light and power outfit and double unit Perfection motor are being installed in the show room. The firm name of this new concern is already fairly well known as the Willmar Electric Service Co., and they appear to be laying a broad foundation for a big business in this new rapidly developing line.

Theodore Sampson visited his parents at Litchfield last Monday afternoon.

FOXY GRANDPA STORY ON MAY 12TH.

Richard Olson received a shipment of a carload of feeding stock last week from South St. Paul.

Oscar Rossell had the misfortune of sustaining a very painful injury last Wednesday afternoon, while employed in tearing down an old barn on the Hanson Brothers place in Danielson township. He was struck on the top of his head by a piece of timber which fell about 12 feet which cut a gash in his head about 4 inches long and he was unconscious for about one-half hour. Mr. Rossell is employed with the Hallborn Brothers Construction Co. He is getting along nicely at this writing.

The local High School boys defeated the Kerkhoven team in a game of baseball here last Saturday afternoon by a score of 12 to 7. Gorton Anderson and Dillon Peterson were the batteries for the local boys.

Several from here will attend the Theodore Moll and Amanda Lemke wedding which takes place next Thursday evening at 7:30 o'clock at St. Cloud.

Next Thursday, Friday and Saturday nights, April 29 and 30th and May 1st, the Senior Class play, "Cranberry Corners," will be staged in the local town hall. Thursday night will be set aside for school children, while Friday and Saturday nights will be especially for adults. Excepting Thursday night, when children will be admitted at 15c each, a general admission fee of 50c will be charged. Those taking part in the play are sparing neither time nor effort in making it the best ever. Furthermore, Cranberry Corners is

Mrs. Venfred Larson returned Sunday evening from a visit at St. Paul. Rev. L. C. Benson of Willmar was here last Friday in the interest of the Interchurch Movement.

W. J. McDermott of Kandiyohi is here this week moving the residence on the Strong lot, which was sold to the Atwater Creamery, to another lot in the northern part of the village.

Fred Holm, formerly of this place but now of No. Dakota, passed thru here today by automobile while en route for Litchfield.

The local High School baseball nine were defeated here last Wednesday afternoon by the Grove City High School boys by a score of 5 to 4.

Henry Stene has sold the old mercantile store building to G. A. Stark who is making the same into a hardware store.

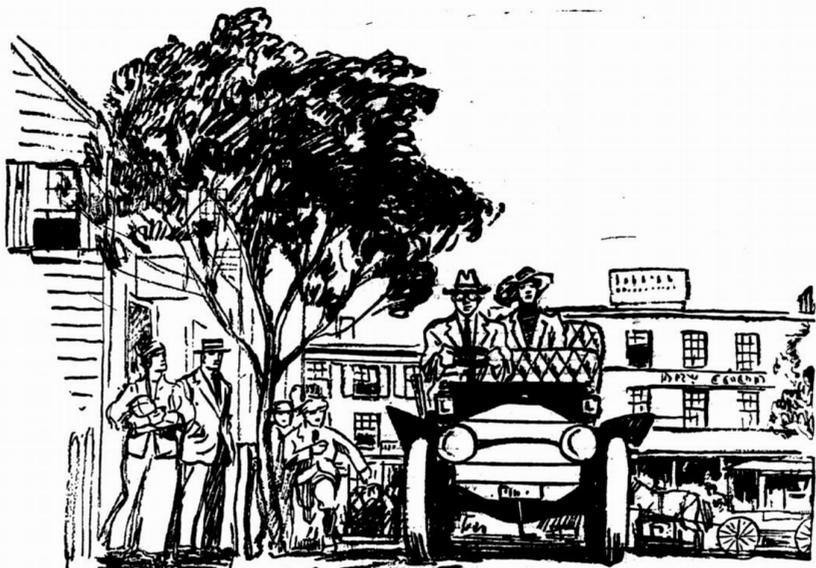

Rev. Philip Broberg of St. Paul and Rev. Herman of Litchfield visited at the Rev. M. LeVander home one day last week.

Miss Lillie G. Johnson left Saturday morning for a week's visit in the Twin Cities.

Miss Cecelia Olson entertained sewing club at the Mrs. Anna Feig home one evening last week. Fifteen members attended and an enjoyable evening was spent.

Miss Emma Haber spent the week-end visiting in the Twin Cities.

J. S. Peterson spent Sunday visiting his mother and his sister, Mrs. F. A. McMillen at St. Paul.

Remember when the first automobile came to town

TODAY there are more than 7,000,000 of them in the country. Pretty soon nearly everybody in this section will be traveling around in his own automobile

that we sold them to you.

U. S. Tires have a record behind them.

They are built by the people who perfected the first straight side automobile tire, who produced the first pneumatic truck tire.

Two of the greatest contributions to tire and motor economy ever made.

As representatives of the oldest and largest rubber concern in the world, we have a reputation to live up to. We can't afford to substitute "just as good" tires for tires of standard quality.

The first thing a man wants to know nowadays, when he starts out to buy a car, is how much it is going to cost him to keep it running.

It's all very well to take some dealer's word about a tire—if you know who he is and his object in selling it to you.

Our object in selling U. S. Tires is to have you come back for more—and be glad

Something New for Something Old

We have just made a special deal with the manufacturers, and if your old separator is getting worn, is too small, or if you made a mistake in buying a cheap separator which does not skim clean, we can give you a good price for your old machine in part payment on a

Great Western Separator

if you will come in and see us at once while this offer holds good. The Great Western separator skims full capacity in either cold or warm milk and gets all the butter fat. It is simple in construction, runs easy on adjustable ball bearings. It is easy to keep clean and sanitary. All this is proven by years of satisfactory service.
