WILLMAR'S CLOSE- IN FINE NEW RES- DENCE ADDITION

New Project is Attractive to Public and Many Inquiries are Being Made Regarding Time of Sale

Willmar is to have a beautiful new restricted residence addition in the south part of the city, as a result of operations now under way to develop Hanson's Addition. While the grading and other permanent improvements planned for the beautification of this small but extremely high class addition are moving along rapidly under the supervision of experts in this line of work, much interest has already been manifested by those wishing to take advantage of the sale. Inquiries as to the date when the actual selling will begin are being made daily.

The downtown headquarters of the sales company will open at 212 4th Street West tomorrow. The property is only six blocks from the business district, and will appeal to many home-seekers and investors here who are in search of high grade

property. With sewer and water already in and within easy reach, and the scarcity of desirable building lots in the city, values there will increase rapidly. A surveyor is busy staking out with white stakes these large 50 ft. lots on south First, Third, Fourth and Fifth Streets, and street signs are being erected at the street intersections showing the names and numbers of the streets on same.

This location has always been considered by the residents here as the best available building site in Willmar, and the opening of these desirable building sites will mark a new development in the growth of the city.

Card of Thanks

To all those who so kindly and nobly gave their assistance during the hours of suffering of our late dear and beloved wife and mother, we hereby extend our heartfelt thanks. We are also so very grateful to the large host of friends who by their presence at the funeral showed their sympathy in our sad bereavement—also for the many beautiful floral offerings.

Kahmeyer-Moll
As one of the social events of the week we record the marriage of Miss Ida Moll daughter of Mr. and Mrs. John Moll of Atwater and John Kahmeyer, son of Mr. and Mrs. F. H. Kay-

meyer also of the village of Atwater. The wedding rites were solemnized at the German Lutheran church on the evening of June 17th at seven-thirty o'clock, the officiating pastor being Rev. F. C. Rathert of that church. Guests to the number of sixty were in attendance at the ceremony and throngs out the day visited the newlyweds. The young lady was gown in white georgette and carried a shower bouquet of bride's roses and sweet peas. She was accompanied thru the ceremony by the bride's maid, Mrs. Theodore Moll of St. Cloud who was attired in white satin and georgette and carried pink carnations. Miss Erna Moll was the Maid of Honor and is a sister of the bride. She likewise carried pink carnations. The groomsmen were Theodore Moll a cousin of the bride and Bernard Kahmeyer, a brother of the groom, who acted as best man. Miss Erna, the maid of honor wore a gown of crepe de chine. A three course dinner was served to the guests at the home of the bride where the rooms of the reception were prettily decorated. The living room was beautified for the occasion with pink and white color schemes and the dining room in green and white. Among the guests there were a number from a distance: Mr. and Mrs. F. H. Kahmeyer, Mr. and Mrs. G. H. Kahmeyer, William Moll and daughter Adeline and Mr. and Mrs. Theodore Moll of St. Cloud. The groom is an enterprising jeweler in the village of Atwater and has the

good wishes and good will of all his friends and congratulations for his choice of a life partner. The Tribune joins in expressing its congratulations.

Two Future Voters Arrive
Two suffragettes arrived at the home of Alderman C. J. Freeberg on primary election night. The little twin girls are doing nicely and all is well, reports Carl, who wears a smile that does not come off.

Former Iowa People Fhaternize
On Friday evening, June 18, at the home of Mr. and Mrs. Bengtson on West Fifteenth Street, a pleasant evening was spent by a number of people who have located at or near Willmar, whose former residence was Madrid, Iowa. About seventy persons attended. Games on the lawn, music, singing and reading were enjoyed by those present. Ice cream, cake and coffee were served. The Madrid colony comprises a fine bunch of people.

IRVING

June 22nd.—Mrs. Ellen Norbasted left for an extended visit with her son, Andrew, last Saturday at Ryegate, Mont., by the way of Minneapolis. Emma Christianson accompanied her to Minneapolis. Susar and daughter Goldie, returned from St. Paul Park last Monday afternoon. The trip was made by car. On Thursday morning of last week the corn and also the small grain froze slightly.
