

Brunswick Principles In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture.

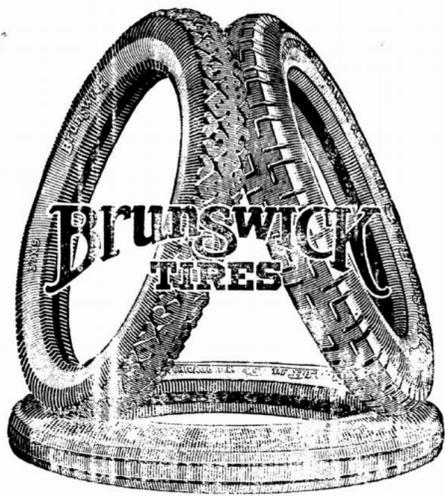

The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, jealous of its good name. Since 1845 the House of Brunswick has been famous the world over for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.

BIG CONCERT TREAT IN STORE FOR CITY

Willmar Concert Band Will Hold Grand Program Friday, July 23rd.

The local concert band will appear in grand concert in the Opera House on Friday evening, July 23rd. A long and classical program has been arranged. During the program several reels of moving pictures will be thrown on the screen. Prof. Boland and wife of the Northwestern School of Music, Minneapolis, are the special attractions on the program as they are both well known musicians, the former playing the cornet and the latter being his accomplished accompanist.

The program and further details of this event will be made public in a later issue of our paper. The admission price as decided upon now is 55 cents for all.

GREETINGS FROM BARNEY CARLSEN

In behalf of our friend, Barney Carlsen, who for years so faithfully aided in farm labor in Arctander and Lake Andrew, but now for many years has contended with the poor man's lot in Norway, I, the undersigned wish to express his appreciation and hearty thanks, thru the Willmar Tribune, to his many friends in the above named townships and elsewhere for the gift you have sent him thru me to help him to acquire the most necessities of life.

Up to date the total you have sent thru me to our ill-fated friend is about 400 kr.

That God in His infinite mercy and love may bless you for time and eternity for your kind remembrance of him is Barney Carlsen's sincere wish for you all.

S. HATLESTAD,
Norway Lake, July 5, 1920.

THE 48 CONVENTION

As the delegates to the Chicago convention of the Committee of 48 are preparing to assemble at the Morrison Hotel on July 10th, a referendum in true democratic style is being taken on party candidates and party name. The votes tabulated to date show La Follette in the lead with Hiram Johnson, Governor Frazier of N. D., Amos Pinchot of New York and Frank P. Walsh of Kansas City also generously supported. On party name there is a wide divergence of opinion, over a hundred names being suggested. "American party" holds the preference, with the names "Progressive," "Liberal," "Peoples," and "Constitutional" following in the order named.

LAKE ANDREW

July 5th.—Rain and rain and more rain. Don't forget that rain coat and your rubbers.

The funeral of Mrs. H. A. Halvorson takes place tomorrow.

A pretty home wedding took place at Mr. and Mrs. John Nelson's home when their daughter, Aeda, was united in marriage to Roy J. Johnson. Mr. Johnson is the son of one of the early pioneer girls, Thilda Heden.

Henry Severson and family and Lawrence Larson and family took the Ford route over to Stranberg, S. D.

Some young people of Thief River Falls and the Beres young people of Eagle Lake spent the Fourth with their cousins at the home of Mrs. Hakon Willie Quam has just completed the cement foundation for G. Stene's new house and leaves behind him a satisfactory job.

Fred Nelson is getting along nicely with the new barn at Carl Danielson's. Erick Roisum and family of Minneapolis has spent the Fourth with friends at Norway Lake.

Mr. and Mrs. Axel Gerdhammer of Belgrade spent the Fourth at A. H. Gordhamer's place.

Martin Walby started with the construction of G. Stene's house today. J. S. Christenson and family enjoys a visit of St. Paul relatives.

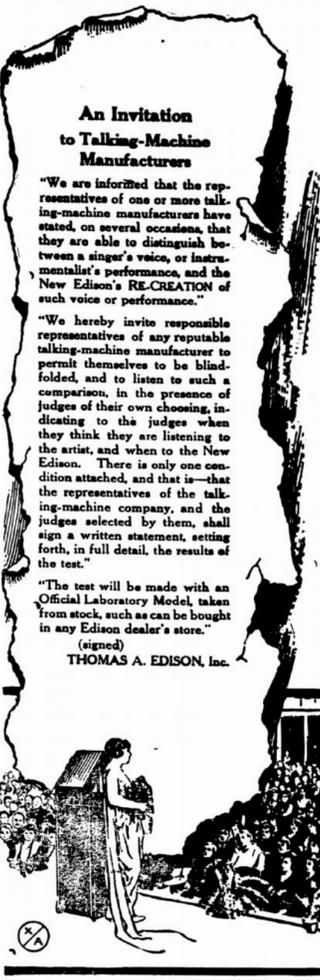

Constable Mike Shields is nicely located in his new home on the Norway Lake shore.

A heavy hail storm passed over here last Thursday. Jacob Foshaug had 36 window lights broken and heavy damage done in his crop. And many others suffered damages in their crops.

ATWATER

Read this challenge—

by the Edison Laboratories, and come in to hear the phonograph which stands behind it.

An Invitation to Talking-Machine Manufacturers

"We are informed that the representatives of one or more talking-machine manufacturers have stated, on several occasions, that they are able to distinguish between a singer's voice, or instrument's performance, and the New Edison's RE-CREATION of such voice or performance."

"We hereby invite responsible representatives of any reputable talking-machine manufacturer to permit themselves to be blindfolded, and to listen to such a comparison, in the presence of judges of their own choosing, indicating to the judges when they think they are listening to the artist, and when to the New Edison. There is only one condition attached, and that is—that the representatives of the talking-machine company, and the judges selected by them, shall sign a written statement, setting forth, in full detail, the results of the test."

"The test will be made with an Official Laboratory Model, taken from stock, such as can be bought in any Edison dealer's store."

(signed)
THOMAS A. EDISON, Inc.

We have it in our store—the Official Laboratory Model specified in the challenge.

Read the "Invitation to Talking-Machine Manufacturers." It's printed here, just as the Edison Laboratories sent it out.

The NEW EDISON

"The Phonograph with a Soul"

The Official Laboratory Model has proved its Realism in 4000 Comparison Tests, made before 3,500,000 people all over the United States and Canada. For instance, in Los Angeles recently, an audience of 1,500 people was unable to tell the difference between the living voice of Miss Marie Morrissey, world-famous contralto, and its RE-CREATION by the New Edison.

There's a way for you to test the wonderful Realism claimed for the Official Laboratory Model in this sweeping challenge. We give Mr. Edison's Realism Test. Come in and let us give it to you.

The price of the new Edison has advanced less than 15% since August 1, 1914. Mr. Edison has absorbed the bulk of the increased cost of material, skilled labor, and taxes. He is determined to keep the New Edison within the reach of everyone. But conditions may force a price advance. Buy your New Edison now! Our Budget Plan makes it easy. It is system applied to spending. Ask about it.
