

Try One Brunswick Then Decide

The best way to know for yourself the superiority of the Brunswick Tire is to buy one and compare it.

That is, if the very name of Brunswick isn't sufficient proof to you, as it is to most men, that there is an extraordinary tire.

Thousands of men who have known the name of Brunswick for years, realize that a Brunswick Tire has to be the best—for a mediocre product could never bear this historic name.

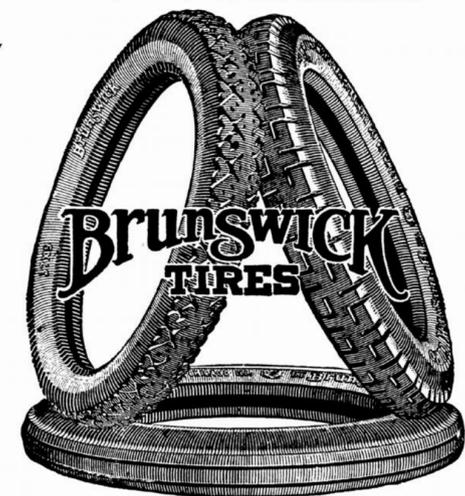

Long before the Overland Trail became famous, the House of Brunswick was established. It was one of the chief users of rubber for fifty years before automobiles came into use.

No concern with such a history could afford to offer anything but the best. For reputations are built slowly, but can be quickly destroyed.

This is a practical guarantee that Brunswick Tires offer more than the usual, yet at no added cost.

Get your first one now. You'll not be satisfied until you have ALL Brunswicks.

The Finance Committee reported the foregoing bills back approved in the amounts stated.

Alderman Hoaglund offered the following resolution which was adopted by the following vote: "Ayes," 6; "noes," none.

Resolution. Be it resolved by the City Council of City of Willmar that City Clerk be, and he hereby is, authorized to issue warrants against the respective funds in payment of the foregoing approved bills.

Approved June 28th, 1920. VICTOR E. LAWSON, Mayor.

In the matter of hearing set for this meeting for changing the grade at the request of property owners affected, at some points on the Trott Avenue, East, grading improvements, petitioned for by J. Melvin Johnson, Olof A. Ferring and others, the said hearing was now declared open, but owing to the absence of the City Engineer this hearing was, on motion, continued till the next regular meeting, or to a special meeting to be called after the Engineer returns.

(A number of property owners interested in said matter were present.) John Holmdahl and Hans Swanson, the owners of the land that they have platted for the Lakeside Addition (West and Northwest of Sperry's addition) were present, which matter was brought up at the last meeting.

After some discussion about the said plat, with the grade of certain streets, Alderman Frøberg offered the following resolution which was adopted by the following vote: "Ayes," 6; "noes," none.

Resolution. Be it resolved, that the plat of Lakeside Addition to the City of Willmar, prepared by Engineer Rowat and now on file with the City Clerk be and the same is hereby accepted and approved, and the dedication of the streets and avenues as shown thereon are hereby accepted, provided that First

Street as shown on plat will be dedicated at a seventy (70) foot width with a sewer plat conforming to the opposite First Street on Third (3rd) Ward, and Lakeside avenue dedicated at Sixty (60) foot width.

Approved June 28th, 1920. V. E. LAWSON, Mayor.

J. W. Erickson appeared and made complaints of the condition of 11th Street South.

F. G. Handy and Geo. Otterness spoke about the main approaches to the City.

The Mayor told about the road that would not be opened from Sperry's Addition and East to the main State Highway, and stated that the Town Board of Willmar had now agreed to build their part of said road.

Water and Light Board. Water and Light Board appeared and after purchasing a "coal conveyer" and other means of transferring coal to the plant. It was suggested that it would, perhaps, be feasible to build a spur track from the railroad yard and South on 6th Street.

Alderman Jensen, N. P. Nelson and Hoaglund were appointed as a Committee from the Council to look into said matter in conjunction with the Water and Light Board.

O. A. Norman was on motion, appointed as Commissioner for making assessments for the grading improvements on Trott avenue, East, between 4th and 5th Streets, and on 11th Street, of Chas. Isaacson, 7th and Trott avenue, East, and South to Minnesota avenue and Julia Street from Becker avenue, East, and South to Minnesota avenue in City of Willmar, as petitioned for by J. Melvin Johnson, Olof A. Ferring and others; also for the grading of Monongalia avenue, West, from 8th Street, West, to 15th Street West, in the City of Willmar, as petitioned for by David N. Tallman, Edwin T. Sandbo and others; also for the grading of 5th Street, South, in the City of Willmar, from Minnesota avenue and South to Kandiyoivi avenue, as petitioned for by David N. Tallman, E. T. Sandbo and others.

The contract bond of J. H. Wiggins Co., for water main extensions, awarded to said firm at the last meeting, was, on motion, fixed at \$2,000.

A petition for a sewer on Campbell avenue, First Ward, signed by Chris. Pederson, L. J. Johnson and others was presented, and it was ordered that an estimate be prepared for such an extension.

The City Attorney reported on the two petitions for street grading of Swain Oakleaf, R. S. Danielson, K. E. Berg and others for the grading of all of Park avenue, (First Ward) and Woodland avenue, and petition of Harvey V. McCreary, Westenberg and others for the grading of 5th Street, East, from Augusta avenue and South to Olena avenue, which were referred to him at the last meeting and stated that the said petitions were proper in form and had the required number of signers.

Alderman Frøberg offered the following resolution which was unanimously adopted.

Resolution. Whereas, Harvey V. McIntire, A. Westberg and others have presented to the City Council of the City of Willmar, Minnesota, a duly verified petition praying for the grading of 5th Street, East, from Augusta avenue and South to Olena avenue in the City of Willmar, and

Whereas, it appears that said petition is proper in form and execution and has the required number of signers representing the property owners abutting upon the proposed improvement, which property may be assessed therefor.

Therefore, Resolved, that the City Council hereby declares its purpose and intention to assess the cost of abutting upon that part of 5th Street, East, from Augusta avenue to Olena avenue, and any other property that may be benefitted by the grading of said street, for the purpose of paying the cost and expense of such improvement.

Resolved, Further, that the City Council of the said City on the 12th day of July, 1920, at the hour of 8 o'clock in the evening of said day, at the Council Chambers in the City Hall of said City will hear and consider said petition and at that time and place all persons interested in the said matter may appear and be heard, and the City Clerk of said City is hereby directed to cause notice of such hearing to be given as by the Charter of said City provided.

Approved June 28th, 1920. V. E. LAWSON, Mayor.

Alderman Hoaglund presented the following resolution which was adopted by the following vote: "Ayes," 6; "noes," none.

Resolution. Whereas, Swain Oakleaf, R. S. Danielson, K. E. Berg and others have presented to the City Council of the City of Willmar a petition praying for the grading of Park avenue, from the intersection of Park avenue with Nelson avenue, North; thence West, North-west and North-west, West, and North-west, the intersection of said Woodland avenue with said Park avenue in the City of Willmar, Minnesota, thence West to the shore of Foot Lake, and

Whereas, it appears that said petition is proper in form and execution and has the required number of signers representing the requisite frontage abutting upon the proposed improvement, which property may be assessed therefor.

Therefore, Resolved, that the City Council hereby declares its purpose and intention to assess the property abutting upon those parts of Park avenue, from the intersection of Park avenue with Nelson avenue, North; and Northwest and North to the terminus of said avenue; also Woodland avenue from Park avenue to the shore of Foot Lake, as aforesaid stated, and any other property that may be benefitted by the grading of the said street, for the purpose of paying the cost and expense of such improvement.

Resolved, Further, that the City Council of the said City on the 12th day of July, 1920, at the hour of 8 o'clock in the evening of said day, at the Council Chambers in the City Hall of said City will hear and consider said petition and at that time and place all persons interested in the said matter may appear and be heard, and the City Clerk of said City is hereby directed to cause notice of such hearing to be given as by the Charter of said City provided.

Approved June 28th, 1920. V. E. LAWSON, Mayor.

John W. Olson was granted a sewer

permit for residence on Lot 33, Block 86, First Addition, to connect with the First Street, South, sewer, and Erick Elker, for residence on Lot 14, Block 6, Hanson's addition to connect with the 4th Street, South sewer; both of said permits being subject to the \$50.00 tapping fee.

On motion the action taken on application of John Swenson, at the last meeting, for a sewer permit for residence on the East fifty feet of Lots 13 and 14 of Block 7, Hanson's addition, for connecting with the Trott avenue, East, sewer in front of said lots, was rescinded, and the said application was now granted upon payment of \$13.75, in lieu of the former owner of said lots had paid towards the construction of the old Jessie Street and Trott avenue sewers.

Messrs. Handy and Fridlund of the City co-operate with the Town Board of Willmar Township in opening the road East from Sperry's addition to the main State road.

The Street Committee was requested to urge the property owners on Becker avenue, East, to have said street graded in accordance with their petition.

Requisitions for supplies from the Water and Light Department were presented, and the Clerk was instructed to order the same.

On motion the Council adjourned. V. E. LAWSON, Mayor.

WILLMAR SWAMPS DARWINITES SUNDAY

Local Nine Hangs Up Another Scalp—Rising Ball Interest

The newly organized Willmar baseball team has done great credit to itself during the first two games played this season. On Friday evening they presented Kandiyoivi with a handsome defeat and Sunday walked away with the Darwin aggregation with a score of 2 to 0 on their ground. Although a medium sized crowd watched the game the performance was interesting and well executed. Willmar used two pitchers. Roy Christian and Robert Johnson, the former pitching excellent ball for the first eight innings. Willmar made ten hits in Darwin's 7 and but 2 errors were committed during the game. The Willmar lineup was as follows:

Roy Christian, pitcher Robert Johnson, pitcher R. Anderson, first base Oring Christian, catcher E. Johnson, second base Bill Williams, center base Hartwick, third base Wm. Arneson, shortstop, Albert Nordstrom, left field Ossie Husted, left field.

MILLION DOLLAR BANDMEN COMING

Famous Band Will Give Big Concert July 28th Under Legion Auspices

The local post of the American Legion has been fortunate in booking here one of the greatest musical events of the year. The much-reputed "Million Dollar Band" which created such favorable comment here last summer will appear at the Opera House Friday afternoon and evening, July 23rd. The prices for these performances have been placed within the reach of everybody, 60 cents and 30 cents. The afternoon concert commences at 3 p. m. and the one in the evening at 8 o'clock sharp.

Harold Bachman, Director of the Million Dollar Band, has had a career which fits him admirably for the position he now holds as director of a big concert band. After graduating from college, where he specialized in music for a period of eight years, he played for several seasons on the road with different concert organizations, among which was the famous Bohusni Kyril Concert Band of Chicago. Between seasons he studied his chosen instrument, the cornet, with H. A. Vandercook of Chicago, and Mr. Vandercook counts Director Bachman as one of his most successful pupils, using his name on all his advertisements for his cornet school.

The Duluth Herald has the following compliment to pay to the ability of Director Harold Bachman: "Those who have heard the 'Million Dollar Band' at the Rex feel sure that they have seen one who is to become one of the foremost band leaders of the country. Conductor Bachman fairly dripped music from his finger tips and it is small wonder that his company of musicians did so well under his competent direction."

Among the well known members of the band who have been connected with it from its beginning, Mr. Bachman announces Robert Bruce, the Indian Cornetist and James E. Son, the march writer as special features. Erling Sodahl, of Duluth, will be featured as a violin soloist, and Graydon Lowell, of Minier, Illinois, as baritone soloist, and the band will also carry a soprano soloist this year.

Urges Use of Butter Butter production is one of the most important industries of Minnesota and is vital to the welfare of a healthy people. One pound of butter gives as much energy food as four pounds of beef or mutton or four dozen eggs and is the only edible fat which contributes the unknown substance which experiment has proven to be absolutely necessary to properly nourish the human system. Are you using butter on your table?

Dr. Harry W. Wiley, answering an inquiry in "Good Housekeeping" magazine, says: "As far as I am concerned I would never give my children oleomargarine, nut-margarine or any other substitute for butter. Butter contains a vital principle which none of its substitutes possess."

Butter is especially valuable for children. It supplies the necessary food element, milk fat, which is most palatable and easily digested form. Why not use this great food in every home? It builds body and mind, the community and the agriculture of the entire country.
