July 12th—Mrs. John Iverson and daughter Ruby returned home Saturday from a three weeks' visit with relatives at Minneapolis and Ironton.

Mr. and Mrs. E. C. Reamer and children of Thief River Falls who have been visiting with the W. W. Barber family in New London and other relatives in this vicinity returned to their home Wednesday.

A baby girl was born to Mr. and Mrs. W. D. King Tuesday morning, July 6th. It did not seem as if its stay on this earth was to be very long as at 12 o'clock that day it passed away. Besides the grief stricken parents, five sisters and one brother are left to mourn its death. Funeral services were held Wednesday afternoon at 2 o'clock at the Presbyterian church. Rev. Thomas B. Kelly of the Holiness Methodist church of Paynesville officiating. The sympathy of the entire community goes out to the bereaved family.

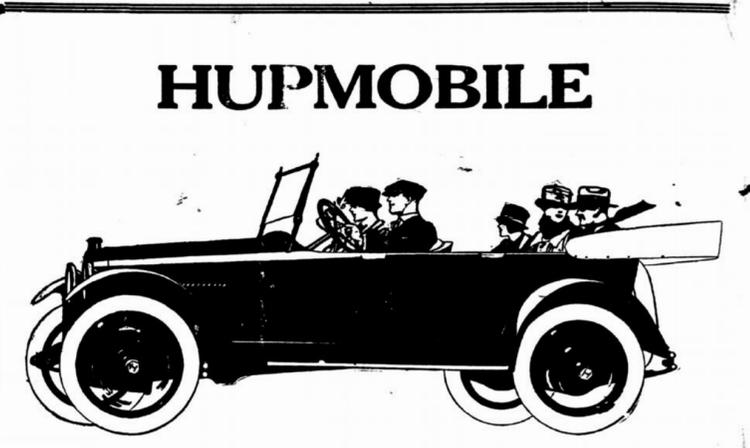

Two little hands are sweetly folded: Upon a silent breast. The little heart within has numbered Its throbs and gone to rest. Two little eyes are closed forever On earth's unholy sight. Two little cherub wings now hover In heaven's golden light. Oh, what a comfort, dear Redeemer, Thy grace and love to give, Then when life's winter day is ended We'll meet our child in heaven. Special songs were rendered by Mrs. Kelly, Mrs. Pratt and Mrs. Reed of Paynesville. The floral offerings were beautiful.

The Holiness Methodist camp meeting closed here Sunday evening, March 14th, with a service of the Holy Spirit which was spread abroad and the good truth was done eternally alone will tell. Mr. and Mrs. Campbell of Belgrade spent Sunday at the Fred Deadrick home.

Take Notice All residents of the town of Lake Lillian are hereby notified to cut all weeds within the road limits along your road according to law, or same will be cut at owner's expense. ADOLPH H. VICK, Chairman of Town Board.

Hupmobile Five Passenger Touring Car

PROBABLY most people in buying automobiles think first of economy, durability and performance.

It is natural that they should, for an automobile is first of all, an investment, the soundness of which depends upon the car's ability to deliver service at a minimum cost.

WHEN you look for the reason why "The Comfort Car" is so generally regarded as an exceptional value, you quickly discover that design is one of the foremost.

The good taste of Hupmobile design is far longer-lived than one season, or one year. It actually does make the Hupmobile a better investment.

We have cars on hand and can make immediate delivery. Come in for a demonstration.

WILLMAR, MINN.

Willmar Wins Opening Game Willmar won the first game of the season played Friday evening at the grounds at Kandiyohi. The final score showed the Willmar boys holding the long end of a tally record of 12 to 3.

Considerable fumbling and ragged playing characterized some innings, but this can be attributed to the few and short practices received by the local team. Lefty Hawley was the man for the first 4 innings for the locals, followed by Roy Christian (4 innings); Lefty Watkins (1 inning) and Joe Holmberg (2 1/2 innings). The team manager carried along plenty reserves, every player being given a chance to show his mettle. This victory is important and is an encouragement to local fandom. A good start has been made.

The Young People's Society of the Nordland church met last Sunday evening. Speeches and musical program was given and lunch was served to a large crowd.

OBITUARY

Unceasingly do the agencies of death call upon every home, now tearing the infant out of mothers' loving arms or cutting off youth in its beauty or taking away from the home that ever looked up to mother.

Ours is the lot to announce to the many readers of the Willmar Tribune the death of our aged and beloved mother and grandmother, Mrs. Margret (Thorsen) Halvorsen.

She had been ailing for years but most seriously the last year, June 25th last she was taken to a hospital at Willmar where she was successfully operated on the next day. Her case looked very hopeful till Thursday next when complications set in and ended her life at 12:00 p. m. Saturday, July 2nd.

Margret was born in Hallingdal, Norway, February 17, 1855 and thus attained at her death the age of 65 years, 4 months and 15 days. Her parents Tollof and Karl Thorsen were tenants who emigrated to this country about 1866 and settled permanently on a homestead in township of Lake Andrew, Kandiyohi. The pioneer contributions in our county at the time her youth could not give the decedent a common school education but self study she acquired the lessons of the common school and reading and writing. She was married by Rev. L. J. Markhus.

On June 18, 1881, she was married to Hans A. Halvorsen of the township on whose farm she made permanent home.

Seven children blessed this marriage, namely: Alma Malinde, Teoline, Clara Marie, Elmo and one who mourn her death. Besides these are two sons who died infants.

Her cheerful disposition, her will to all, for time and eternity long be remembered. May we be her in eternal joy never to part.
