KVALE VOLTESTANTS AND VOTE IN VOLSTEAD'S COUNTY

Bird Island, Rte. 3, July 27, 1920.

Editor Willmar Tribune:

Please favor a number of your subscribers out here by giving the names of the people who started the contest for ousting Rev. Kvale from the nomination for Congress. Also did the vote in Volstead's home county where he is best known show him to have the confidence of the people, especially the farmers? Hoping this will not be too much trouble for you to find out for us.

LAKE LILLIANITE.

This New Electric Range also Burns Coal and Wood

It gives you all the advantages of electric cooking, while the coal section—built right into the range—heats the kitchen, heats water, and serves as an auxiliary to the electric cooking top.

Estate ELECTRIC RANGES

This compact, practical combination range has important features found in no other appliance on the market. The electric and coal sections are entirely independent. They can be operated separately or simultaneously, as desired. There are three 6-inch and one 8-inch surface units in the electric cooking top; two 8-inch cooking holes in the coal section. The heating unit in the roof of the big electric bake oven serves also as a broiler.

5 Styles to Choose From

Estate Electric Ranges are the product of one of the oldest and largest stove factories in the country. In them the experience of 75 years devoted to the building of high-grade stoves and ranges is clearly revealed. 5 styles to choose from—one of which will exactly suit your requirements.

Four Exclusive Estate Features

- Quick-detachable Surface and Oven Units of Estate Iron-Clad Construction
- All-Cast-Iron Cooking Top
- Mercury Thermometer in Oven Door
- Estate Copyrighted Cooking Chart

Come in and let us show you an Estate Electric Range in action. Ask for copy of recipe booklet—"Cooking by Time and Temperature".
