

When Better Automobiles Are Built, Buick Will Build Them

THIS big seven passenger Buick Model K-49 is the ideal family car of the Buick series. Its large roomy tonneau and luxurious seats are filled with comfort.

Its finish and design combine both beauty and refinement, readily attracting the attention of those who take pride in ownership.

The Buick Valve-in-Head motor furnishes surplus power, assuring the usual Buick economical service and endurance.

These qualities of construction have increased this car's popularity to such a degree that purchasers who delay in placing their orders experience difficulty in securing desired delivery.

U-BOAT PRISONER TELLS EXPERIENCE

Richard Cannon, Chief Petty Officer of the U. S. S. Neptune, whose dramatic capture at sea by a German U-boat and subsequent experiences aboard the submarine and in a German prison hospital, thrilled the entire country, is still another world war hero to test the remarkable reconstructive power of Tanlac and give it his strong endorsement.

"When the Neptune was torpedoed off the Irish coast," said Mr. Cannon, who now lives at 707 E. LaFayette, Tampa, Fla., "I had my right leg and five ribs broken by the explosion, and when I came to my senses I found myself on board a submarine bound for Germany. I was kept in a German prison hospital for five months, and you can imagine what I must have suffered when I tell you that I fell off the weight from two hundred and twenty-five to a hundred and thirty pounds. When I was repatriated and finally got my discharge in February, 1919, I was little better than a living skeleton. I had no appetite and my digestive system was so upset that what little I did eat always gave me severe pains in the pit of my stomach. Before I joined the service I never knew what nerves were, but after what I went thru my nerves were so shattered that I couldn't keep still a minute, and the slightest thing upset me. For six months I continued in this condition, unable to pick up strength, and so weak that any attempt to work tired me out completely. I began to think that I should never be a well and strong man again. But the way Tanlac overcame my troubles and built me up was nothing short of marvelous. It gave me such an appetite that I wanted to eat all the while, and I sure did make up for lost time. I had no more bother with indigestion and from then on I picked up strength and put on weight until now I tip the beam at two hundred and four pounds and am as well and strong as I ever was before I joined the service. My nerves are as steady as a die and I'm like my old self again. Tanlac is certainly a grand medicine and I think every suffering person ought to try it."

NOBLES COUNTY SHERIFF KILLED BY BANDIT

Sheriff P. J. McCall was killed and Bill Foster was wounded severely in a gun battle with two bandits at Milona, near Worthington on Sunday and Monday. The bandits, charged with robbing a suitcase full of clothes, were captured at Milona by McCall and Foster. En route to Worthington one of the bandits opened fire, killing the sheriff and wounding Foster in the face and then escaped.

One of the bandits, a youth of about 19 years old, was arrested. A posse was hastily organized and began search for the escaped murderer. All roads are being watched. Foster and McCall went to Brewster, the first station above Worthington, in search of the men. They were informed that the two men whom they described had been put off a train there. Later the men were encountered.—Lamberton Independent.

KERKHOVEN MAN HELD UP MONDAY AND \$30 MISSING

As Walter Schmidt, of this village, was walking to Kerkhoven from the And. Jensen farm, east of town, about 5 o'clock Monday morning, three men drove up from behind in an automobile, stopped and invited him to get in and ride with them. As he started to get into the machine one of the men covered him with a revolver and demanded his valuables. While his hands were in the air another of the men went thru his pockets and took his money (about \$30) but overlooked his watch. Leaving Mr. Schmidt standing by the roadside the trio then speeded up and drove on in toward town and he thinks passed thru the village, the road that they took out of town is not known. Mr. Schmidt says the watch so licenced tag on the rear of the auto and there is little likelihood of the highwaymen being apprehended. The men were all strangers and Mr. Schmidt says he never saw any of them in the locality before.

The auto the highwaymen were driving was a large touring car. Mr. Schmidt is not sure as to just what make it was but is of the opinion that it was either a Stutz or a National. It is likely the car also was stolen. The holdup was staged on the Salem road about two miles east of town—Kerkhoven Banner.

SWIFT COUNTY REVIEW SOLD TO FARMERS

The Swift County Farmers' Publishing company, an organization recently incorporated, last week purchased the Swift County Review, a weekly newspaper published at Benson. The purchase included the plant and the building in which the review formerly operated. The building was later sold by the company to Ed Arneson and the publication will continue to be issued from the space leased to the O. P. Johnson building.

The company published their articles of incorporation in June and have since been engaged in selling stock in their concern. The management of the publication is entrusted to a board of directors of five members, and the following have been chosen to serve until the next annual meeting which is to be held the first Saturday of June in each year: President, K. Hasen; vice president, Simon E. Simonson; secretary and treasurer, J. A. Lee; directors, Christ Arneson and Alfred Flaten.

Mr. Hasen announced that the new company will take charge of the Review on August 16th.—Benson Monitor.

DON'T RISK NEGLECT

Don't neglect a constant backache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. A Willmar case. Ask your neighbor. Mrs. C. H. Lonien, 104 Litchfield Ave., says: "I always get good results when I use Doan's Kidney Pills and I can recommend them to anyone suffering from their kidneys. Now and then my back would ache and often I could not sweep or bend over when about my housework. I couldn't sleep and felt tired and nervous. The action of my kidneys was irregular and my feet and ankles would swell. A friend spoke to me about Doan's Kidney Pills being so good that I went to Carlson Bros' Drug Store and got a box. After using Doan's the trouble left entirely, but I still take a few now and then as a preventive." Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lonien had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—adv.

EXPLOSION CAUSES DEATH OF LUNCH STAND MAN

While conducting a lunch stand at the county fair at Thief River Falls, last week, Henry Schuber, brother of Mrs. John Landgraf of Canby, was fatally burned when the gasoline stove in his fair booth exploded as he was standing in front of it.

The unfortunate young man was carried to the hospital at once where the horrible burns on his face and shoulder were given every attention but the fact that he had inhaled the flames receiving internal burns, made his recovery hopeless and after suffering greatly for 24 hours he succumbed to the Grim Reaper. He retained consciousness until half an hour of his death.

Henry Schuber lived 24 years in the Canby community and for the past fifteen years he lived elsewhere. He is the son of Mrs. Knute Fallstone 5 miles north of Canby, his father having died some years ago. Besides his mother he is survived by a wife and seven year old son, one sister here and five brothers namely, Herman, Jacob, George Andrew and Joseph Schuber, who have just returned from the funeral which was held Monday afternoon at Thief River Falls.—Canby News.

LINEMAN GETS SHOCK FALLS TWENTY FEET

While making wire connections on the cross arm of a pole on the electric line near Clear Lake, S. D., Clarence Dunn, 21, who is employed with the Union Public Service Co. of Canby lost his balance and fell 20 feet to the ground, breaking his right arm at the elbow and at the wrist. Young Dunn was standing on his knees on the cross arm at the time of the accident. As he lost momentary consciousness and fell to the ground on his right arm, breaking the bones so they protruded out of the flesh several inches.

Eimer Halvorson and Lloyd Evenson who were working with him at the time, called up the doctors in Canby immediately, and Dunn was brought in by car in quick time to the city hospital here, where the fractured arm was operated on and bones reset as best they could. It was found that the bones at the wrist were smashed, the bone just above the elbow broken, and the flesh torn away badly.—Canby News.

MORGAN MAN INJURED IN AEROPLANE CRASH

Elmer E. Albrecht of Morgan, proprietor of Albrecht's Candy Shop, met with a very serious and possibly fatal injury when an aeroplane in which he was riding as a passenger, crashed to the earth after it had ascended about 200 feet at Millford, Iowa, shortly after noon Tuesday. Reports Wednesday afternoon were that he had not regained consciousness. The pilot of the machine, E. W. Nelson, of Cherokee, Iowa, a former lieutenant in the air service, was stunned and bruised, but retained consciousness shortly after he was taken to the hospital. He stated that they were about to start on a trip north of Park Rapids, Minnesota, by way of Morgan and that as they were ascending and reached a height of about 200 feet the plane struck a strange air current which threw the machine into a tail spin.—Lamberton Independent.
