CASH PRIZES READY FOR HORSE SHOE MEET

County Board Appropriates Pur- ses. Entries Coming In Gradually

Final notice is given to horse shoe boosters thruout the county to register their names at the Dodge Service Station in the city in order to participate in the county meet to be held one day during Fair week. Local enthusiasts finally prevailed over the Fair board to set aside \$25 in prizes. The first prize will be \$15 and the second \$10, both in cash. The tournament will therefore be conducted along elimination lines until all have been weeded out and only two survive for the finals.

There is yet time to enter this new sport in an official tournament and altho responses thus far have given evidence of a lively interest in the game a greater number of entries are desired in order to make competition the more keener and spirited.

The country lads should be strongly represented in the tournament and are encouraged to send in their names at once.
