BENSON DEFEATED IN ROUGH ENCOUNTER

The Willmar High School eleven took things easy in the game with Benson last Saturday and were satisfied with only seven points while holding the Bensons to a blank. The game lacked ginger and pep. Willmar trudged along making periodical spurts here and there but its playing was minus long runs, large line gains or sensational plays. The ball moved slowly in the possession of either side. Benson was somewhat more lazy in its work than Willmar and resorted to rough practices to gain a score and stop the advance of the locals. The game was characterized by much unmanly methods on the part of Benson. She freely adopted fistic tactics and other foul means to achieve a victory and hold the Willmar men who would otherwise have annexed a few more points. The only score of the game was made in the second quarter when by line plunging and mass work the oval was shoved over and goal kicked making the first and final score 7-0 in Willmar's favor. Linn made the touchdown. The only instance where Benson appeared at all dangerous was when she reached the 8 yard line but was effectively held for four downs.

Willmar got the ball. No long runs for either side marked the game. Benson attempted several forward passes and completed one or two but without netting them noticeable gains. Willmar failed to make her passes count.

Willmar had a large crowd of rooters to back up the team and if the teams lacked pep and real football spirit the crowd didn't as the cheering was pitched high throughout the game. The rough phase of the game was the means employed by Benson in a vain endeavor to score. Football is too old and established. Its rules are too well known and its standard of sportsmanship is too high to allow and tolerate any "dirty" work between High School teams where the manner of playing ought to be the cleanest. Such actions of Benson brot them nothing but the censure and criticism of followers of many football.

OBITUARY
Willford Carl Fjellman

Brief announcement of the passing of Willford Carl Fjellman, youngest son of Mr. and Mrs. P. P. Fjellman of this city was made in our last issue. We furnish herewith a more detailed writeup of the life of the young man.

Willford Carl Fjellman was born on January 27, 1900, at Duluth and had thus attained the youthful age of 26 years at his demise. During the eight months prior to his passing his health was gradually breaking down under a fatal affliction of pulmonary tuberculosis. On Monday evening, Nov. 1, at 9 o'clock his spirit passed on to the Great Beyond after months of patient suffering.

The young man had spent his earthly life at Duluth, Minn., Wisc., Wis. and at various places in North Dakota. By vocation he was a printer, in which he was very proficient.

Before departing for North Dakota he was employed in the office of the Willmar Tribune for several years. Other printers positions which he filled in North Dakota were with the Willton County Gazette and Mayville Press, and Great Falls Leader in Wisconsin. He returned home from these places early in the year 1925, being from the complaint which brot his life to its untimely close.

Besides his sorrowing parents he is survived by one brother, Alton, residing at Duluth, and two sisters, Margaret of Portland, Ore., and Mrs. Edw. Schlager of Port Townsend, Wash.

The funeral was held on Saturday afternoon at the Separatist church on 1st St. East. Swan Edlund spoke the last rites. The burial was at the four young men: Wilton Lundquist, Vernon Sandberg, Edward Johnson and Alvin Johnson. Interment was made in Fairview cemetery.

Mrs. J. J. Findley of Duluth, sister-in-law of the deceased and Alton Fjellman of Duluth, a brother of the departed were present at the funeral.

Many cherished memories remain to crown the life so brief but beloved.
