**An 8.4% Investment**  
**In Properties You Can Watch**  
 An Investment in the Preferred Stock of Northern States Power Company is made for two principal reasons. (1) safety, and (2) regularity of cash returns paid by check regularly every 90 days.  
 Money So Invested in new Preferred Stock goes directly into the properties in the form of extensions, additions and other improvements. It enables providing service for additional homes and industries, and it also enables the Company to do a larger business.  
 The Investor has the satisfaction of actually seeing his money put to work in a way that helps build up his town and contribute to the welfare and prosperity of every person in it. The cash return he receives from his investment also stays in the community instead of going outside.  
 No utility organization can afford to offer anything except a safe, reliable investment to the people of the Community it serves.
