At Fort Snelling will be found men from the two Dakotas, Nebraska, Iowa and Minnesota.

The Government will pay all expenses both of transportation and subsistence, while in training.

Members of the National Guard, Enlisted Reserve Corps, Organized Reserves, Officers Reserve Corps and ex-service men are not eligible to attend the training camp this year because the 1921 camp is for elementary training only.

The age limits are from 16 years to 35 years.
All who are interested in this matter should consult with Henry G. Young, Commander of the local American Legion Post and be further instructed as to procedure of application.

TWO GAMES WITH FORT SNELLING

Third and Fourth Games of Season to be Played Sunday and Memorial Day

The Willmar city team will be put to the test next Sunday and Monday when it will entertain the Fort Snelling baseball team in two games on the local grounds. The soldiers are known to have a crack team this year as well as last season when Willmar was thrice defeated in very interesting games. The first game ended 4 to 3 in Snelling's favor and was closely fought. The first game was played on Labor Day and the other two encounters occurred on Sept. 25 and 26.

If the Snelling squads are made up of the same men who played here last summer, some splendid games are assured. It is conceded that Willmar is playing better ball this year than last season and will meet the soldiers with confidence to at least split the double bill.

The Memorial Day game will be played at three o'clock following the parade and speaking program at the Courthouse.

REV. SORENSON OF SVEA HAS HARROWING EXPERIENCE

Has Serious Accident in Last Thursday Night's Storm. Boy is Safe

While returning from Willmar to Svea last Thursday evening about nine o'clock with his two small boys, Rev. J. B. Sorenson had a distressing accident. When opposite J. W. Saxton's place the storm broke loose and he stopped to put on the storm curtains. The fury of the storm increased and he decided to seek shelter in Saxton's yard in the lee side of some building. In backing up and making the turn into the yard, the lights on his car went out and he ran into an obstruction at the same instant that he applied the emergency brake. The sudden stop threw little Hilding against the windshield which broke and gashed the little one's throat quite badly. The father picked up the boy but did not see his injury owing to the darkness until he located Mr. Saxton who was about the barn with a lantern. Then it was discovered that the boy was bleeding badly. The father stayed the flow as well as he could until medical aid arrived. Drs. B. J. and A. F. Branton came out quickly and took the boy to the Willmar Hospital, where he was revived, and was able to return to his home on Saturday. The other son had crawled into the back seat of the car before the accident happened and was thus saved from injury.

LOCALS EMERGE SAFE BY TWO RUNS

Belgrade and Gunder Defeated on Sunday. Gunder Weakens in Eighth Inning

The Willmar city baseball team, in a game featured by several long drives quite effective hurling in pinches and Gunder's speed on the mound emerged victorious by the score of 4-2. An excellent crowd rooted Willmar on to the second game and victory of the season. The day was ideal for outdoor sport with a cooling breeze to counteract the high temperature.

As a preliminary game the All Stars of the Commercial League and Lake Lillian met in a contest the outcome of which was in favor of the All Stars by the score of 8 to 4.

Notes on Willmar

Roy Christian on the mound for Willmar had good control of the ball allowing but five hits. Four of these were singles and the last credited to Keifer in the ninth, same being a two bagger to center. Roy's mitt work in picking up hot grounders coming his way was excellent. He walked two men and struck out six.

Severinson at short despite some reverses at the outset of the game settled down, scooped up fast grounders, caught a high fly and was credited with a clean low hit over open second in the eighth inning. Seve. was the first to face the whirlwind Gunder. He met his offerings coolly and demonstrated that Gunder's fast ball when gently touched would cover territory.

Binga got two hits but had an easy time in right field as only until the first half of the ninth did he have to move after a ball. He brot the game to a close when he neatly received a high fly by A. Borgerding. Binga made two hits, one to right field and a model liner over the second sack. He shared honors with Keifer in batting.

Berry did splendid glove work at third. In batting however he hit two easily into waiting hands and fanned an equal number of times.
Keifer behind the bat again showed himself fitted for the post. No criticism. His two hits, one to right and a long drive for three bases to the North fence, were run getters.
Robinson played a good game at first, nailing down the sack in good shape. His first trip to the plate resulted in fanning but when he appeared again he slammed out a long hit good for three bases. He later scored.

Holmberg fanned once, grounded out to short, hit a safe liner thru Gunder's little kingdom and in the eighth lifted a pretty single to center field. Holmberg had little to do in a fielding way.

Sheridan had poor luck in batting as his three connections were all accommodated by the Belgrade infield.
Jurgens made a beautiful catch in the fourth of Skimland's fly far back from the first to second base running path. His fielding work was good. At bat he fanned once and hit into Belgrade gloves twice.

Willmar made eight hits and scored her runs in the fourth and seventh inning.

Notes on Belgrade

The following was Belgrade's lineup: H. Borgerding, 2b; Wurst, c; Hansen, 1b; Gunder, p; Tollefson, ss; Skimland, lf; Tarr, cf; Keifer, 3b and A. Borgerding, rf.

Gunder had everything his own way during the opening innings and cut down ten batters. His speed was feared by the Willmar batters when first initiated but later it appeared that the adage "familiarity breeds contempt" proved true. Gunder's acrobatic windup and sizzling delivery had Willmar stumped and the crowd admitted it. Yet when once acquainted with Mr. Gunder Willmar touched him for eight hits.

Wurst made some bad fumbles behind the bat. His batting was good altho most of his rappings were valueless.

Keifer's hit to center field was the feature batting of the Belgrade performance. His catch of Jurgens' hot fly in the seventh deserves mention. He contributed one of his team's two scores.

A. Borgerding gave one score to Belgrade. He made one hit and hit without effect on two occasions. His
