30.1% INCREASE IN CO. FARM TENANCY

The Director of the Census has announced, subject to correction, the following preliminary figures from the Census of Agriculture for Kandiyohi county:

In 1920 there were 2,432 farms in the county, an increase of 8.7 over 1910 when the farms numbered 2,237. 1,689 of the farms in 1920 were operated by owners or managers while in 1910, 1,666 were thus run. Here there is a slight increase of 1.4%.

Tenants in 1910 numbered 571 and in 1920 743, showing an increase in farm tenancy of 30.1 per cent. Total acreage in farm in 1910 was 463,345 and in 1920, 464,941, a small increase of 0.3 per cent.

Improved acres: 1910, 369,603 and in 1920, 360,306, a decrease of 2.5%. Farm values for the county including land and buildings were as follows: 1910, \$19,180,413 and in 1920, \$52,688,009. Here we have an increase in a period of ten years of \$33,507,596, or a percentage rise in values of 174.7 per cent.

Domestic Animals	1910	1920
Animals Reported	1910	1920
Horses	12,600	14,539
Mules	99	118
Cattle	37,613	50,370
Sheep	7,428	5,185
Swine	21,103	43,179

The above figures were secured from 2,320 farms in 1910 and 2,386 farms in 1920.

CLUB WORK PRIZES ARE AWARDED

Club Work in County Schools Exhibited and Prove Great Success of Plan

During the school year just ended, Supt. Uvin introduced club work in the schools of the county. This work was carried on in club groups in the schools and consisted of the making of specified wearing apparel and other articles, and bread making. Great interest was taken in the work.

Last Saturday, May 28th, the county contest took place at the court house in Willmar where all the articles made were exhibited. Many people from Willmar and the surrounding country viewed the exhibit and were unanimous in pronouncing it a very good display.

Miss Thompson, domestic science teacher in the Willmar schools, acted as judge. She is very competent, having had a great deal of special training and experience in the work, and did the judging scientifically and impartially.

In judging the work in the sewing project, it was divided in two groups. Group one, pupils between 10 and 13 years of age. Group two, pupils between 13 and 17 years of age, Gudrun Erickson of district 66, Irving, won first prize, Linka Njus of district 69, Arctander, second and Dorothy Haugen, district 12, Colfax, third prize in group one. In group two, Evelyn Nelson of the Svea school was awarded first prize, Hazel Ferguson, district 32, Harrison, second, and Annie VenDerVeen of district 99, Holland, third.

Smaller prizes below the third prize are also given in each group. The winners in the bread-making project were Thelma Bengtson first and Harriet Westberg second, both of Whitefield township.

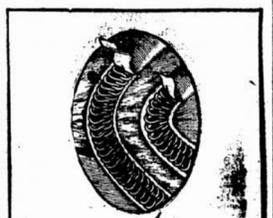

The teachers in the schools where pupils attended who won prizes in the county contest are: Ottelva Vigen, Dist. 12; Alice Korn, Dist. 32; Zilphia Nelson and Geo. Sunderland, Svea; Aurelia Disselkamp, Dist. 66; Ann Solmson, Dist. 69; Julia Vought, Dist. 99.

The Willmar Commercial Club and the four banks in Willmar cheerfully contributed money towards the prizes. The schools of the county and the county superintendent join in expressing many thanks and appreciation.

This club work which has been introduced in the schools of the county will be continued, and will prove of great practical benefit in fitting the rising generation for their work in life.

GRADUATES GIVEN POWERFUL SERMON

Rev. J. R. McCullough Urges Graduates To Choose Vocations of Service

The Baccalaureate services held at the Presbyterian church Sunday evening for the graduates of the High School were both impressive and uplifting. The graduate class gowned in the gray graduate robes were seated in the center section of the church facing the pastor. The church was occupied beyond capacity while hundreds were unable even to find standing room. The display of blooming flowers was beautifully and artistically arranged.

The program consisted of truly well rendered choral songs by the large church choir, reading of the Scriptural lesson of the day and the excellent sermon by Rev. McCullough delivered to the graduates.

Rev. McCullough in a masterful sermon counseled the graduates to found their choice of a life's occupation upon the principle of service to mankind. The pastor stated that true success and happiness is not found in the selfish ambition to acquire wealth and fame but in the glorifying knowledge that one's life has been consecrated to the aid of others. The paramount basis upon which to establish one's life's work, stated Rev. McCullough, is that of furthering God's church work in the world. This mission can be introduced and carried out in almost every walk of life and wherever an individual comes in contact with human life. The first step, the pastor asserted, is to submit oneself to an introspection to ascertain our abilities and then use these qualities honestly and for the glory of the Master. No vocation is too humble and none too royal to enlist in the Lord's army the speaker declared.

—Mr. and Mrs. Andrew Patchell and son Lancelot left on Monday for a short visit with relatives at Darwin. From there Mr. and Mrs. Patchell will leave for a stay at Rochester.

—Miss Hulda Olson left on Monday for a visit at Litchfield before leaving for her home in Escanaba, Mich. She was a guest at the J. J. Hanness home west of Willmar.

OLD CLOTHES FOR THE NEEDY

Next Monday Will Be "Bundle Day" at Willmar. Country Later

A national drive is being made by the Near East Relief to secure old clothes for the needy children in the Near East. June 6th has been designated as bundle day, and where it is possible, the people of the country are asked to have their bundles of old clothes ready on that day. But in many localities old clothes will be collected for the first two weeks in June. Specified places in this county are now being arranged to which the people in each community may bring their bundles of old clothes and leave them. Committees to care for the bundles thus left, will be stationed at each receiving point. Announcement will be made as early as possible of places at which old clothes may be left.

Next Monday, June 6th, will be Bundle Day in Willmar. Each of the public school buildings will be used as a receiving point. Committees will be at each school from nine o'clock a. m. until nine o'clock p. m. to take charge of the clothes brought in.

The following kind of garments can be used to advantage:
Coats, dresses, sweaters, skirts, blankets, petticoats, wool shirts, heavy hose, heavy wrappers, woolen gloves and mittens, boots and shoes, felt slippers, shopworn garments, children's clothes of every kind, and sheets.

Garments that cannot be used are as follows:
Laces, silks, veils, chiffons, evening dresses, satin slippers, muslin underwear, high heel shoes, of the extreme type, straw hats or frame hats.

—Oscar Augustson attended the graduation exercises at the General Hospital, Minneapolis, last Friday evening, his sister, Miss Anna, being one of the nurse graduates.

—Miss Anna Augustson of the General Hospital of Minneapolis is enjoying a two weeks vacation, visiting with relatives and friends at Willmar. Miss Augustson was a member of the graduation class for nurses at the City Hospital last week.

NEW SPRINKLING DISTRICT CREATED LAST NIGHT

Principal Streets of First Ward Will Have Dust Kept Down

Five sprinkling petitions were heard by the City Council last night, and all were acted favorably upon except some parts of First Ward where objections were made. A new district will be made up of the First ward and part of Second ward. Three filling stations were ordered constructed in First ward.

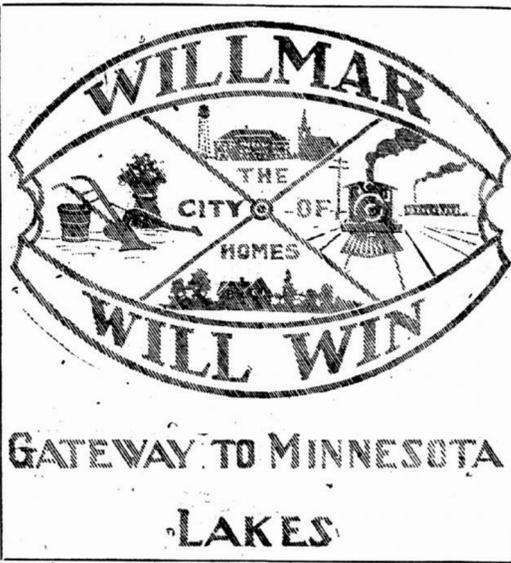

The new district will include Seventh Street North and Nelson avenue to the fairgrounds, and parts of Campbell, Gorton and Ella avenues. Other additions include 10th street, 8th st. and Trott avenue in Second ward and parts of Becker avenue and Second Street West in Third Ward. Bids for sprinkling a third district will be opened June 13, and the service will begin as soon as the new sprinkling wagon arrives.
