

RESPECTED WOMAN PASSES SUDDENLY

Mrs. Nels Balke of This City Succumbs After Bursting of Blood Vessel

Mrs. Nels Balke, the beloved wife of Nels Balke, residing at 412 Ann Street, passed away very suddenly at her home Tuesday afternoon, August 23, 1921, at about 3:15 o'clock. She had been ill for the past few years but of late had enjoyed better health than for many years. Death came unexpectedly. At noon of the day she passed away she planned an auto ride in the evening with the family. Death was caused by the bursting of a blood vessel.

Mrs. Nels (Martha Okland) Balke was born at Stordha, Norway, Aug. 6, 1878. She came to America when 13 years old with her mother. They arrived at Willmar the same year where they resided until called to the Great Beyond. Her mother died eight years ago.

The deceased was united in marriage to Nels Balke on October 10, 1903. The departed leaves to mourn her departure, her husband, four sons, Ingvald, Clarence, Maynard and Arnold, all residing at home. She is also mourned by one sister, Mrs. Alfred Gilbertson of Minneapolis, one brother, Ole Okland also of Minneapolis, and one half-brother, Martin Fixen of this city.

Mrs. Balke was a faithful member of the Lutheran Free church for many years. She was also a devoted worker of the Ladies Society and Sunday School teacher. Mrs. Balke was a good wife and mother.

The funeral was held Sunday afternoon. Services were conducted at 2 o'clock by Rev. Nicolay Nilsen at the residence and later at the Lutheran Free church. Rev. Nilsen and Rev. E. E. Gynild of Eagle Lake conducted the rites at the church. A beautiful solo was rendered by Walter Rykken. There were many beautiful floral tributes.

The pall bearers were H. J. Langager, J. T. Langager, S. T. Langager, C. A. Dahlheim, M. C. Dahl and Carl O. Iversen. The funeral was one of the largest ever held from the Lutheran Free church. The remains were buried at the Free Lutheran church cemetery west of this city.

and good will and the parishioners as well as others regret to see Rev. Stromberg leave. Rev. Stromberg requested The Tribune to extend his thanks thru our columns for co-operation and kindnesses received. He will leave with family for his new field of labor about Sept. 15.

Rev. Emil Malmstrom of Ong, Neb., will be Rev. Stromberg's successor, and will arrive when he leaves.

THROWN FROM WAGON
From time to time the unexpected will happen to someone. This time it was Wm. McBroom. He was engaged in hauling grain from his son Ed's farm three miles west of this city Friday morning and was going for a load, sitting on a seat with triple box when an auto came along at a fast clip frightening the team who shied off the grade throwing Mr. McBroom to the hard ground. The fall was a bad one, landing on his shoulder and head. One ear was nearly severed and his head cut in places and two ribs fractured. He was unconscious for some time. He had so far recovered from his terrible experience that he was able to be removed to his home Tuesday. The result of his injuries is hard to determine at this time but they are certainly serious.

On Friday as Herman Schroeder was engaged in moving a building on the J. F. Miller farm in Flora he in some unaccountable manner was hit in his stomach with the slack of the cable as it tightened suddenly knocking him backwards on his head. He was unconscious for some 24 hours. Late reports are that he is gaining slowly.—Renville Star Farmer.

CARD OF THANKS
We wish to express our heartfelt thanks to those who assisted us after the death of our beloved husband and father, also for the sympathy and kindness shown us, and for the beautiful floral offerings.
Mrs. John Ottensness and Family.

CAUGHT IN SEPARATOR BELT

A terrible accident took place late Tuesday afternoon in Cosmos which cost the life of Eddie, the thirteen-year-old son of Mr. and Mrs. Richard Heller of that town.

Threshing was being done at the farm and Eddie was at play on a wagon or truck, which had been backed to the machine for the reception of grain. The boy fell off the wagon and in falling thrust an arm forward. It caught in the fan belt and was all but torn off at the shoulder, hanging to the body only at the shoulder blades.

An artery was torn loose and the lad gradually bled to death.

A hurried trip was made to Litchfield with the boy, but as so much blood had been lost, the child died soon after reaching town.

It is quite possible that his life might have been saved if the proper application of first aid could have been made. The drive to town involved a distance of more than 25 miles and it necessarily took some time to cover the ground. The body was prepared for burial and returned to the home of the stricken parents.—Litchfield Review.

1921 STATE FAIR

M. D. Manning of Willmar Heads Pioneer Association

Old settlers who came to Minnesota Territory will rally at the Pioneer Log Cabin on the state fair grounds the week of September 5th. The Minnesota Territorial Pioneer Association built its Log Cabin in 1903, and it is one of the best known parts of the grounds and here the 4,000 families of the Association have their homecoming rallies every fall. The comfortable chairs to rest in, the big old-fashioned fireplace, so comfortable on cool days, the family pictures in antique frames and Indian relics are items of mutual interest. And everybody comes especially on Thursday of the fair, which is always Territorial Pioneer day. The Pioneer Women's Club, county societies, St. Croix Valley Old Settlers, Forty Niners, Pioneer Rivermen, Grand Army and the Pioneers' Sons and Daughters are among those scheduled for rallies and programs. The Territorial Pioneers program will be at 2 p. m., Thursday, Sept. 8, followed at 3:30 by the Veterans Hut Association. Uncle John Daubney, aged 101; Grandma Truax of Hastings, 100; Geo. F. Mortimer, who was born at Ft. Snelling in 1838, Maria Carl Bolles, Stillwater 1841, Dr. L. P. Foster, St. Anthony 1848, and Mrs. Stillwater 1849, will be guests of honor all through the fair.

This has been the biggest year in the history of the Association in the receipt of valuable contributions from prominent families now living all over the United States. Many homecoming rallies are being planned in the Twin Cities, so the old folks will be here to see their friends during the fair. The Association of Civil War Veterans will meet at the Log Cabin at 1 p. m. Wednesday, for their 34th annual reunion. The old soldiers will make this building their headquarters all day. The Territorial Pioneers gave a farewell to Frank Chaska and Mrs. Ford at Newport on March 13th and helped celebrate the 63rd anniversary of the adoption of the Good Templar platform now the 18th amendment to the constitution of the United States) at Hastings on May 19th. Among the active workers who died this year are Wm. B. Reed and John H. Hone of Hastings, Judge W. H. Adams, Minneapolis, N. Schofield, Newport, Geo. C. Canfield, Brownston, and Geo. A. Brackett of Minneapolis.

The present officers are M. D. Manning, Willmar, president; Lyman D. Baird, Austin, 1st Vice; Ernest C. Hospes, Stillwater, 2d Vice; M. J. Gill, Minneapolis, Treasurer, and Geo. H. Hazzard, Old Capitol, St. Paul, secretary and general manager.

LABOR DAY—1921

THE muscles of the mighty Hercules may rest.
The gods relent, on weary Atlas' neck.
And lift from him his burden for the day.
In reinment brilliant, amber industry is drawn.
Her booming harp rings soft—its tones beguile.
How bold, how mighty has this giant, Labor, grown!
What crushing strength is his on this, his day!
And for what joy is Labor making gay?
And what his aim? And to what heights his glance is bent?
Will he, when clothed with might, be bent to rest?
Long years has toiling Man cried out 'against Grief!
Downtrodden and oppressed for bitter years!
Long have the masters built on slavish fears!
But now, at last, the slave is strong—aye, strong indeed!
Yet has he learned no lesson from his tears?
Will Labor, Labor strong, take vengeance, and reverse
The balance of the scale? Or will he give
His strength to man in brotherhood may live?
Will Labor's new-found might a blessing prove—or curse?
Were Labor's lessons water—be a sieve?
Ah! Labor, muscles hardened, you may hold the scale
At even balance! Will you use your might
To swing it to injustice—wrong from right?
This day is yours: Today decide to win—or fail!
Decide a darkened world—or world of light!
—WILLIAM K. CONWAY.

—Miss Lillian Anderson of Ortonville visited friends in this city last Thursday and Friday. She was formerly employed at the Magnet Inn but now at Minneapolis and stopped off here for a visit while enroute to Minneapolis.

—Miss Ruby Brown left Wednesday last week for a visit at Minneapolis. She was accompanied back to Minneapolis by her cousin, Miss Ruth Bergquist, who has been visiting at the A. H. Brown home for several days.

LABOR DAY—SEPT. 5th

It is fitting that once a year we should pay tribute to the workers of America. For ours is a nation of workers—more so than any other country in the world.

Settled through the toil of our colonial forefathers, welded as a nation under Washington, developed under the leadership of men of vision and courage—America stands today as the world's foremost example of what labor, shared in by all can accomplish.

Monday, Sept. 5th, this institution will be closed all day.
