YOUNG MAN LOSES HAND BY GUNSHOT

Archie Vick in Shooting Accident in Lake Elizabeth Monday

Archie Vick, son of John A. Vick of Lake Lillian, met with a distressing accident last Monday afternoon, when the accidental discharge of a shotgun tore away a part of his right hand. In company with Maurice Nelson he had crossed a slough in a boat from Ernest Nelson's place to that of Hemming S. Nelson. In picking up a gun by the end of the barrel to lift it from one boat to the other it slipped from his hand and was discharged. The gun was wet which probably caused it to slip. Maurice Nelson, 13 years old, tied a rag around the bleeding member and ran for help. He met his father, Hemming S. Nelson, who rushed to the aid of the injured man and succeeded in stopping the flow of blood. The injured lad was taken to Willmar. Dr. B. J. Branton operated on the injured hand Tuesday morning and hopes to be able to save the middle and index fingers. The boys had been discussing the danger of handling guns in a boat before the accident occurred, which helps to prove that one cannot be too careful.

COUNTY FAIR FINANCES SERIOUSLY CUT BY RAIN

Gate Receipts Were Less Than Half Those of the Season of 1920

Three days with driving rain and one day with track too wet for races, played havoc with the gate receipts at the county fair. With no races to watch, there was no attempt to attend the grandstand. The following are the gate receipts this year and also those of last year for comparison:

	1921	1920
Wednesday	\$ 72.36	\$176.99
Thursday	81.36	1075.50
Friday	861.40	861.40
Saturday	1664.84	1638.16
Grandstand	None	463.85
Season tickets	None	262.85
	\$3,036.19	\$6,562.50

With no racing purses to pay the deficit this year will probably not exceed \$1500. Let us hope for a better luck with the weather man next year.
