OFFERS REPORT ON NAT'L CONVENTION

Our County Nurse Lauds Work of Columbus Convention Which She Attended

The National Convention of the American Red Cross just held at Columbus, Ohio, gave inspiring evidence of the spirit and determination of the American people to go forward wholeheartedly with the Red Cross program of continued care for the Ex-Service man and his family, preparedness for large disasters and better service to the community is the report of Miss Ingajmsdahl, our county nurse, who represented this county at the recent National Red Cross convention.

Four days were given up almost solely to the general programs, conferences and discussions on special services, reunions of Red Cross workers, mass meetings and Red Cross pageants. There were nearly two thousand delegates from all the states as well as representatives from the distant islands, South America and elsewhere, from the U. S. Army, Navy and Marine Corps and from the League of the Red Cross Societies of all the Nations. Interest was maintained throughout the program and the enthusiasm of the delegates was contagious.

Chairman Dr. Livingston Farrand presided, included Major General John A. LeJeune, famous head of the "Devil Dogs" Division in France and now Commandant of the U. S. Marine Corps; Admiral Robt. E. Coontz, of the U. S. Navy; John G. Emery of the American Legion; Capt. Robert G. Woodside, Commander in Chief, Veterans of Foreign Wars; Chaplain F. P. Duffy of the 165th Regiment, U. S. A.; Vice-Chairman W. Frank Persons of the American Red Cross and others. Gen. John J. Pershing sent a personal message from Paris where he was suddenly called.

Surgeon General Ireland of the Army, Stitt of the Navy and Cumming of the U. S. Public Health Service, other branches of the Government served by the Red Cross spoke on another program.

There were sectional conferences also on Home, Hygiene and Home care of the sick; Junior Red Cross; Health Service; Home Service; First Aid and Life Saving; Public Health Nursing; Ex-Service Nurses; Nutrition Service; Volunteer Service; Military Relief and Overseas Service.

The Red Cross Pageants in the Coliseum were imposing spectacles, full of color and the culminating features of the Convention. 2,000 participants, a chorus of 1,000 voices, orchestra and trumpeters, pictures the spirit of service as shown thru the ages and finally thru the present day program of Red Cross. Another pageant was performed by 1,000 Juniors supported by a chorus of 1,000 children's voices and made a profound impression.

Miss Insdahl feels that the convention has given great impetus to the country wide Rqll Call of Red Cross which as usual will be undertaken in this country on Armistice Day, Nov. 11, to Thanksgiving Day, Nov. 24, at which times funds will be secured also to support the Budget required to maintain the Chapter's program of service for this country.

MEANEST THIEVES TAKE 150 CHICKENS

Orphan's Home, North of City, Loses 150 Chickens When Thieves Raid Coop "The meanest of the meanest thieves" This name can be rightfully stacked on to those who stole out of the chicken coop at the Orphan's home one evening recently a flock of chickens numbering about 150. The deed illustrates in a painful way just how far down some unscrupulous individual will stoop. The Orphan's home is struggling financially and was aided in providing food for the orphans by the flock of 250 chickens which it had raised. One hundred of these were newly raised hens. All of the fowls were of good size and full grown. Now some one or party in addition to robbing hen houses at three other places near Eagle Lake even lowered their morals still deeper in the mire by entering the coop at the Orphan's Home and made their largest haul. The chickens were taken during mid-night by a party with a car as residents in the vicinity of the home heard an automobile near the homes and out buildings at about twelve o'clock. This stealing has been going on for several months, the depredations having begun at the first part of June. Surely these rascals ought to be brot to justice and severely punished. —Watches, new stock just received. Low prices. Olive Bros., opposite Glarum Hotel.

CANT DO THE WORK

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them. Ask your neighbor. Mrs. N. P. Nelson, 214 Litchfield Ave., Willmar, says: "Doan's Kidney Pills did me a world of good when I was suffering from kidney complaint. My back often felt as if it would break in two and it kept me from attending to my housework. I over-worked myself and I blame that for the trouble. I was as nervous as could be and my kidneys weren't acting right. I purchased a box of Doan's Kidney Pills at Mossberg's Drug Store and used them as directed. They cured me in fine shape and I have frequently recommended Doan's Kidney Pills to those I have heard complaining of their kidneys." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Nelson had. Foster-McBurn Co., Mfgs., Buffalo, N. Y.—Adv.
