

THE PATRIOT

IS THE PRODUCER-ALWAYS

Primarily, of course, it is the soldier in war who is the patriot—he produces fighting qualities, his life, his all.

Just as important was the worker at home. Without him the soldier must fail.

We supported the soldier as far as we could. We honor and encourage the producer at home.

To each we offer most freely the services of this Bank.

NOT A BAD EXAMPLE FOR US OLDER FOLKS
All Schools In Willmar Observe "Better Speech Week" Last Week

This week is being observed by the schools as "Better Speech Week." The pupils are watching for grammatical error wherever they are heard and are going to prepare a report of what they have found at the end of the week. The following pledges which were prepared by Grace Williamson Willet of the Chicago Women's club has been adopted by the pupils.

1. That I will not dishonor my country's speech by leaving off the last syllables of words;
2. That I will say a good American "yes" and "no" instead of an grunt "um-hum" and "nap um" or a foreign "ya" or "yeh" and "nope";
3. That I will improve American speech by enunciating distinctly and by speaking pleasantly and sincerely;
4. That I will try to make my country's language beautiful for the many boys and girls of foreign nations who come here to live;
5. That I will learn to articulate correctly one word a day for one year.

DIZZINESS IS ANNOYING
As Many Willmar People Know Too Well

When the kidneys are weak or dis-ordering, they fall behind in filtering the blood of poisons. As these poisons attack the nerves the result is felt in spells of vertigo, just as drunkenness will make a man dizzy from the poisoning of alcohol. Dizziness, headaches, backache and irregularity of kidney secretions are all signs of weak or disordered kidneys and should not be neglected. Use Doan's Kidney Pills, the home-entire kidney remedy. Read Willmar resident's statement:

Mrs. N. A. Jensen, 109 Sixth St. E., says: "About three years ago I was afflicted with kidney and bladder trouble. I was caused annoyance by the irregularity of my kidneys and I was suffering from a general breakdown. I was very nervous and now when I would have a pain across my kidneys, I would also be quite dizzy. I doctored for a time, but seeing Doan's Kidney Pills so highly advertised, led me to send to Carlson Bros.' drug store for some. The use of three boxes cured me. I have every confidence in Doan's Kidney Pills and have often recommended them."
