

GLEE CLUB MADE FINE IMPRESSION

Hamline Male Chorus Gave Splendid Program in City Last Evening

The Hamline Men's Glee Club of sixteen voices presented a thoroughly enjoyable program last evening in the High School auditorium.

Mr. Frankson, the reader, captivated his audience. Possessing a rich, full pleasing voice and with perfect poise and ease on the platform he immediately became a great favorite with his Willmar friends.

The "Knut Quartet" made a lasting advance into the favors of the audience. The four men have voices which harmonize and blend very well and display a cleverness in singing which is indicative of good training and singing ability.

Prof. Jaeger favored the audience with three tenor solos. We would have been pleased to hear the professor in more vigorous numbers.

Receipts for the evening were about two hundred dollars. The concert was given under the auspices of the Junior class of the high school who engaged the chorus for the concert at the cost of \$125.

Roy Ellason visited with friends in the cities over Sunday.

Joseph Holmberg returned to Kandiyohi on Tuesday after a few days visit with his brother, J. V. Holmberg in this city.

Miss Alma Grimlund left on Tuesday for Raymond at which place she teaches after a visit with her parents, Mr. and Mrs. C. A. Grimlund.

IRVING

Feb. 6—Chas. Henry and C. L. Farum were driving in this community on business the first part of last week.

Mrs. O. T. Ring was entertained for supper at the Mrs. S. O. Susag home last Monday evening and also conducted meeting there the same evening and left for her home in Willmar on Tuesday.

Signe Trygstad who graduated from the 8th grade in Dist. 97 last year, has started to go to school again in the same dist. where she is taking over some of her 8th grade subjects. You are welcome, Signe.

A young peoples meeting with program was given in the Zion church on Sunday evening.

A committee consisting of K. J. Thorson, O. J. Orson, Martin Everson and Alfred Michaelson was appointed to have a surprise on the Nels Solbrock family of Irving for an encouragement in their sorrow and bereavement, after they had laid their daughter Josie and son Elmer in their graves at little over a year's time.

The committee called on neighbors and friends in this community and in Paynesville, Hawick and New London and were met with kind and willing hearts in every home and business place and the result of their work was two hundred and sixty-one dollars (\$261.00) which said committee brot over to the Solbrock home on Monday of last week.

The kind deed shown and the money they brot were received with glad hearts and thankfulness to all givers.

The Hawick creamery association met for their yearly business meeting in Hawick last Tuesday, Jan. 31st. The following officers were elected: F. J. Smithson President; C. J. Payne, vice president; O. B. Thorson, secretary, and S. G. Jones, treasurer.

Schools were closed in Dist. 24, 52 and 97 last Thursday on account of the snowstorm.

Mrs. S. M. Susag celebrated her birthday on Feb. 3rd. Those who were neither absent nor tardy in Dist. 97 the last school month were Mary Pederson, James, Laura, Alvin and Floyd Hanson and Mabel, Minnie and David Jones, and Esther Sunde.

January went out with a snowstorm and February came in with the same kind of weather, but it was not cold, 32 above zero.

The Ladies Aid of the Nordland church was postponed last Wednesday until Thursday on account of the bad snowstorm.

WHAT OUR PUBLIC SCHOOLS ARE DOING

The work of the second semester has changed somewhat from that of the first. A number of new subjects are being offered which include the following: Solid Geometry, Occupations, Civic, Economic, Advanced Woodwork, Freshman Mechanical Drawing, Commercial Geography, Home Management and General Geography.

The enrollment in all of the classes is exceptionally large, in fact, many of the teachers are carrying entirely too much work. Some of them have nearly one hundred eighty different students in their classes each day. This is due to the unexpected increase in high school attendance. We have 85 more students than were enrolled last year, and only one teacher was added to the high school force.

Something must be done to take care of the grade pupils who now occupy four rooms in the high school building, since these rooms must be used next year for high school classes.

A new subject never taught before in the Willmar schools is being offered this semester, to take care of the large number of students who are unable to get into any of the other courses offered.

As no teacher was available to handle this work and the students had to be accommodated. Supt. Brohaugh is taking charge of the class. The basis of this course will be Physiology, but all phases of Geography will be taken up. It is hoped that the students taking the work will find it worth while.

The regular monthly meeting of the Garfield Parent Teachers association will be held Friday of this week. All school patrons in West Willmar are invited.

At the meeting of the Lincoln school parent teachers association to be held Friday of this week a matter of great importance to everyone in East Willmar will be discussed. Please come out in large numbers to this meeting.

The School Board voted at their last meeting to organize night classes in Citizenship and English particularly for men and women who are applying for citizenship papers. Others who are interested in elementary work of this sort are invited to meet at the high school February 13th, at 7:30.

Mr. William Bjornhag has just completed bleachers for the stage in the gymnasium. These bleachers contain ten rows, each 24 feet long so that they will accommodate at least 150 people. The cost will be in the neighborhood of \$90. This added seating room has been badly needed.

The Dassel boys gave the local team a scare Friday night in the basket ball game played in the local gym. The final score was 18 to 14 in our favor. Unfortunately for us a number of our men were ineligible and one of our forwards who did play was not in good condition.

The Dassel High School has a splendid little team and they will undoubtedly make a good showing next year. Mr. Nelson and Supt. Jensen accompanied the team.

On Saturday, Feb. 4th, our boys won from Kerkhoven by a score of 32 to 9. The game was played at Kerkhoven with four of our first team men out of the lineup. Our girls lost to the Kerkhoven girls with a score of 5 to 12.

The Hamline Glee Club was here on Tuesday night of this week. A report of the concert will be given later. On Friday of this week the big home game of the season will be played in the high school gymnasium. Both the Litchfield teams will be here. There is no need to say anything further. We know that everyone who can come will be present. Charges for these games will be 50c and 25c.

Levi Dahl visited with relatives and friends in this city on Wednesday and Friday.

George and Viola Pederson were Paynesville shoppers last Saturday. The L. C. Larson boys of Irving consider themselves lucky in seeking shelter at the Stoner home, that stormy Saturday evening, Jan. 28th, when they were on their way home from Paynesville. The storm came up so suddenly and blinded the eyes of the horses. Such a storm even in this hilly country. Arthur Christianson drove from George Nelson's place to his home at the same time and was mighty glad to reach his destination, and it turned very much colder later in the evening.

O. T. Ring, pastor of the Church of God, at Willmar, conducts gospel services in the Tribune building every Sunday. Sunday school at 10 a. m. Sermon at 11 a. m. Gospel and song services at 8 p. m. Tuesday. All are invited to come.

K. J. Thorson celebrated his birthday the 31st of January. A young peoples meeting was held in the Zion church last Sunday evening. A. M. Lunde, pastor of said congregation was present and also Mr. Benjaminson of Spicer.

The Nordland church congregation has elected the following church officers for this year: Superintendent for Sunday school, G. P. Swedberg, Oluf Hendrickson, trustee. G. P. Swedberg and Odin Olson, deacons. John Iverson, treasurer. Mrs. Nettie Haagen, secretary and organist. A. E. Borsheim, janitor. Mrs. J. B. Johnson and Mrs. Thomas Nelson, deaconesses.

S. O. Susag, traveling evangelist of the Church of God, has in the past year traveled according to his report in the Evangelic Basun, 16,253 miles, preached 441 sermons, visited 74 places, has seen over 200 souls saved and many others sanctified and healed. All honor to the Lord.

Gospel meetings were held at the home of Edward Sunde last Sunday afternoon conducted by P. G. Swedberg, deacon of the Nordland church. Quite a number were present.

DASSEL BEATEN IN CLOSE GAME

Dassel Leads in First Quarter and Gives Willmar Strenuous Battle

The last rounds of the district championship are now being played. The Willmar High School last Friday evening disposed successfully of the Dassel High School quint in a game played here with a resulting score of 18 to 14. On Saturday evening Willmar paid Kerkhoven a call and walked away with a one sided score in her favor. Then appears in sight the Litchfield game for Friday evening of this week and a Buffalo game soon to follow.

The game Friday evening was of a close and spirited nature. Dassel fought every inch of the floor and put up a more determined opposition than was expected of her. Willmar lacked Grace at center. Holmberg and Jolly were also absent from the first squad as they with Grace were below grade in their class work.

Earl Larson commenced at center but was soon replaced by Reynold Mosench who proved to have a good eye and worked quite well with his teammates.

Herbert Sandin, despite his usual bad luck in suffering injuries on the floor, managed to slip three baskets thru the hoop. Hahn as usual scored freely, making four baskets during the game.

For Dassel, V. Nelson, H. Nelson and Gunn each made two baskets. Archie Carlson refereed his first game locally and gave satisfaction.

Coach Nelson of Dassel was umpire and Supt. Brohaugh of Willmar the scorer. Willmar Pos Dassel Hahn RF V. Nelson Sandin LF H. Nelson Larson C Gunn Monson C Linn Westgard RG Baden Linn LG Mattson M. Johnson LG
