Willmar In Superior Playing Defeats Litchfield on Home Floor

On Wednesday afternoon, Feb. 8th, the city basket ball team journeyed to Litchfield and played the city team at that place. This was a very fast game and the best that Willmar has played this season so far.

When the final whistle blew the score stood 34 to 19 in favor of Willmar. The reason that this game ended with such a score was due more to the strength of Willmar than the weakness of Litchfield.

Both the teams showed very good action and team work was the feature of the game. On the home team there was no individual star as all the players played their positions very well.

For Litchfield Hammer and Peterson were the star players of the evening.

A Judicious Inquiry

A well known traveling man who visits the drug trade, says he has often heard druggists ask a customer, who wished to buy a cough medicine, whether it was for a child or an adult and if for a child, they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for colds, croup and whooping cough it is unsurpassed.—Adv.
