RAILROAD MEN INJURED

John Nider of this city, fireman, and Charles Walters of Farmington, engineer, met with a serious accident last Thursday evening about 8:00 o'clock, when the engine on a snow-plow, ran off the track and tipped five miles west of Bristol, S. D. They were coming east, clearing the track, when the accident happened. Mr. Nider was seriously scalded about his face and body by the escaping steam from the engine. Mr. Walters received injuries of the back and was slightly burned, but the five men of the crew escaped any injuries. A doctor was called who dressed their wounds after which they were taken to Montevideo on No. 6, arriving here about 6:00 o'clock Friday morning. Mr. Nider was taken to the local hospital and is now improving nicely.

Mrs. Walters came up from Farmington and met her husband here taking him to a hospital in Minneapolis, where his injuries were found to be slight and in a few hours he was taken to his home in Farmington.

Mr. Nider resides at 621 North Fourth street and has a wife and two children.—The Montevideo News.

SCALDED TO DEATH

Opal May Williamson, the 21-month-old daughter of Mr. and Mrs. Gayle Williamson of Marysland township, was fatally scalded at her home last Saturday morning and died the following day at noon. The grandmother to the girl was making breakfast and while so occupied, the child tipped a boiling pot of coffee upon herself. The little girl was born on May 14, 1920. Funeral services were held at Appleton on Tuesday.—Swift County Monitor.

HELD DISTRICT MEETING IN CITY

Representatives Here From Several Cities to Attend Western District B. Y. P.

The meeting held in the Baptist church on Friday evening under the leadership of Miss Ruth Carlson was very interesting and of great benefit to all present. This was a meeting of this district as there were representatives from Grove City, Kokato, Granite Falls and Fahlun Baptist churches present at same. Those from Grove City were the Misses Malquist and Misses Boodleson, and from Granite Falls, Rev. Stearns and Mr. Robb and Rev. Carl Tideman represented the Kokato Y. P. S.

Richard Holland, president of the Baptist Young Peoples Union of America, who lives in Minneapolis, was also present at this meeting and gave an interesting speech on the great Baptist Y. P. U. convention of America that is to be held in the St. Paul auditorium on June 28th to July 2nd. This is the first time that a meeting of this kind has been held in Minnesota and the local Baptist Y. P. S. was urged by President Holland to attend this convention if there was any possible way. Rev. Stearns and Rev. Tideman also gave a short interesting talk in the course of the evening. The last Baptist Young Peoples Union of America was held in Cincinnati and there were about 20 representatives present from Minnesota but these few were able to get this Union meeting to be held in this state this year. As this is a great thing for the Y. P. S. to have this meeting in their own state this year, as many as possible are urged to attend.

Lunch was served after the program was carried out and everybody enjoyed a social hour.

After the lunch was served a short business meeting was held when Rev. Lagerstrom was elected chairman of the western district, Carl G. Tideman of Kokato, secretary, A. A. Miller of Grove City, treasurer, and D. T. Carlson of this city was appointed as registration chairman.

All the delegates returned to their homes with the determination to work for this coming convention and make it the best ever held.

This will be the 31st annual Union meeting of this kind that has ever been held in the United States.

—Miss Myrtle Ruddy returned to her home in this city today after a months visit with relatives in different points in South Dakota.

Aged Mother Passes Away
Mrs. John Kvamdahl, the aged mother of Mrs. L. C. Arthun of this village, passed away last Tuesday morning, Feb. 28th, at the Arthun home where she has made her home for several months. The cause of her death was gall stones and old age. The deceased was 82 years old at the time of her death and was born at Atne, Norway. She came to America in 1860 and was married to Erick Rofsdahl who passed away in 1860. Four children were born to bless this union, three of whom survive. She was married again in 1898 to John Kvamdahl who passed away in April 1921. They resided on a farm near Willmar for thirteen years, then moved to Story City, Iowa, where they resided until Mr. Kvamdahl's death. Mrs. Kvamdahl then came to this village to reside with her daughter. Those left to mourn her death are one daughter, Mrs. L. C. Arthun, two sons, Thomas Rofsdahl and Lars Rofsdahl of Story City, Iowa, eighteen grand children and thirty great grand children, besides a large number of other relatives and a host of friends.

Short services were held at the Arthun home Wednesday at 10 o'clock a. m., Rev. A. M. Lund officiating.

The remains were shipped to Story City Wednesday afternoon where interment was made.

Guernsey Arthun, a grandson of the deceased, accompanied the remains to Iowa.

WINS GOLF HONORS
Belle Air Heights, Fla., March 2.—Miss Glenna Collett of Providence, with a sensational round of 76, which is a record breaker for women golfers here, won the Augustus trophy here today. She played with Miss Edith Cummings, of Chicago, who held on like grim death and herself scored a 78. This fine score, while second in the gross competition, enabled her to tie Miss Esther Tallman, of Willmar, Minn., who had previously turned in a net or 152 for the low net. Miss Cummings had a handicap of four, while Miss Collett played from scratch.

Miss Tallman had a handicap of 19.—Minneapolis Journal.

SPECIAL MEETING OF ELEVATOR CO.

Many Matters Ground Out In Big Meeting Last Saturday at Raymond

The Special Meeting of the stockholders, Raymond Farmers Elevator Co., held last Saturday brot out the largest attendance of any meeting held by this company ever since it was organized in 1910.

The meeting was primarily called for the purpose of setting before the stockholders the true status of the company. For it seemed that a certain stockholder had taken "exceptions" to the report of the Grain Department as it had been prepared by H. E. Malthouse, an auditor from Minneapolis. This shareholder had noised it abroad that he figured this report was several thousand dollars off in the net profits reported and to attract more attention this stockholder had offered to place a \$250.00 certified check as a forfeit to prove his contentions. This is what created such an unusual interest in this meeting.

The meeting was opened at 1:30 o'clock and the secretary, John Molenaar read a statement of the Machine Department to a crowded hall. This report showed that this branch had taken a large percentage of deflation on the merchandise in their shed. But even then the net worth of this department showed to be over \$1100.00. The auditor, Mr. Malthouse, was then called upon and he explained that the deficit of \$1700 charged to Wm. VanBuren, a former manager, had been cleared up by recording on the books a settlement that were not on the books last summer when he audited them, and declared the books of the machine department correct now, in fact showing that Mr. Van Buren had due him, over \$130 from this department.

The proposition of giving bonds for stored grain was next taken up and it seemed that certain stockholders were of the opinion that this company needed no bond of this class as this company prorates the profits to all the patrons of the company and in that way be a non-profit concern. Therefore they did not come under this law.

The present standing of the grain department of this company was presented by Manager Chris. H. Ahlfs and it showed that the net profits in this department were in the neighborhood of \$6000, and as Manager Ahlfs explained that the margin of profits per bushel were small, the standing of the grain department was considered very satisfactory. Most all agreed that the market on grain at Raymond had been in line or higher than the neighboring towns all fall and winter.

Next Anton Thissen was given the floor and he explained that he had taken exceptions to the report of Mr. Malthouse as prepared last summer for the annual meeting. That now the auditor had made it clear to him that the report was correct. Mr. Thissen then apologized to Mr. Malthouse

the auditor, Mr. Ahlfs, the manager, and to the board of directors and said he was sorry he had done the company a harm by creating a wrong impression among the stockholders. The Chairman then explained, in answer to a question, who stands the expenses? That Mr. Thissen had paid the expenses of the auditor and all was fixed up.

About this time it was brot up that the machine departments' building, that had been purchased last fall, had a mortgage of \$2000 due the first of March this year. Subscriptions to raise this mortgage were then called for and the amount was raised in less than ten minutes.

This meeting cleared up a lot of misunderstanding and ought to give the stockholders full confidence in their successful co-operative company.
