

HIGHWAY PROGRAM FOR '22 COMPLETE

State Department Gives First Full Summary of Current Fund Construction Jobs

Nearly 100 permanent improvements on Minnesota trunk highways—so-called Babcock roads—made up the construction list to be paid for by 1922. The list, which includes the state highway department announced this week.

The bulletin is illustrated with a map of the state, showing locations of the more important undertakings, which are distributed over the state in the largest number of sections may share in the special benefits in addition to those from maintenance work on the entire 7,000-mile system.

1922 TRUNK ROUTE PROJECTS

- 1. Near Fergus Falls, concrete bridge and approach, \$25,000.
- 2. Northfield-Westcott, 25 miles concrete paving, also grading, \$757,600.

VOLSTEAD GIVEN UNANIMOUS VOTE

(Continued From Page 1)

products a return more nearly commensurate with the cost of production, and we especially commend the efficient labors of our present congressman, the Hon. A. J. Volstead, in procuring the passage of the Volstead-Capper Act.

While recognizing the remarkable strides already made by congress in the reduction of the burden of taxation, we call upon those in authority in state and nation to use every means to curtail public expenditures and to enact such further legislation as will assist in restoring the former dollar to its pre-war purchasing power.

We believe that one of the principal sources from which a large part of the taxes spring, is the prevailing tendency to publicly supervise every private activity thus giving Public Supervision employment to an army of men and women, most any of whom essay to tell others how to do the thing which they themselves have failed in doing. This army of supervisors should be greatly curtailed. We firmly believe that there are all together too many people making a living telling other people how to live.

We endorse the constructive statesmanship of A. J. Volstead in his arduous efforts in Congress to advance the interests of his district, state and country and we commend to the electorate of this district, his re-election.

- OLAI A. LENDE.
- GUNNAR B. BJORNSON.
- E. E. HOWARD.
- LEO McDERMOTT.
- A. W. EWING.

Willmar, Minn., March 30th, 1922.

Before the resolutions were presented to the convention A. W. Ewing presented to the delegates the name of Miss Grace Kaercher of Ortonville for clerk of the Supreme Court on the Republican ballot. He sketched Miss Kaercher's work and declared her capability for the high office for which she aspired. His nomination was seconded and the convention went on record in its endorsement of Miss Kaercher.

In his forceful talk eulogizing Andrew J. Volstead and his record in Congress, Mr. Lende dwelt in considerable length upon the long term of office. He offered facts to show that a large number of our representatives in Congress have been there from ten to forty years and have been of increasing value to their constituencies with every re-election. He declared that this District thru Mr. Volstead has secured a prominent place in the Congress which a new man could not gain without great effort and a long term of service in that body. He lauded the actions of Mr. Theo. Christianson of Dawson and O. C. Neuman of Wheaton for withdrawing from the campaign in favor of the present Congressman.

As resolution No. 7 presented by the resolutions committee contained the endorsement of A. J. Volstead for re-election to Congress, Mr. Lende moved that the resolution be adopted by the convention. The convention unanimously adopted the resolution. A communication acquainting Mr. Volstead with his nomination by the convention was ordered sent him by the delegate body.

SHOULD REPORT NOW TO SECURE 1922 LICENSES

Hunters Neglecting to Make 1921 Reports Should Do So Without Delay Says Game Warden

Game Warden Ernest Olson has secured a communication from the State Game and Fish department stating that out of the total number of 1391 small game licenses issued during the 1921 season some 678 hunters have not reported. Of the 61 big game licenses issued, seven have not sent in their report as required by law.

A list of all those from whom reports have not been received can be found on file at the office of the Comptroller at the courthouse. In case the one to whom the license was issued has lost his report blank one may be obtained at the Auditor's office. The reports mentioned should have been furnished the state department thirty days after the close of the season.

MRS. PETER LARSON

Mrs. Peter Larson, a former resident of this county and of Lake Lillian township, passed away at her home in Nobe, N. D., on Monday, March 27. The late Mrs. Larson came to this county together with her parents at the age of four years. At this time her parents came to this county and settled on a farm in township of Lake Lillian.

In the year of 1897 she was united in marriage to Peter Larson and in 1899 the couple moved to North Dakota at which place she has resided until she was called away. She gained her education in the common schools of this country. Mrs. Larson was a quiet, home loving woman and a devoted wife and mother.

Deceased was born Nov. 18, 1878, at Gagnef, Sweden, and her maiden name was Christina Berglund. At the time of her death there were three members of the family that were seriously ill, and no doubt the cause of her death was through so much work that her system became weak and thus was subject to catch the pneumonia germs which was the cause of her death.

She was ill about 10 days previous to her death. She leaves to mourn her death, Mr. Larson, George, Lynn, Ernest, Franklin and Evelyn at home, and Martin at Svea. Also her mother, Mrs. Peter Berglund, and one sister, Mrs. Aaa Bonstad and one brother, Fred Berglund of Svea. Other relatives that mourn her death are Mrs. Erick Nordlof, Mrs. Carl Westergren and Mrs. Peter Nordgren of Nobe, and Mrs. Carrie Johnson and Erick Berglund of Lake Lillian. The funeral was held on Wednesday, the 29th of March, at the Swedish Lutheran church, the officiating clergyman was Rev. O. W. Berquist. A few selections were rendered by a male chorus of the church and the floral tributes were many.

—There will be a sale of horses and machinery on April 15th, at 11 a. m., on the old Henry Stevens farm in Section 22, Town of Kandiyohi, two miles south and 2 miles east of Willmar.

SPICER ON GREEN LAKE

April 4th—Mrs. J. J. Rykken returned to her home at Solomon Lake Saturday after a several days visit with her mother, Mrs. Hannah Anderson.

E. O. Alvig and Reuben Ekbohm returned Thursday from South St. Paul where they shipped stock. Mr. and Mrs. P. W. Ekblad and two sons who have been visiting with Mrs. Ekblad's parents, Mr. and Mrs. Estvick at Pierpont, S. D., for about 3 months, arrived home last Wednesday.

BIG SAVINGS FOR THE THRIFTY HOUSEWIFE

Few homes indeed do not feel the need of economy. The necessity of making every penny count touches the purse of every housewife. It is doubtful if there is a single article employed as a food or in the preparation of food that demands more buying wisdom than Baking Powder. Upon its quality depends the success and economy of the bakings themselves.

Calumet Baking Powder enables the housewife to make three worth while savings. She saves when she buys it—it is moderate in price. She saves when she uses it—she uses only half as much as is required of most other powders. She saves materials it is used with—it never permits bake-day failure. Any woman can use Calumet with absolute certainty of best results—delicious, tasty bakings that are pure and wholesome.

True home economy of time, material and effort is completely handled in Reliable Recipes, the 76-page Cook Book and Household Hints. A copy is yours FREE—for the asking. Address Home Economics Dept., Calumet Baking Powder Co., 4100 Fillmore St., Chicago, Ill.—Adv.

Grow Your Own Sweet Peas

5¢ Per Standard Size Packet Or Mammoth Package 15c

The most popular garden flowers to-day for cutting purposes. They bloom more than repay for the little extra work at planting time, furnishing a wonderful assortment of beautiful, large, fragrant blossoms all through the summer and early fall. Our 5c packets contain a mixture producing a wide range of desirable colors. Our large packages at 15c contain gorgeous, wavy and fluted Spencer's, in mixture and in single colors. Cultural directions on back of packets.

Sow Sweet Peas as early as it is possible to work the soil, since the roots become best established through quite a long period of growth in cool weather. Our seed is from the most highly developed strains and is of excellent quality.
