AGAINST THE "MACHINE"

Gerhard Bundlie, anti-Republican machine candidate for State Railroad and Warehouse Commissioner, is one of the most active men in the field now fighting against the "Old Guard." He is a graduate of Gustavus Adolphus College and the St. Paul College of Law. He is well fitted to hold the position which he is seeking. Above all he has the integrity and strength of character which must be the foundation for a good servant of the people.
Mr. Bundlie's name will be found on the primary ballot. He is deserving of support by the voters.

HEAVY RAINFALL

Willmar and vicinity has been visited by unusual dense rainfall during the past week. The first rain which came on June 7th was a God send as the withering south breeze was fast drying the soil and injuring the crops. On the 7th .63 inches of rain fell, on the 8th, .21 inches fell, on the 9th, .12 inches was recorded and on the 10th sudden showers brought .66 inches to earth.
No rain fell on Sunday but Monday evening Theo. J. Sampson, co-operative observer at the State Farm recorded a fall of .72 inches. This is a total of 1.74 inches in a period of 6 days.

10 ACRES SOLD

Thru the medium of the Exchange Land Company a deal was consummated recently wherein John Holmdahl sold ten acres in the West end of the city and near the city limits to A. N. Lewis of this city. On the land involved are many buildings. The sum concerned in the transaction was \$7400.

LAKE LILLIAN WINS SEVEN STRAIGHT

The Lake Lillian nine traveled over to New London last Sunday where they trimmed the New London club by a score of 8 to 14 in a loose pill game. This is the second straight slaughter that the southern township of this county has handed to New London.

Prinsburg will cross bats with Lake Lillian at the ice cream social at the G. B. Hogd place Thursday evening of this week. A program will be rendered. Among the speakers for the occasion is Atty. Henry G. Young, former Legion Commander.

SHIPSTEAD IN TWO MEETINGS

Senatorial Candidate Speaks Twice at Park Auditorium Last Monday

The afternoon meeting arranged for Dr. Henrik Shipstead, progressive candidate for United States Senator, was attended by several hundred people, most of them from the country. V. E. Lawson presided at the meeting. Speeches were made by Atty. Harold Baker of Renville, Mr. A. E. Bowen of Minneapolis and Dr. Shipstead. A collection for the campaign fund taken amounted to \$49.68.

The evening meeting anticipated for the evening meeting was not present due to the early evening showers and threatening weather. Yet several hundreds dared the elements and muddy roads to come out and hear a series of three excellent addresses which did their hearts good. When the meeting was half under way and our probable next senator to the chambers of Congress was in the midst of his intellectual analysis and criticism of the Federal Reserve System, the second shower of the day arrived. The combined patter of torrents on the roof and the rumblings of thunder did not silence the voice of the speaker however. The audience in the rear came willingly to the front not to miss a word and Dr. Shipstead spoke as clearly and distinctly as he could.

County chairman C. O. Bergquist presided at the meeting. He called upon Atty. Harold Baker of Renville, progressive candidate for District Judge. Mr. Baker gave a pointed talk. He briefly and clearly outlined the growth of the Non-partisan League and the various obstacles and trials thru which it has passed. He displayed a very keen understanding of the people's movement and made a splendid impression with his audience.

The chairman then called upon Mr. R. C. Sletten, candidate for state senator from the 25th legislative district, comprising Kandiyohi and Swift counties. Mr. Sletten by clever and amusing illustrations and by a straight-from-the-shoulder talk described the gambling in grains and other farm produce. He declared as an introduction that empty stomachs will set folks thinking on matters in which they otherwise show no concern. Mr. Sletten gave an excellent talk and indicated to his audience that he was in touch with the issues of the day and had sound views on the same.

Following these two talks Chairman Ole Landhaug of Douglas County, chairman of the state committee, took the floor, stated his views on the building up of a strong campaign and the need of funds to carry on such a campaign. He stated he looked for a healthy majority for the progressive candidates in Kandiyohi County.

The collection taken in the evening amounted to \$36. The sum in the evening can be accounted for as lower than the afternoon due to the fact that so many present at the first meeting were also there in the evening.

Mr. Bergquist then introduced Dr. Henrik Shipstead, progressive candidate for the United States Senate from the state of Minnesota.

Dr. Shipstead delivered a splendid address. Taking as his four principal issues—the injunction—Federal Reserve system—the Esch-Cummins Act and the grain gambling system now in practice. Dr. Shipstead launched into a logical and highly interesting discussion of these questions. He showed thoro familiarity with the subjects. His address throught was in the nature of a lecture on the topics above mentioned in which no personalities or personal feeling was found. The injunction, the Doctor declared, was an autocratic institution. By it a judge could wield the power of a despot. Such an institution used against the common people should be condemned and removed from our judicial system. Referring to the Federal Bank System the speaker clearly showed that this great financial institution was merely a means to the great financiers of the nation to lay hold of the money supply of the nation to be used by them in their international gambling.

The well known or rather badly known Esch-Cummins Railroad law came in for its deserved and merciless faying. Dr. Shipstead showed the burdens that it forced upon the backs of the American people and the outrageous features of the act as passed by Congress.

His description of the grain gambling and the losses of the farmers of the Northwest which result each year from this marketing evil was forcibly presented.

The heavy shower in the early evening prevented many to come who had intended to do so.

LIONS CLUB MAN HERE
Frank C. Beary of Minneapolis is in this city this week trying to arrange for the organization of a Lions Club. Nothing definite as to whether this club will come to realization has been done as yet. The Lions clubs are non-political, non-sectarian organizations composed of representative business and professional men who feel an interest in the welfare and progress of their city and community. There is a difference of opinion here as to whether such a body organized should affiliate as a Rotary, Kiwanis or Lions club.

Mr. Berry met the following at a luncheon party at the Savoy last Monday: Messrs. Ben Benson, Aldrich Blomquist, Edw. Elkjer, Elmer Peterson, Hildar Hoaglund, A. A. Anderson, C. R. C. Baker, E. C. Wellin and Henry G. Young.

CLUB ORGANIZED
On Wednesday afternoon, June 7th, nine young ladies met at the home of Miss Hazle Card for the purpose of organizing a club. The club was named "The Farmers Daughter Club."

TRIP TO WAUSAU Crops in Wisconsin are Unusual Say Willmar People Returning From Trip

Mr. and Mrs. G. A. Erickson and family and Mr. and Mrs. Arthur Erickson returned Friday from a long auto trip to Wausau, Wis. They left Willmar on Sunday, June 4th, in a Chandler; to visit Mr. and Mrs. Eifel Holm at Wausau for several days.

The trip covers a length of over 800 miles and was thoroughly enjoyed by the Willmar people. The roads were found in excellent condition and were certainly an improvement on a great many of Minnesota's roads.

The crops found in this region of Wisconsin were the best ever seen, Mr. G. A. Erickson declared. Wheat was marvelous in its growth. Dairying is a common industry in that part of Wisconsin where clover grows ideally.

The travelers passed thru LaCrosse, Eau Claire, Menominee, Hudson,

Chippewa Falls and other cities. Paving of various kinds is going on in every town. The party also visited Mrs. Schofield of Wausau, formerly Miss Stockwell of Willmar.
