Willmar Sufferers Praise Sto-li-Gal

Hundreds of local people have been relieved of terrible suffering with serious long standing conditions of stomach-ulcers, chronic appendicitis, gall stones, torpid lazy liver, dyspepsia, indigestion, gassy, sour bloated stomach, shortage of breath, pains in stomach and back, dizziness, chronic constipation and all other stomach disorders. This life saving remedy will put pep in your step, it will make you eat well, sleep well, ambitious and regular. Sto-li-gal usually gives results regardless of age or duration of suffering. Ask your local druggist about this reliable remedy and after you have benefitted as thousands of sufferers have, then boost it to your friends.

Write for information pamphlets sent free to stomach sufferers.

Sto-li-gal will also be sent direct on receipt of one dollar to Digestive Chemical Co., 800 University Avenue, St. Paul, Minnesota. Sold in Willmar at Hallin's Drug Store, J. P. Olson, New London and Anderson Bros. at Spicer and by druggists everywhere.—Adv.

If in doubt as to the merits of Sto-li-gal, we herewith mention the names of a few of a great many Willmar people who claim Sto-li-gal a life saver: Mrs. C. A. Sorenson, 917 Olof Ave., and Mr. Hallin, the druggist, can tell you of a great many more. Sold at Willmar at Hallin's drug store; J. P. Olson, at New London; and Anderson Bros. at Spicer.

A Triumph for Value

IN the past two months Firestone has built and marketed more tires than in any similar period in its history.

This steadily increasing public preference is proof of the recognition by car owners of the greater values offered by Firestone. It is a tribute to Firestone men—all stockholders in the company—all actuated by the operating principle of Most Miles per Dollar.

The high average performance of Firestone Cords is without equal in the annals of tire making and is reflected by the general tendency to specify Firestone for hard service. Taxicab and bus lines, buying tires by the mile, are universally equipping with Firestone Cords.

There are many reasons for the high quality of Firestone tires but chief among the special manufacturing processes are double gum-dipping, thus eliminating internal friction by insulating each cord strand, and air-bag cure, insuring a well-balanced and perfectly shaped product.

Don't speculate in tires—you will find the right combination of price and quality in Firestone. Come in and let us tell you about the service these Cords are giving other car-owners whom you know.
