

## Court To Open Monday With Light Calendar—17 Seek Citizenship

**Fifty Cases Now On Calendar. Citizenship Cases To Be Heard Monday. Grand Jury Convenes Monday Afternoon and Petit Tuesday Morning**

The Twelfth Judicial District Court will open its fall term on Monday morning at ten o'clock. All indications at the present time point to a light court session. The calendar contains some fifty cases the greater portion of which are ditch and tax cases. Ten cases have been carried over from the last term and twelve new cases have been added since the last session. There are about fourteen cases of ditch matters and a similar number of cases arising from tax proceedings. On the criminal calendar are two cases continued over—those of H. D. Davis of Willmar and Harry Watson of Minneapolis.

All cases are of a local nature. One case is that of divorce. There is no case that in the popular mind might be called intensely "interesting."

The court will first hear some seventeen applicants for citizenship. A Federal Examiner from the Naturalization Office in St. Paul will be in the city Monday morning and will examine the applicants. The number of applicants this term is the smallest ever examined for citizenship, states Clerk of Court Ed Sanderson.

The following is the list and the addresses of those applying for citizenship, their place of birth and their witnesses who will appear with them in court:

Thom K. Lokken, Brooten Route 3 (Norway) Witnesses, Ole Sagedal and Carl Sagedal of Kerkhoven.

Hans Sordal, Willmar, Route 5. (Norway) Witnesses, Tosten Christianson and Lars Urdahl, Willmar.

Carl A. Engstrom, Renville, Rt. 5. (Sweden) Witnesses, Arvid Swenson and C. F. Peterson of Renville.

Wilhelm Meinerts, Raymond. (Germany) Witnesses, Joseph Keller and Geo. Greenfield of Raymond.

Olaus O. Stensrud, Brooten, Route 3. (Norway) Witnesses, Carl Swenson and Gilbert Swenson of Sunburg.

Axel Ferdinand Linden, Atwater, Route 1. (Sweden)

Leo Lundblad, Atwater, Route 6. (Denmark)

Ole P. Tvensborg, Spicer. (Norway) Witnesses, John Hildahl of Willmar and Thomas Nelson of Spicer.

Johan A. Bertilsson, Willmar. (Sweden) Witnesses, Frank A. Holmberg and C. Dahlheim of Willmar.

Constantine Marrohelakis, Willmar. (Greece) Witnesses, John Costello and Oscar J. Elmquist of Willmar.

John Amundson, New London. (Norway) Witnesses, Harold Swenson and E. F. Fink of New London.

Gertrude Carlson, Willmar, Route 2. (Sweden) Witnesses, Sam Nelson and August Lundquist of Willmar.

Jacob A. Holtan, Atwater (Norway) Witnesses, I. G. Anderson of Atwater and J. S. Peterson of Willmar.

Erick W. Seaberg, Penock. (Sweden) Witnesses, Theo. Frederickson and Alfred Larson of Kerkhoven.

Gerret Tazeller, Svea, Route 2. (Netherlands) Witnesses, H. F. Moje and Herman Moje of Danube.

Johannes Langager, Willmar, Route 5. (Norway) Witnesses, Peter Bonde and Wm. O. Johnson of Willmar.

John Kocheras, Willmar. (Greece) Witnesses, E. M. Elkjer and J. B. Olson of Willmar.

The Grand Jury will convene on Monday afternoon at two o'clock, be charged by the court and go into secret session.

The Petit Jury is called for Tuesday morning at ten o'clock. Sheriff Peter Bonde has served notices on the jurors during the past weeks.

### WILLING WORKERS

The Willing Workers of the Swedish Mission church will hold their first fall meeting at the church Thursday evening of this week. The meetings during the summer months have been held at farm homes in the country. The following is the program for tomorrow evening:

Vocal solo, Viola Peterson.  
Piano solo, Eleanor Ostlund.

The Bethel Ladies Society will give a coffee social in the church basement Thursday afternoon of this week to which the general public is cordially invited. The following will serve: Mesdames Ed Lundberg, Theander Bergquist, John Nordgren, Clarence Larson, Swan Anderson, Axel Johnson, J. Albert Peterson, Fred Anderson, Wm. Paulson and C. E. Peterson.

## RECEIVED FIRST DRILL PAY-FOR-N. G. SERVICE \$1300 In Pay Roll for Local Unit of National Guard in Willmar

Monday evening was pay day for the members of the local company of National Guards. A total sum of \$1300 was paid to all members of the company including the officers. The pay is the first the men have received since they began their drill work and outside of the pay which the men received for camp and fire fighting duty. The pay covers the period from March 23rd until July 31st. The company now includes 70 men. They are paid the sum of one dollar a drill period.

Following the two weeks camp at Lake City the company was paid for its services in checking the forest fires. The average paid the men was \$45.00.

## STOLEN CAR IS FOUND A WRECK

**Car Bandits Have Collision Near Maynard and Abandon Car**

Through the efforts of Sheriff Nelson of Clara City and Sheriff Bonde of Willmar, the Ford coupe belonging to Iver Nelson of Willmar which was stolen last Wednesday afternoon, was recovered. Sheriff Nelson had received word from the Willmar authorities to be on the lookout for the car and as soon as he saw the wrecked car he telephoned to Sheriff Bonde. Sheriff Bonde, Sigmund, Andrew and Iver Nelson then drove to Maynard to bring the car back Friday evening. The accident happened 1 mile on this side of Maynard Wednesday evening. It seems that a man in a Ford car was attempting to pass another car, going east and the stolen car which was going west against the sun ran into them. The coupe was badly smashed, all wheels were broken and the top nearly destroyed.

That the work is not that of amateurs is very evident. The thieves had a key that corresponded to the original and it could open locks from 63 to 68. This key was found in the lock of the wrecked car. The bandits took off the curtains that were on the inside of the car and exchanged them for some of their own of a different color. They also put on a new seat cover to avoid detection. They did not have time to take the license plates off properly so they just jerked them from their place and inserted some South Dakota ones.

After the accident the bandits told a hard luck story and were taken by a farmer to a doctor at Granite Falls where their bruises were dressed. It is reported that the men stole another Ford coupe while at Granite Falls.

### MUSICAL PROGRAM

The Girl Scouts Troop No. 2 will give a musical on Friday evening, Sept. 29th, at 8 o'clock in the Bethel Lutheran church. Following is the program:

Sandwiches, pickles, cake and coffee will be served. Everybody cordially invited to attend.

## AUTOMOBILE ACCIDENT ON LITCHFIELD AVENUE

**Two Ford Cars Meet in Collision Friday Evening at Corner of Litchfield Ave and 8th St.**

An automobile accident in which two Fords participated occurred on Friday evening at the crossing of Litchfield avenue and Eighth Street. The drivers of the cars were A. E. Renstead of Penock and Roy Downs of Kandiyohi. Mr. Renstead's Ford was quite badly damaged, the two front wheels having been torn off and the axle severely bent. The other car was slightly damaged. Renstead was driving west on Litchfield and Downs south on Eighth.

### PROGRAM AND SOCIAL

A program and social will be given at the Christina Lutheran church on Thursday evening, Sept. 28th. Everybody welcome.

## PLAY FIRST GAME AGAINST GLENWOOD

**High School Eleven to Journey to Glenwood on Saturday for First Test**

The High School football eleven will meet its first gridiron opponent next Saturday afternoon when Glenwood will be played on their own grounds. This game will be an excellent preparatory contest to the game with St. Cloud scheduled for October 7th at St. Cloud.

The boys are being given their last grooming this week by Coach McClafflin. They ought to be fit and ready for the fray on Saturday.

Montevideo doesn't like Willmar this year, not since the wrangle which occurred on October 22, 1921. She states her schedule is complete but under the surface of this argument lies the truth that she not only fears Willmar this year but would rather avoid us due to the injustice perpetrated against the W. H. S. last fall.

The following games have thus far been scheduled:

Glenwood at Glenwood, Sept. 30. St. Cloud (there) October 7th. Hapecock (there) October 14th. Madison (here) October 21st. Litchfield (here) November 4th. Hutchinson at Willmar, Nov. 11. (?)

The team this year is somewhat lighter, than it has been in several years, but the spirit is the best that we have ever had. Three full teams turn out for practice every night and we feel certain that the boys will give a good account of themselves.

## BOY KILLED IN AUTO ACCIDENT SUNDAY

**Son of Mr. and Mrs. Ed Feifarek of Svea Killed When Car Rans In Ditch**

Mr. and Mrs. Ed Feifarek and family of Svea while enroute to Olivia on Sunday, met with a fearful auto accident. While running along, something seemed to go wrong with the car, and suddenly went into the ditch, turning over several times. One of the young sons was killed outright and Mrs. Feifarek sustained a badly crushed leg, which may have to be amputated. The car was completely demolished. The accident occurred about one o'clock Sunday afternoon.

### ESCAPES SERIOUS INJURY

Lambert Osmundson, son of Mr. and Mrs. Henry Osmundson, was very fortunate in escaping serious injuries last Tuesday afternoon. He caught on to a car without the driver knowing it, and the car gained speed quite rapidly, so that when the young man jumped off, he was pummeled and thrown into the road. He was taken to the Willmar Clinic where x-rays were taken, which disclosed no broken bones. The boy had a severe cut in the scalp and right knee, and was badly bruised over his body.

### KICKED BY HORSE

The little son of Mr. and Mrs. L. J. Eddy escaped serious injuries last Monday when he was kicked in the face by a horse. The only injury received was a long cut thru the cheek. The boy was taken to the Willmar Clinic for treatment.

## THREE EXTRAS

**Tribune Gets Into Daily Edition Work During County Fair**

Extra! Extra! Thursday, Friday and Saturday! Three special editions.

The big fire at the Fair Grounds occurred at 3 p. m. Hardly three hours later the Tribes were on the grounds with a three-column story—the first Fair extra.

On Friday its second extra came out—a full page about the Fair. Then on Saturday out came another full page and the reporters and editors sat down and took a breathing spell.

The Trib staff got their taste of the daily life on those three days. It was to rush to the grounds, gather your details together, sail back to the office, rattle the typewriter, rattle just as fast the linotype, and out comes THE SPECIAL.

The Tribune distributed the papers at their Ben Franklin booth free to all (and they came in crowds) who wanted them.

## TELEPHONE WIREMAN INJURED BY TRUCK

**T. C. Torkelson Struck By Gravel Truck on Spicer Road on Saturday**

Theodore C. Torkelson, an employee of the Northwestern Bell Telephone Company, was injured on Saturday morning as he descended from a telephone pole on which he was working. As he reached the ground and stepped back he was hit by one of the trucks owned by the state highway department which was being used to haul gravel. The accident happened on the road to Spicer, on the north side of Eagle Lake while Mr. Torkelson was repairing some of the telephone lines. He was taken to the Rest Hospital where several stitches had to be taken to close the five inch cut made above his elbow thru the muscle. He is doing nicely at present but he will not be able to work for about a month.

## OFFER SPLENDID VOCAL PROGRAM

**Dovre Singing Society Will Appear Here Sunday Afternoon**

The musical program offered to the music lovers of the community next Sunday afternoon by the Dovre Singing Society of Minneapolis is a splendid one. A glance at the program below will verify this statement.

The Society will appear in concert at the Fair Grounds Auditorium next Sunday afternoon at 2:30 o'clock. The concert is being given under the auspices of the Sons of Norway. Olof Halten is the director of the Society.

### FINGERS LACERATED

The little son of H. P. Rasmussen living near Penock, had the misfortune last Saturday afternoon of catching his hand in a corn shredder. Mr. Rasmussen was fixing the shredder and did not know that the boy was around, until the boy cried. He was taken to the Willmar Clinic where Dr. B. J. Branton found four fingers very badly lacerated and crushed, the end of one finger being gone completely. At this writing the hand is healing nicely and it is probable that further amputation will not be necessary.

### INJURES EYE

Mr. and Mrs. Edward Erickson of Nevis, Minn., arrived in Willmar last Sunday by auto with their son Melvin, to consult Dr. P. C. Davison of the Willmar Clinic, concerning a serious injury to the boy's eye. The boy was playing "Indian" and one of the darts struck the boy in the eye, cutting the eyelid completely thru, and the point of the dart going thru the eye ball. Every effort is being made to prevent the loss of the eye.

### INJURED HAND

Andrew Thyden fell down the stairs accidentally last week and sustained a severe injury to his right hand. He also had a bruise on the right cheek.

### LADIES AID

The Ladies Aid of the Norwegian Lutheran Free church will meet on Wednesday afternoon, Oct. 4th, and will be entertained by the following ladies: Mesdames A. Belkengen, O. Belkengen, N. H. Nelson, and C. E. Tommerasen.

### PARENTS GIVE FOOD SALE

The Ladies of the Garfield School Teachers and Parents Association will give a food sale at the Metropolitan Meat Market next Saturday afternoon at three o'clock, Sept. 30.

## 1922 Kandiyohi County Fair Goes Down In Annals As One Of The Best

**All Departments Excellent—Large Crowds Attend On Last Three Days. Total Gate And Season Ticket Receipts Are \$5,561.35. Excellent Weather.**

## TO OBSERVE FIRE PREVENTION DAY

**Schools of City to Have Drills. Citizens Urged to Remove Rubbish and Clean Premises**

Fire Prevention Week will be observed in the City of Willmar by special exercises and drills in the schools of the city and appeals made to the citizens of the community to look after fire hazards and to clean up their premises in such a manner as will prevent every possibility of a fire.

Supt. Geo. Brohaugh of the city schools in his outline or program for the coming term has set aside October 9th as the "Fire Prevention Day" for the city schools. On this day, which happens to be Monday, special exercises and programs will be given in the schools. Fire drills will be executed and the pupils taught how to leave the building in an orderly and rapid manner.

Official "Fire Prevention Week" is October 2 to 9.

The citizens of Willmar are urged to clean up their premises, remove rubbish, correct all hazards, enlisting the aid of the fire department and to try and cultivate a carelessness about the house. The idea of fire prevention should be born in mind and every care taken to remove fire causes.

Fire Prevention Day is a national day and is being observed thruout the nation. It should be taken in earnest and citizens should see the value of the advice to be taken to heart on that day.

If any proof of the need of observing Fire Prevention Week is required, it resides in the most recent estimate by the Actuarial Bureau of last year's contribution to the national ash heap—\$485,000,000. Only once in the 166 years of this republic has this stupendous figure been exceeded, and that was in 1906, the year of the San Francisco conflagration. The present burning rate of \$923 a minute constitutes one of the heaviest drags on our economic progress. If it is allowed to continue at that appalling pace the country will, as time goes on, find itself seriously handicapped in competing with the nations of the world.

JUST ONE MINUTE.

You can read this in one minute. By the time you reach the last line, property worth \$923 will have been destroyed by fire somewhere in the United States.

Minute after minute, day after day, on the average, this appalling pace keeps up, to a grand yearly total of \$485,000,000.

That, at least, was the record in 1921. What the showing will be this year, and in the years to come depends, in large measure, on YOU.

Ninety per cent of all fires are preventable for they are due to carelessness.

Take a look in your cellar, your attic, that closet. Clear out the rubbish—the old stuff stored away because "maybe some day we'll find a use for it." Many fires about the house are born in trash piles.

While insurance marks the difference between protection and destitution, every American home has its treasured possessions whose worth cannot be computed in terms of money and can never be replaced.

A minute's thought now may save the patient accumulation of a lifetime from the ravages of fire.

After all, it's chiefly a matter of protecting your own dwelling and those whose presence there makes it HOME. Isn't it worth a minute to you?

**FINE RADIO OUTFIT**

Russell Holmberg receives Baseball News and Scores of the Day at his Home Station

Russell Holmberg, son of Mr. and Mrs. Frank Holmberg, 730 Third St. West, has installed and has been operating for some time an excellent radio station at the home. His receiving instrument is placed in the living room where guests may hear the messages. Every evening he receives the complete baseball scores of the big leagues.

He will get the world's series scores after games are completed each day.

The 1922 Kandiyohi County Fair will go down in the annals of the county as one of the best and leading fairs ever held here and puts on it the stamp of one of the leaders in the state as far as successful county fairs are concerned. The fair opened on Wednesday and closed its four day exhibition on Saturday evening. During these four days it is a safe and even conservative estimate to state that some fifteen thousand people passed thru the gates. The total receipts taken at the gate amounted to \$5561.35. This includes \$213.40 for season tickets sold. The grand stand receipts are in addition to this figure.

The table below is given with the explanation that the total given for 1921 includes the grandstand receipts for that fair. There were no grandstand receipts for the 1920 Fair and no such receipts are included in the 1922 amount:

	1920	1921	1922
Wednesday	176.00	73.35	236.60
Thursday	1075.50	435.60	1088.35
Friday	2838.45	861.40	2923.80
Saturday	1626.15	1664.84	1412.60
Totals	5716.40	3085.19	5561.35

The loss of the eating house on Thursday afternoon is largely offset by insurance. The building was built at the cost of \$2200.

The carnival this year contained a larger number of individual shows. They did a large business especially the luck games such as kewpie dolls, aluminum, blankets, etc.

The auditorium presented an attractive appearance. It had been redecorated. New stands had been built and the arrangement altered from last year.

All departments were excellent and many of them surpassed any similar departments in past years. The cattle exhibit was exceptional. The agricultural department also was better.

There was no evidence of disorder of any kind and the Fair crowds behaved themselves. Saturday evening the young folks "let loose" as usual. No accidents occurred of a serious nature.

See pages 8 and 9 for full account of the Fair.

## FIRE TRUCK CALLED OUT THIRD TIME IN ONE WEEK

**Large Crowd Turns Out to See Blaze as Shed Burns on North Side of Track**

The fire whistle sounded again at ten minutes after eight on Tuesday evening for the third time in one week. The firemen hurried to the fire house and in a few minutes the truck was on its way. About ten or twelve men were on the truck when it left. Others hurried to the blaze in their own cars. There were about 25 men altogether.

The fire occurred at the residence of Mrs. C. Bonde which was rented by the N. J. Sletten family. One of the boys noticed a bright light in the back yard and looked out to see the shed burning. His sister, Miss Nora Sletten, turned in the fire alarm. The truck arrived in a few minutes and the hose was strung from the hydrant on Ella avenue and 11th st. About six hundred feet of hose were needed to reach the shed.

The shed was burned to the ground. The loss is placed at between two and three hundred dollars including the storm windows and other things that were stored in the building. Mr. Sletten succeeded in getting the heating stove out of the building so that was saved. About fifty chickens were housed right next to the shed and it is believed that some of them were slightly scorched. The wind, as on the day of the large fire at the fair grounds, was coming from the right direction or otherwise buildings might have been burnt, the house being only about 20 feet away from the shed. Water was poured on the house to prevent it from catching on fire.

The blaze attracted a large crowd of people who came on foot and in cars. As usual cars were a great hindrance to the firemen as they got too near the burning building and it was with difficulty that the hose was strung. The engine was not used as the water main furnished enough pressure. The origin of the fire is not known.
