GOLDEN WEDDING OF AGED COUPLE**Mr. and Mrs. Christian Haug of Pennoek Surprised by Church Gathering**

The 53rd wedding anniversary of Mr. and Mrs. Christian Haug of Pennoek was the occasion for a large gathering at the Zion Lutheran church at Pennoek last Sunday evening. The two congregations of St. Johns of the Lutheran Free church and the Zion of the Swedish Lutheran church united in the preparation for the surprise and jointly contributed to the purse of money which was presented to the venerable couple.

Mr. and Mrs. Haug were at home observing the day and had no knowledge whatever of the festivities about to commence in their honor at the Zion church. They were called for when the church service hour approached and invited to attend services at the church. They accompanied those who came to the home for them and found at the church a gathering of friends and members of both congregations which filled the church to overflowing. As the couple entered the church the bell was tolled as it did 53 years ago.

Rev. Nicolay Nilsen of the Lutheran Free church of Willmar presided. He delivered a talk in which he sketched the lives of the honored guests. Christian Haug was born on Jan. 16, 1840, and Mrs. Haug on August 25, 1845. They have thus attained the ages of 82 and 77 years respectively. They came to America some 38 years ago and settled in this county immediately having a farm in the neighborhood of the present Orphans Home. Later on they moved their home to the Eagle Lake region. For the past twenty years however they have been continuous residents of the village of Pennoek where they have made a host of friends who Sunday night aided in making the surprise the success it was. Mr. and Mrs. Haug have been members of the St. Johns church for the past 31 years. Twelve children were born to the couple, six of whom are living.

After Rev. Nilsen's talk short speeches were given and well received by Messrs. A. P. Berglund and E. L. Thorpe. Mr. Thorpe humorously referred to the courtship methods used in Norway and delighted the audience with his "cheery" talk on this topic. Rev. Nilsen then presented the couple with a substantial sum of money which contained silver and gold coins.

Mrs. Botnen of Willmar, a daughter was present, as was also Mrs. Erickson of Duluth, another daughter. A sister and son were present from Chokio.

After the program the gathering retired to the parlors of the church where the Ladies Aid had prepared a splendid menu of refreshments. The honored couple with their children and relatives were seated at a special table. Lap lunches were enjoyed by many as tables could not be had to accommodate all.

The old couple received the hearty congratulations of their many friends.

SHOULD ATTEND**Bazaar and Social Should be Attended as Proceeds Go to Orphans**

All the proceeds from the bazaar and social to be held Friday evening at the Priam schoolhouse and which is being given by the Priam Ladies Aid will go to the Orphans Home. The bazaar and social should therefore be attended by as many as possible and swell the receipts that the sum donated to this charity institution will be substantial.

Members of the Ladies Aid have been selling numbers on two quilts to be given away that evening.

Community spirit and a willingness to aid in such a work as care for orphans should inspire as many as can to attend the function.

KANDIYOHI COUNTY MARINE MADE TRIP TO FAR EAST**John Holsten of Pennoek, a Marine, Visits Far East and Orient**

Norfolk, Va., Oct. 30—A journey to the Orient that will long be remembered was recently made by John Gilbert Holsten of Pennoek, Kandiyohi County, Minn., who accompanied Secretary of the Navy Denby and the Naval class of 1881 on their trip to Japan and the Far East.

Holsten was one of the U. S. Marines who embarked on the U. S. S. Henderson at Hampton Roads last May. That vessel first went to the West Indies, thence by way of the Panama Canal to San Diego, Cal. The next stopping place was Honolulu, thence to Japan where the party visited Tokyo, Yokohama and other large cities. The trip included a visit to Shanghai, China, from which port the party traveled overland to Peking. On the return journey the Philippines, Guam and the Hawaiian Islands were visited before the Henderson docked at San Francisco.

At San Francisco Secretary Denby disembarked and returned to the East Coast by rail. Holsten and the other Marines remained on the Henderson, returning to Hampton Roads via the Panama Canal and arriving here recently after an absence of over four months.

Young Holsten is a son of Mrs. Anna Holsten of Pennoek. He joined the Marines at Kansas City, Mo., last December, and was especially selected to accompany the Secretary and the class of 1881 to the Orient.

The games were played on eight courts.

The game between Nordstrom and Wahlstrand and Evenson and Nelson was the most sensational. The final score was 50 to 47. The rooters made all the pandemonium of a football game crowd. Ringer after ringer was made and the scoring ended with Willmar but three points in the rear.

ESCAPE DEATH MIRACULOUSLY**Mrs. C. H. Lunstead Suffers Serious Internal Injuries In Accident**

Death might have cast its shadow over the community in the automobile accident which occurred last Sunday evening at seven o'clock near the Thorpe Schoolhouse. Mrs. C. H. Lunstead of Willmar sustained very serious internal injuries recovery from which for a time was held in doubt. Minor injuries were suffered by other persons who figured in the accident.

Mr. and Mrs. Lunstead were returning to Willmar Sunday evening in their Overland car accompanied by Mr. and Mrs. K. Samuelson and Mrs. L. J. Pierce and daughter. Mr. and Mrs. Lunstead occupied the front seat of the car.

While driving on the road near the Thorpe Schoolhouse they saw approaching them at high rate of speed and with glaring white lights a large car. The driver was on the left side of the road and driving at a rate judged by other cars whom he passed at fifty miles an hour.

Mr. Lunstead who was driving was forced to the extreme right side of the road. Blinded by the sharp lights he drove to the edge of the road and suddenly discovered a five foot embankment. The Overland turned over completely with its occupants underneath.

Cars which were following behind witnessed the accident and arrived to aid those in the Overland. The four occupants in the rear seat were able to extricate themselves due to the rear doors having broken off giving them space thru which to crawl out. Mr. and Mrs. Lunstead however were pinned under the front part of the car.

With the aid of others arriving, the Overland car was lifted and Mr. and Mrs. Lunstead released.

The occupants were taken to Willmar. Here Mrs. Lunstead was found to have suffered the fracture of three ribs and also other internal injuries. Mr. Lunstead suffered minor bruises. Mrs. Pierce and daughter fortunately escaped without any injuries while Mrs. Samuelson sustained some injuries.
