Wellin's FIFTH ST. If You Are Tall and Slender IT is graceful to be tall and slender when we are well proportioned. But if we are not careful, as we grow older we are apt to develop angles instead of curves, and unkind people call us not "slim," but "thin". The cure for this tendency is the persuasive moulding of the Gossard Corsets designed to give youthful roundness to those lines of the tall, slender figures that are not sufficiently curved. Understanding your type is one of the most important aids to beauty you will ever find. Remember that whatever your figure may be there are GOSSARD CORSETS with just the support you need at your age and weight to give you the proper proportions of the type to which you belong. Gossards are moderately priced, launder beautifully, will outwear two or even three ordinary corsets and will give you a comfort such as you never knew before. Be sure and see the Gossard film that is being shown at Dreamland Theatre this week. Gossard Corsets are sold exclusively at Wellin's WILLMAR, MINN. Correct Apparel for Women
